Send items by Aug. 9 for summer Credit Report
Monday, Aug. 9, is the deadline to submit items for the summer quarter edition of The Credit Report, the newsletter of faculty and staff professional accomplishments. If, like last year, only a few submissions are received, we will hold off on a summer edition, we will hold them to include in the fall printings.

When submitting news, please keep in mind that items should be about significant accomplishments clearly related — and in most cases that means directly related — to a faculty member's teaching or a staff member's job at Cal Poly. Please keep the text short and e-mail them to the Communications Office, Heron Hall, or fax them to ext. 6-6533. Please do not send multiple items on the same number in case we have questions.

For information, call ext. 6-1511.

Cieslinski to retire; Aug. 12 reception set
A retirement reception honoring Barbara Cieslinski, coordinator of Telephone Assessment Program, has been planned from 2 to 4 pm Thursday, Aug. 12, in the Smith Alumni and Conference Center. Cieslinski began her Cal Poly career 37 years ago as a stenographer in the General Office. During her tenure, she worked as a secretary in the Physical Plant and as a supervisor in the satellite, now-defunct General Office.

Those who plan to attend are asked to call garage Mathews at ext. 6-5544.

Architecture students win 4 of 6 scholarships
Cal Poly architecture seniors won four of six Cal Poly Staff Council scholarships awarded by the California Architectural Foundation.

The Mel Ferris Scholarship recipients are chosen for academic achievement and financial need. The students honored were Durie McCormick, Diana Marquez, Matt Nohr, and Daniella Wilson. The six architecture recipients were recognized during the American Institute of Architects, California Council Awards Presentation held at Pacific Grove.

Rules clarified for credit/no-credit grading
(Editors note: An article that appeared in the July 21 edition of the Cal Poly Report on credit/no-credit classes did not provide current policy. Academic Affairs, therefore, is publishing this clarification.) Of courses normally offered for a letter grade, a student may take for credit/no-credit:

• Up to four units in general education;
• Up to four units in major/support (if approved by the department);
• Remaining units up to a total of 16 in free electives or "extra units." Cal Poly's registration systems (CAPTURE and POWER) have been modified to allow an undergraduate student to take a maximum of six units on a credit/no-credit basis. No courses will be restricted from credit/no-credit grading at the time of registration. However, every effort should be made to inform students of the limitations listed above and to impress upon them that it is their responsibility to act within these limits when signing up for courses credit/no-credit.

At the time of graduation evaluation, Academic Records may review courses selected for credit/no-credit grading and in some cases, students may have failed to comply with the rules listed above, more than four units taken generally, or with students as an academic adviser.

Bennett is a 1996 graduate of the Chamber of Commerce Leadership SLO Program and is on the board of directors of her homeowners' association.

For more information about the policy, call Jennifer Thomas at ext. 6-5914.

Appointments
• Gerald DeMers, a member of the Physical Education and Kinesiology Department since 1989, has been appointed as full professor, effective fall quarter. He will serve for one year.
• John Maxwell of the Chemistry and Biochemistry Department has been appointed as one-year appointment as department chair fall quarter. Maxwell has been teaching at Cal Poly since 1978.
• Kent Morrison, a mathematics fac­ulty member since 1979, will serve a three-year appointment as department chair beginning fall quarter.
