Background Material

Executive Order 792

EO 792 defines the WU Grade as follows:

WU (Withdrawal Unauthorized). The symbol 'WU' shall be used where a student, who is enrolled on the census date, does not officially withdraw from a course but fails to complete it. Its most common use is in those instances where a student has not completed sufficient course assignments or participated in sufficient course activity to make it possible, in the opinion of the instructor, to report satisfactory or unsatisfactory completion of the class by use of the letter grade (A - F). The instructor shall report the last known date of attendance by the student. The symbol "WU" shall be identified as a failing grade in the transcript legend and shall be counted as units attempted but not passed in computing the grade point average. In courses which are graded Credit/No Credit or in cases where the student has elected Credit/No Credit evaluation, use of the symbol "WU" is inappropriate and "NC" shall be used instead. The following statement shall appear in the campus catalog:

The symbol "WU" indicates that an enrolled student did not withdraw from the course and also failed to complete course requirements. It is used when, in the opinion of the instructor, completed assignments or course activities or both were insufficient to make normal evaluation of academic performance possible. For purposes of grade point average and progress point computation this symbol is equivalent to an "F."

If local campus policy prescribes other instances where this symbol may be used, the foregoing statement shall be extended to cover such instances.

The full text of EO 792 is available online at: <http://www.calstate.edu/EO/EO-792.pdf>. Note that the above does not mandate the use of the WU grade, but rather prescribes its intended use.

Some comments related to WU use at Cal Poly

- Some students who have attended a portion of a course, submitted assignments, and are earning a failing grade are being advised by campus personnel to request that faculty members issue or change failing grades to WU so that the grade can be later changed to a W. This results in giving some students an extra course of "grade forgiveness" above and beyond the 16-unit, one-time-per-course policy allowed by AS-645-06.
- Since 2002 there have been over 4000 WU grades assigned. The vast majority of these grades are coming from seven departments suggesting that students are not being treated equitably across the campus.
- Cal Poly has both regular and emergency withdrawal processes for students who need to withdraw from a class for serious and compelling reasons.

**AS-449-95/IC
RESOLUTION ON
"U" GRADES**

WHEREAS, Executive Order 268 specifies that "The symbol 'W' indicates that the student was permitted to drop the course after the (day/week) of instruction with the approval of the instructor and appropriate campus officials. It carries no connotation of quality of student performance and is not used in calculating grade point average or progress points"; and

WHEREAS, Executive Order 268 specifies that the grade of "U" is used "when, in the opinion of the instructor, completed assignments or course activities or both were insufficient to make normal evaluation of academic performance possible. For purposes of grade point average and progress point computation this symbol is equivalent to an "F"; and

WHEREAS, It is recognized that registration is a student responsibility, and that students enrolling but failing to attend class are potentially preventing other students from utilizing campus resources; and

RESOLVED: That students may request a grade change from "U" to "W"; and, be it further

RESOLVED: That students may receive only one such grade change from "U" to "W" during their academic career at Cal Poly; and, be it further
