Position vacancies

Vacancy information and applications for the following positions are available at the appropriate Human Resources office, information (www.calpoly.edu/hr) can also be accessed from the Cal Poly homepage on the World Wide Web.

STATE: (Adm. 110 ext. 4288 or Job Line at ext. 6-8383). Official application forms must be returned by 4 p.m. the closing date or be postmarked by the closing date. No FAXes.

Read-train-earn - Changes in requirements: #97053: HVAC Mechanic. ($3,690-$4,428/mo.) Full-time. CAL Poly Aeronautical Sciences. (Adm. 237 ext. 6-2236 or job line at ext. 6-8383). Official application forms must be returned by 4 p.m. the closing date or be postmarked by the closing date. No FAXes.

#93407: San Luis Obispo, CA.

'Registry' prize salary are commensurate with qualifications, and experience and therefore, unlike others, are not stated.

#93028: Tenure-Track Position, Theatre and Dance Department, (805) 756-7461. Assistant professor available September 1999. Minimum academic year salary is $38,000. See columnist(s) lighting design instructor and stagecraft technician. (Adm. 237 ext. 6-2236 or job line at ext. 6-8383). Official application forms must be returned by 4 p.m. the closing date or be postmarked by the closing date. No FAXes.

#93811: Tenure-Track Position, Environmental Engineering, (805) 756-1485. Assistant professor available September 1999. Experience in urban and natural resources, water, and environmental engineering is required. The position includes the potential for grant writing. (Adm. 237 ext. 6-2236 or job line at ext. 6-8383). Official application forms must be returned by 4 p.m. the closing date or be postmarked by the closing date. No FAXes.

#95047: Custodian Pool, Facility Services. ($10.42-$13.54/hour). Temporary to permanent. An earlier application with the same number was posted on November 5, 1998. (Adm. 312 ext. 6-2844)

#96033: Electrician I, Facility Services. ($3,690-$4,428/mo.) Valid California Class C driver's license required; previous industrial experience desired. Preferred: Must be able to climb, be physically able to lift up to 40 pounds, and have experience with equipment. (Adm. 110 ext. 6-2236 or job line at ext. 6-8383). Official application forms must be returned by 4 p.m. the closing date or be postmarked by the closing date. No FAXes.

#99042: Library Assistant I, Learning Resources and Curriculums (Units 70-$3,690-$4,428/mo.) Temporary to permanent. (Adm. 312 ext. 6-2844)

#99044: Coordination, Alcoholism and Publications (Public Affairs Assistant D) ($3,690-$4,428/mo.) Temporary to permanent. (Adm. 312 ext. 6-2844)

#99045: Supervising Technician, Facility Services. ($3,690-$4,428/mo.) Valid California Class C driver's license required; previous industrial experience desired. Preferred: Must be able to climb, be physically able to lift up to 40 pounds, and have experience with equipment. (Adm. 110 ext. 6-2236 or job line at ext. 6-8383). Official application forms must be returned by 4 p.m. the closing date or be postmarked by the closing date. No FAXes.

#99046: Information Technology Consultant (Computer Services). ($3,690-$4,428/mo.) Valid California Class C driver's license required; previous industrial experience desired. Preferred: Must be able to climb, be physically able to lift up to 40 pounds, and have experience with equipment. (Adm. 110 ext. 6-2236 or job line at ext. 6-8383). Official application forms must be returned by 4 p.m. the closing date or be postmarked by the closing date. No FAXes.

#95047: Caterpillar Pool, Facility Services. ($3,690-$4,428/mo.) Temporary to permanent. (Adm. 312 ext. 6-2844)

FACULTY (Adm. 312 ext. 6-2844)

Candidates interested in faculty positions are invited to submit their curriculum vitae. Candidates must submit letter of application, letter of recommendation and a copy of their graduate degrees to the Chair of the appropriate department.

#99042: Department of Theatre and Dance.

Chair/Maria Gomez-Jauregui from Payroll and Human Resources Office and/or the Registrar. (Adm. 312 ext. 6-2844)

For more information, call the General Information line at ext. 6-1511 or visit www.calpoly.edu; click on "General Information" or contact the Registrar's Office at ext. 6-6961.

Workshops offered for GE 2000 preparation

Several workshops on the campus will be offered for the GE 2000 preparation. These workshops will be held on the following dates:

- Area D (General) - Oct. 26, 7 pm, Fisher Science 286
- Area A (Humanities) - Nov. 2, 6:30 pm, Science North 202
- Area C (Arts) - Nov. 6, 7:30 pm, Science North 202
- Area D (Soc./Human Science) - Nov. 11, 5 pm, Engineering 123
- Area D (Upper-Career) - Nov. 29, 4:30 pm, Science North 202
- Area A (Communication) - Nov. 12, 11 am, Engineering, room 123

For more information, call the Career Education Program office at ext. 6-2285 or send an e-mail to gene@calpoly.edu.

Gomez-Jauregui wins 'Registry' prize

Maria Gomez-Jauregui from Payroll Services won a Deluxe desk calendar and mouse pad from a coffee mug and office accessories valued at over $25 in the Readership "Registry" program. Gomez-Jauregui registered the city bus to get to work.

For information on how to become a "Registry" member, and to be eligible for win quarterly prizes, call Consumer Services at ext. 6-6680.

DATELINE

Exhibits

University Art Gallery (Deputy Art and Design Department Faculty Exhibit, Nov. 2-Dec. 6. Reception 3 pm, Nov. 3. Daily 11 am 4 pm, Wednesday 7-3 pm, Saturday, noon to 4 pm.

Undergraduate Multimelter: Andante Allegro Robtico, through Dec. 6. Thursday-Friday 10-4 pm, Wednesday until 7 pm, Saturday, noon to 4 pm.

October, 29

Speaker: Stan McHaffie, "Designing Environments for the New Millennials," Theatre 430, 3:40 pm.

Friday, October 30

Forum: Environmental issues, proposals and solutions, Architecture Gallery, 2 pm.

Saturday, October 31

Volleyball: Boise State, Mott Gym, 7 pm.

Sunday, November 1

Music: Cal Poly Vocal Jazz, and the Cal Poly Jazz Combo, Cozen Center Hall, 7 pm.

Tuesday, November 3

Learn-a-Lunch: Scott Stecher, "The Impact of Alcohol and Other Drugs on General Education Program office at ext. 6-2285 or send an e-mail to gene@calpoly.edu.

11 pm, Engineering, room 123.

For more information, call the General Education Program office at ext. 6-2285 or send an e-mail to gene@calpoly.edu.

Here's how to reach us.

The Cal Poly Report is published by the Communications Office Wednesday during the academic year. Items submitted by 10 am Thursdays appear in the following Wednesday's edition.

For information, call ext. 6-1511, or write to: Communications Office, 1106 N. Vermont St., San Luis Obispo, CA 93407. Fax: (805) 756-1287. All foundation application materials must be received (not just postmarked) by 5 pm the closing date. (See below)

Human Resources Assistant (10.42-$13.54/hr.) Required: HS degree or equivalent. Must be two years experience performing clerical/custody activities, preferably in a human resources department or position handling confidential matters. Knowledge of Workers' Compensation required. Must be capable of computer operation — MS Word, desktop publishing and Excel preferred. Must type 50 wpm and have excellent written communication skills. Closing date: Nov. 6, 1998.

Rights of the people of the United States and approved by voters, the four-year university's campus will be evenly among the state's community colleges. The majority of Prop. IA's revenue would enable is a joint engineering and architecture facility with state-of-the-art technology.

Driving the CSU system.

The Sports Complex, soon to become a major addition to the university's athletic facilities, received a major boost with a $100,000 contribution from one of Cal Poly's most distinguished alumni. Alex G. Spanos, owner of the A.G. Spanos Companies, is best known in the sports world as owner of the San Diego Chargers of the National Football League.

Spanos's donation helps assure development of separate baseball and softball stadiums and at least six all-purpose playing fields.

With his $100,000 gift, Spanos joins 14 other couples and contributors as a founder of the Sports Complex. Other contributing couples are ASI, San Luis Obispo residents Richard and Joyce Andrews, Robin and Barbara Darago, Dave and Vicksie Biljusijes, Everett and Arlene Chandler, Bob and Mary Neal. Bobby and Christine Beathard of San Diego; Bob and Joan Cardore and Tom and Karen Gallo, Mosdovy; Dave and Diane Hyde; Vissalia; Richard O'Neill, San Juan Capistrano; Lucy Thomas, Mountain View; the Robert Janssen Foundation Inc., of the University of California, and Pico-Peola.

Spanos attended Cal Poly in the early 1940s and was named a Distinguished Alumnus in 1974.

Energy, renovation audits get underway

Facilities Planning has hired Enron Employee Benefits, a design firm and RMD Design Group to perform an energy audit and a classroom renovation study intended to aid the campus's educational mission and reduce energy costs.

On Monday, Nov. 2, Enron will begin looking at classrooms. The work won't interrupt classes. Facilities and offices will be notified before Enron begins looking at other buildings.

For the renovation study, RMD has already begun looking at classrooms and contacting department representatives to determine their needs.

Protea I A includes $7.6 million for Cal Poly

The Nov. 3 election ballot contains a $9.2 billion education construction and safety bond measure, Proposition IA, that includes approximately $10.7 million for future projects at Cal Poly.

The major Cal Poly project prop. IA would enable is a joint engineering and architecture facility with state-of-the-art technology.

The proposal, worth $10.7 million, would include a joint engineering and architecture facility with state-of-the-art technology.

The proposal, worth $10.7 million, would include a joint engineering and architecture facility with state-of-the-art technology.
**Centennial Campaign topic of Nov. 10 meeting**

The faculty and staff are invited to an Academic Senate open meeting Tuesday, Nov. 10, to hear updates by University Advancement about its operations and the Centennial Campaign. The meeting will be from 3 to 5 pm in UU 220. For more information, call the Academic Senate office at ext. 6-1258.

**Foundation Board to meet Nov. 6**

The Foundation Board of Directors will hold a meeting at 9:30 am Friday, Nov. 6, in the Foundation Administration Building's Conference Room (#124). This is a public meeting. For more information or to obtain a copy of the meeting agenda, contact Executive Director Al Altmatt at ext. 6-5131. A copy of the agenda packet is available for review at the Kennedy Library Reserve Desk and the Academic Senate Office, Mathematics and Science 143.

**Get into The Credit Report**

Monday, Nov. 9, is the deadline to submit a subscription to Get into The Credit Report, the newsletter of faculty and staff professional accomplishments. Items listed should include significant accomplishments clearly related — and in most cases that directly related — to the individual's work experience or a staff member's job at Cal Poly.

Mail items (typed and double-spaced, please) to Jo Ann Lloyd, Communications Office, Herron Hall; fax there to ext. 6-6553; or e-mail to polynews@poly. The deadline to receive the number. For information, call ext. 6-1511.

**Energy audit**

[Continued from page 1]

Both audits are expected to be completed by January. The energy conservation recommendations will incorporate the results of the classroom study and will aim to improve lighting and comfort and reduce energy costs. The audit of facilities will take approximately 6 months to complete, or when a student is hurt in a classroom or laboratory or while participating in an off-campus activity.

**Building permits required on construction projects**

Facilities Planning reviews campus department that all construction projects — whether small or campus building permit application process. Student projects and departments and other small/midsize projects with their own resources must also apply for a building permit. A permit is required when any modification, such as asbestos or lead are exposed, disturbed or removed; or Estrogen signs are installed. If in doubt about whether a permit is required, please call Deby Ryan, Facilities Planning, at ext. 6-2606.

**HP-driven lab dedicated**

The Computer Science Department, Electrical Engineering Department, and Computer Engineering Program recently dedicated the Hewlett-Packard Embedded Systems Laboratory in the Engineering East Building. The lab includes two servers, eight workstations, and eight analyzers. The equipment acknowledgment amounts millions of dollars worth of equipment from HP over the years, Grimes said. "HP has been a partner with Cal Poly ever since the 1950s," said President Donn Drake, "and our students have benefited tremendously from this longstanding relationship. HP is committed to providing our undergraduate and graduate students access to state-of-the-art technology and computing systems."

**ASL, Greeks to host benefit softball game**

A benefit softball game and barbecue are planned for Sunday, Nov. 8, to raise money for Artie Ponce, a local six-year-old girl who is suffering from kidney failure and requires a transplant. One of his kidneys has completely failed and the other is operating at 15 percent, requiring dialysis treatments up to three times a day.

ASL and the university's Greek system, along with the San Luis Obispo Police Department and Mid-State Bank, are sponsoring the event. Spectators can begin at 1 pm at Sisaligned Park in San Luis Obispo. Fans can help by buying "Artie" T-shirts and tickets to the afternoon game and barbecue during Farmer's Market on Oct. 29 and Nov. 5, and in the UU Plaza daily through Nov. 6. For more information, call SGT. Jerry Lenthal at the San Luis Obispo Police Department at 781-7312.

**New Orleans Jazz group to perform Nov. 13**

Banu Gibson and the New Orleans Hot Jazz sextet will play the classic jazz and swing sounds of the '20s, '30s, and '40s at 8 pm Friday, Nov. 13, in Harman Hall of the Performing Arts Center's Cohan Center. Tenor sax player, trumpet, clarinet, and Soledad Sosa, featuring Taylor said.

**Student, visitor injuries need to be reported**

Administration and Finance reminds the faculty and staff of their responsibility to file a Student/Visitor Accident Report when a visitor is injured on campus or when a student is hurt in a classroom or laboratory or while participating in an approved off-campus activity.

The completed accident form should be sent to the Office of Risk Management. (Adm 116). Questions about the report or records of copies of the report should be directed to Nancy Villikis at ext. 6-1717.

If a student or visitor is injured in an ASI facility (Rec Center, the UU or while participating in an ASI sponsored activity, accident report should be sent to the ASI Business Office. Questions about the ASI accident report or requests for copies of that report should be directed to Phil Philibert at ext. 6-5808.

**Canadian chamber group to perform Nov. 17**

The St. Les Violes du Roy, a chamber ensemble described as "stylistically elegant," will play works by Handel and Cohan Center's Philips Hall. The program will include Handel's Concerto Grosso in D Major, Opus 6, No. 5, and Concerto Grosso in D minor, Opus 6, No. 10, and Bach's Orchestral Suite No. 3 in B minor, Sinfonia in B minor from Cantata BWV 209, and Sinfonia in C minor from Cantara BWV 21.

Music professor Craig Russell will give a preconcert lecture at 7 pm in the Cohan Center's Pavilion. Tickets to the Cal Poly Arts concert are $15.50 to $28.

**International programs seeking applicants**

The CSU International Programs office is calling for applications for two 12-month resident director positions in France, Italy, Mexico, Spain and Zimbabwe and an academic year resident director post in Japan. Applications are due by Jan. 31, 1999. In acquainted with the 2000-2001 academic year except Zimbabwe's, which is for calendar year 2000.

Men, women, and faculty members who have not previously served as a resident director are especially encour-

Twelve-month resident directors are compensated at their current level of appointment as a Ph.D. or other terminal degree and have appropriate overseas experience. For France, Italy, Japan, and Mexico, applicants must speak and write the relevant language. Administrative skills should be excellent and a commitment to international education is also required. It is also desirable that applicants be able to demonstrate financial ability to support their involvement through the credits of the institution.

**Correction**

In the Oct. 7 issue of the Cal Poly Report, Nicholas Giacona's name was misspelled. Giacona served as director of Cal Poly's Computer Engineering Program last year.

At least we’re consistent ... both first and last names were misspelled incorrectly. Our apologies, Nick.

SIS training session
A Student Information System Plus (SIS+) training session for new users will be offered from 1:30 to 2:30 p.m. Wednesday, Nov. 4, in Chase Hall, Room 104. Employees need to complete a training session before they can receive a SIS+ account and access the SIS+ database. Participants should bring an Account Request Form to the session. The form is available on OpenMail in the help area. To reserve a space, call Betty Sawyer at ext. 6-1344 or send an e-mail note.

Getting into The Credit Report
Monday, Nov. 9, is the deadline to submit a copy of the Oct. 7 issue of The Credit Report, the newsletter of faculty and staff professional accomplishments. Items should be about significant accomplishments clearly related -- in most cases that means directly related -- to one's current level of appointment plus a 10 percent salary differential. It is not desirable that applications contain experience in a different field or a student's reference at a job other than Cal Poly. Mail items (typed and double-spaced, please) to Jo Anne, Communications Office, Henn Hall; fax them to ext. 6-6533; or e-mail to polynews@poly.edu. For more information, call ext. 6-1511.

Energy audit
Both audits are expected to be completed by January.

doing business with a high school, Kenedy Library archivist Teresa Taylor will give a photo presentation titled "Loyal Poly's We, the Girls of Old Cal Poly, 1903-1933" from 2 to 4 p.m. Sunday, Nov. 8, in Room 409 of the library.

A Student Information System Plus (SIS+) training session for new users will be offered from 1:30 to 2:30 p.m. Wednesday, Nov. 4, in Chase Hall, Room 104. Employees need to complete a training session before they can receive a SIS+ account and access the SIS+ database. Participants should bring an Account Request Form to the session. The form is available on OpenMail in the help area. To reserve a space, call Betty Sawyer at ext. 6-1344 or send an e-mail note.

Building permits required on construction projects
Facilities Planning reminds campus departments that all construction projects require an approved off-campus activity. A Student Information System Plus (SIS+) training session for new users will be offered from 1:30 to 2:30 p.m. Wednesday, Nov. 4, in Chase Hall, Room 104. Employees need to complete a training session before they can receive a SIS+ account and access the SIS+ database. Participants should bring an Account Request Form to the session. The form is available on OpenMail in the help area. To reserve a space, call Betty Sawyer at ext. 6-1344 or send an e-mail note.

The public is invited to get ac­ quainted with "The Girls of Old Cal Poly," the often-forgotten first female students of the institution that began as a technical high school.

Kenedy Library archivist Teresa Taylor will give a photo presentation titled "Loyal Poly's We, the Girls of Old Cal Poly, 1903-1933" from 2 to 4 p.m. Sunday, Nov. 8, in Room 409 of the library.

"As students, employees, club officers and athletes, the girls of Old Cal Poly were lively contributors to campus life," Taylor said.

Cal Poly's earliest students included girls between the ages of 13 and 17. Taylor will explain how those students helped forge the spirit of Cal Poly today.

Light refreshments will be served. Seating is limited and reservations are required. Call ext. 6-2345 to reserve a space.

The Computer Science Department, Electrical Engineering Department, and Computer Engineering Program will dedicate the Hewlett-Packard Embedded Systems Laboratory in the Engineering East Building.

The lab includes two servers, eight workstations, and eight analyzers. The lab's embedded system education acknowledges millions of dollars worth of equipment from HP over the years, Grimes said. "HP has been a partner with Cal Poly ever since the 1950s," said President Theodore E. Daker, "and our students have benefited tremendously from this longstanding re­ lationship. We are pleased to continue this partnership, providing our undergraduate and gradu­ ate students access to state-of-the-art technology and computing systems."
Position vacancies

Vacancy information and applications for the following positions are available from the appropriate Human Resources office, information can also be accessed from the Cal Poly home page on the World Wide Web address: www.calpoly.edu click on ‘Career Information’.

STATE (Adm., 110 ext. 3268 or Job line ext. 6-1835). Official application forms must be received by 4 p.m. on the closing date or postmarked by the closing date. (No FAX.)

Readvertisement — Changes in requirements:

#95038: Equipment Technician I, Electro-Mechanical, Industrial and Manufacturing Engineering (Unit 9)* ($12,600, 38 hr. p/w) 16 hours per week working Monday and Friday, 8 a.m. - 4:30 p.m. Temporary to 6/30/99; 50%; $4,850 with possible extension. Closing date: Nov. 12.

#95039: Library Assistant I, Learning Resources and Curricular (Unit 70) $6,447 - $9,586. Temporary to 6/30/99, 75% base salary ($3,090/wk) for two years. A master's degree in library science, some library experience desired. Closing date: Nov. 12.

#96045: Supervising Electrician, Facility Services ($6,227 - $9,394/hr.) Temporary to 6/30/99; extension dependent upon need. Closing date: Nov. 12.

#96046: Information Technology Consultant (CIS), College of Business (Unit 9) $6,000 - $9,000. Temporary to 6/30/99 with possible extension. Closing date: Nov. 12.

#98047: Captain-Plus, Facility Services (Unit 9) $6,227 - $9,000 (Temporary to 6/30/99 with possible extension) Closing date: Nov. 12.

FACULTY (Adm., mid-Dec., ext. 24864)

Candidates interested in faculty positions are invited to apply. For all faculty positions, application materials must be submitted to the appropriate office at the above phone number listed for more information and a description. Submit all application materials to the department.

Chair/Professor (12/31/98)

Landmark deadline for December 31, 1998 applications.

Gomez-Jauregui wins 'Regularity' prize

María Gomez-Jauregui from Payroll Services won a Dilbert desk calendar and mouse pad at a coffee mug and office accessories valued at over $25 in the Rideshare "Regularity" program.

Gomez-Jauregui solitary uses the city bus to go to work.

For information on how to become a 'regular', and be eligible to win quarterly prizes, call Consumer Services at ext. 6-5680.

Workshops offered for GE 2000 preparation

Begin your campus tour proposals for GE 2000 series workshops will be presented by the GE A
development office at ext.

Workshops held on the following dates:

• Area D (General) — Oct. 26, 7 p.m., Fisher Science 286
  • Area D: The American Experience — Nov. 2, 6:30 p.m., Science North 202
  • Area D: Drama — Nov. 4, 7:30 p.m., Science North 202
  • Area D: Fine Arts — Nov. 4, 7:30 p.m., Science North 202
  • Area C: Arts and Humanities — Nov. 11, Ag Engineering 123
  • Area D: Upper-diagnostic testing — Nov. 19, Science E-45, 11 am.
  • Area A: Communication — Nov. 12, 11, Ag Engineering, room 123.
  • Area D: For more information, call the General Education Program office at ext. 6-228, or send an e-mail to gened@polymyal.calpoly.csu.edu.

Spans gives $100,000 for Sports Complex

The Sports Complex, soon to become a major addition to the university's athletic facilities, received a major boost with a $100,000 contribution from one of Cal Poly's most distinguished alumni.

Alex G. Spans, owner of the A.G. Spanos Companies, is best known to the sports world as owner of the San Diego Chargers of the National Football League. Spanos' donation helps assure development of the Sports Complex, consisting of separate baseball and softball stadiums and at least six all-purpose playing fields.

With his $100,000 gift, Spans joins 14 other couples and contributors as a founder of the Sports Complex. The other contributors are ASI, San Luis Obispo residents Richard and Joyce Andrews, Robin and Barbara Duggan, Dave and Vickie Billingsley, Everett and Arlene Chandler, Bob and Mary Neal, Bobby and Christine Brauthard of San Diego, Bob and Joan Cardona and Tom and Karen Gallo, Modesty, Dave and Diane Hyde, Vidal, Richard O'Neill, San Juan Capistrano, Lucy Thomas, Mountain View; the Robert Janss Foundation Inc., of the University and Popo-Culla.

Spans attended Cal Poly in the early 1940s and was named a Distinguished Alumnus in 1974.

SUNSET WEEKEND

DANIELLE MANNING, Staff Writer

Prizes 1A includes $7,8 million for Cal Poly

The Nov. 3 election ballot contains a $9.2 billion education construction and safety bond measure, Proposition 1A, that includes approximately $10.7 million for future projects at Cal Poly.

The major Cal Poly project Proposition 1A would enable a joint engineering and architecture facility with state-of-the-art technology.

If approved by voters, the four-year bond will provide a total of $832 million for the 23-campus CSU system.

The majority of Prop. 1A's revenue — $6.7 billion — will provide funds to the K-12 system for repairs of older buildings, new construction to reduce overcrowding, seismic retrofitting, new wiring for computers, and science labs. The remaining $250 million for the renewal of the bond's revenue would be split evenly among the state's community colleges, the University of California, and the CSU.

The three main CSU needs that the bond would address are maintenance, to correct structural, health and safety code deficiencies; renovations to make new facilities accessible, including technology upgrades; and new facilities to allow more students to attend the CSU.

Energy, renovation audits getting underway

Facilities Planning has hired Enron Energy Services to perform an energy audit and a classroom renovation study intended to aid the campus's educational mission and reduce energy costs.

On Monday, Nov. 2, Enron will begin looking at classrooms. The work won't affect classes.

For the renovation study, RHM has already begun looking at classrooms and contacting department representatives.

(continued on page 2)

For anything, call ext. 6-1531, or send an e-mail to majordomo@polymyal.calpoly.csu.edu. You may fax items to ext. 6-6533.

The Cal Poly Report is published by the Communications Office. Wednesday during the academic year. Items must be submitted by 10 a.m. Thursdays for appearance in the following Wednesday's edition.

For information, call ext. 6-1531, or send an e-mail to majordomo@polymyal.calpoly.csu.edu. You may fax items to ext. 6-6533.
