Position vacancies

Vacancy information and applications for the following positions are available from the appropriate office. Information is also available on the Cal Poly home page (www.calpoly.edu; click on "General Information").

STATE (Adm. 110, ext. 6-2326 or job line at ext. 6-1533). Official application forms must be submitted in person or by mail to recruitment code indicated and must be received by the closing date or postmarked by the closing date. (No faxes, please.) For positions marked with an asterisk, candidates on-campus applicants currently in Bargaining Units 2, 5, 7 and 9 will be given first consideration.

070724: Administrative Support Asistant II, College of Liberal Arts—History (Unit 5)*. Closing date: Sept. 27. 11:45 a.m. $2,462/mo. plus any salary increase negotiated through collective bargaining. This position provides technical support to library users who wish to acquire articles and books from libraries in California and the United States. In addition this position will provide office support to the assistant director of Access and Bibliographic Services and Library Systems. This position is required to work occasional weekends and evenings.

070725: Information Technology Consultant—Caeer; ITS User Support Services (Unit 5)*. Closing date: Sept. 7. 11:45 a.m. $2,462/mo. plus any salary increase negotiated through collective bargaining. This position serves as a primary contact in the User Support Services Help Desk and provides a full range of technical support to Cal Poly’s information technology users. In addition to these duties this position will also maintain the intranet-only recruitment only webpage currently used by Department of Counseling and Placement.

070727: Administrative Support Assistant II, Health and Counseling Services (Unit 5)*. Closing date: Sept. 7. 11:45 a.m. $2,462/mo. plus any salary increase negotiated through collective bargaining. This position is responsible for data entry and reception of telephone calls in the Front Office area for the Counseling Department and provides general office support to the professional staff.

090931: Analyt/Program Director—Library Services-Multimedia Section (Unit 9)*. Closing date: Sept. 7. 11:45 a.m. $2,462/mo. plus any salary increase negotiated through collective bargaining. This position is responsible for overseeing the multimedia section of the Library and its ongoing projects. The position is also responsible for maintaining and managing the library’s multimedia resources.

FACULTY (Adm. 312, ext. 6-2684). Candidates interested in faculty positions are asked to contact the appropriate department office at the phone number listed for more information and an application. Please submit all application materials to the department head/chair unless otherwise specified. Rank and salary are commensurate with qualifications and experience, and timebase where applicable, unless otherwise stated.

#93125: Lecturer, Agricultural Education and Communication Department (756-2003). Closing date: Sept. 7. Full-time position available subject to funding for the 1999-2000 academic year, starting fall 1999, at the Lecturer B level. Teach undergraduate and graduate courses in agricultural education; advise students, work with teachers of agriculture in the campus and in the field; assist in co-curricular activities; supervise student teachers. Must meet qualifications to teach agriculture in California. Bachelor’s degree required; master’s degree in agricultural education desirable. For additional information, or an application, refer to Recruitment Code #93125 and write to Glen Casey, head, Agricultural Education and Communication Department.

#030111: Tenure-track position, Mechanical Engineering Department. (756-1334). Closing date: Sept. 7. Tenure-track assistant/associate professor available starting fall 2000. Duties include teaching basic and advanced courses in mechanical engineering while pursuing an appropriate program of professional development. Qualifications: Ph.D. in mechanical engineering or closely related field, recent engineering industrial experience, and a demonstrated ability in written and oral use of the English language are required. Preference will be given to applicants with experience and expertise in mechanical or thermal-fluid design. Some teaching experience is desirable.

For additional information and an application, refer to Recruitment Code #030111, and send cover letter and resume to Search Committee, Mechanical Engineering Department.

FOUNDATION (Foundation Admin. Building, job line at ext. 6-7107). All Foundation application materials must be received (not just postmarked) by 5 p.m. of the closing date.

Research Assistant, Biological Sciences—Closing date: Aug. 27. $12.11 - $15.76/hr. Support the activities of the Environmental Biotechnology Institute in their ongoing research in the area of microbial ecology and as a research assistant in microbial community analysis, and microbial ecology studies. Requirements: A bachelor’s degree in microbiology, molecular biology, or biochemistry or an appropriate field of science, completion of the first two years of college coursework in the indicated disciplines and two years experience as a laboratory technician, or equivalent combination of experience and education. Must have knowledge of laboratory and research methods and use of scientific methods in conducting research. Must be able to operate and maintain the sequencing machine, Model 310. Must be familiar with DNA sequence analysis, and Genecis software applications. Experience with microbial ecology a plus. Must have strong oral and written communication and the ability to work well as a team member of a group. O

CPR schedule

The final summer quarter edition of the Cal Poly Report will be out Sept. 1. Publication will resume during Fall Conference week. Two issues: Monday, Sept. 13, and Wednesday, Sept. 15. Articles are due in the Communications Office by 10 a.m. Thursday for the Sept. 13 issue and by 10 a.m. Thursday, Sept. 9, for the Sept. 15 edition.

For more information, or an application, refer to Recruitment Code #030111 and write to Glen Casey, head, Agricultural Education and Communication Department. For additional information, or an application, refer to Recruitment Code #030111 and write to Glen Casey, head, Agricultural Education and Communication Department.

CSU Board of Trustees approved a two-year contract with the Academic Professionals of California (Unit 4), effective July 1, 1998, through June 30, 2000. Salary highlights include:

- A 2.4% GSI effective July 1, 1999.
- A one-step or 2.4% Service Salary Increase (SSI) payable to eligible employees on their anniversary dates in fiscal years 1998-99 and 1999-2000, as appropriate.
- For fiscal year 1998-99, a one-time lump-sum bonus will be paid to each full-time and part-time employee on the date of contract ratification. Full-time employees will receive $383, and part-time employees will be paid pro-rata, based on their timebase equivalent. This type of bonus is not available for fiscal year 1999-2000.

These salary adjustments will be processed as soon as possible. In addition, the contract provides for a Performance Pay Salary Increase of up to 7.5%, effective July 1, 1998, and July 1, 1999, respectively. For detailed information will be distributed later.

Employees, students to again ride for free

The CSU Board of Trustees approved a free rides program for the 1999-2000 academic year. Free rides on city buses, that is, for all students, faculty, staff and employees of the university.

The Ride for Free program, which began in 1985, is subsidized by Cal Poly with money collected from parking citations. Because of rising Transit and a shortage of funds, the program was in jeopardy.

Thanks to a $30,000 motor vehicle emissions reduction grant from the Air Pollution Control District (APCD), the program will continue through June 2000 without reducing services or having university bus riders pay part of the cost.

The cost of the service for fiscal year 1999-2000 is $182,000, $125,000 of which will come from parking fees. The remainder will be covered by the $30,000 APCD grant plus an additional $10,000 from the agency, and reserves from the campus’s parking citations.

This isn’t the first year the program experienced a shortage of funds. Last year, as stated in the cover story, the Cal Poly Board of Trustees approved a $44,000 fund.

Cal Poly has received a Caltrans grant, for this fiscal year, to hire a consultant to study campus transit access and the fare-free program. One aspect of the study will be to explore possible permanent funding solutions for free bus rides.

For more information, call Cindy Campbell, Parking and Commuter Service, at ext. 6-6658.

Chanteuse Cesaria Evora to perform Sept. 17

"A mellowing voice...a cross between Edith Piaf and Billie Holiday."

These are some of the comments critics are making about the Cape Verden version of the blues. They are referring to the voice of Cesaria Evora, who will perform at 8 p.m. Friday, Sept. 17, at the Embassy Suites Hotel.

Born on the Cape Verde Islands off the coast of Senegal, Evora first became known singing the region’s most popular musical styles of Coladera and the Morna, slow, rhythm music with lyrics expressing love, lust, sadness and longing—the Cape Verdean version of the blues.

Five members selected for Hall of Fame

Cal Poly will induct five new members into the Athletic Hall of Fame in a ceremony on Friday, Oct. 1, at the Embassy Suites Hotel.

The honorees are Louis Jackson (football), Berry Harr (baseball coach), Janet Bennett (track and field), Marie Lundie-Salyer (volleyball) and John Orton (baseball).

The members bring the number of inductees to 57 since the Hall of Fame’s inception in 1987. The most recent (1998) was one of the most prestigious running backs in collegiate football history. His 3,300 career rushing

PAGE 4 CAL POLY REPORT, AUGUST 18, 1999
**Young Scholars** can learn to create Web pages

The Extended Education Young Scholar’s class “Create Your Own Web Page II” will be held from 9:55 am to 12:10 pm beginning Monday, Aug. 23, through Thursday, Aug. 26, in the Kennedy Library, Room 111. For $40, students in grades 6-11 will learn to create their own Web page. Knowledge of computer programming is not necessary, teacher Judy Swanson will tailor the instruction to meet each person’s skill level.

The deadline to register is Friday, Aug. 20. Stop by the Extended Education office at Jespersen Hall, Room 101, to pick up a registration form or enroll by phone with a Visa or MasterCard. For an application or more information, call ext. 6-2053 or 6-7196.

---

Farewell coffee set for Dale Lackore

A farewell coffee is planned for Dale Lackore, assistant director of Campus Dining, from 9 to 10 am Wednesday, Aug. 25, in the Veranda Conference Room.

The campus community is invited to the celebration in honor of his 40 years of service to the Foundation.

---

**Paralegal studies to be discussed at open house**

The campus community is invited to the Extended Education’s Paralegal Studies Certificate Program Open House from 6 to 9 pm Thursday, Aug. 26, in the Education Building, Room 113.

Instructors, students and graduates will discuss the program and the paralegal profession as a career. Program coordinator Ellen Sheffer will answer questions regarding enrollment and graduation requirements.

To reserve a space or for more information, call Sheffer at ext. 6-2053.

---

**Prizes awarded at health, wellness fair**

Several employees won prizes at the recent “Summer Shape Up” health and wellness fair sponsored by the Employee Assistance Program.

Prize winners were Tom Emens, Library; Hope Perez, University Center for Teacher Education; Stan Rosenfield, Fiscal Services; Kitie Shaughnessy, Library; Rebecca Wright, ASI Briskness Office; Jeanie Stiller, Campus Dining, Megan Boragine, Student Life; and Shelley Atlesher, Disability Resource Center.

Prizes included gift certificates from Applebee’s, Kona’s Deli, and the Cliffs Resort Hotel in Shell Beach.

---

**College of Liberal Arts recognizes two employees**

Diana Krall, whose “beauty, genteel tawdly voice” has earned her rave reviews and loyal fans, will perform at 8 pm Sunday, Sept. 19, in Harman Hall. The 33-year-old singer is touted in Vanity Fair for “the crisp, swinging soulfulness of her piano, the throaty allure of her voice, her unfailing taste in the songs that she chooses to interpret, and, lastly, the movie-star appearance of her person.”

She began performing at 15 and won a scholarship to the prestigious Berklee College of Music. She quit to play professionally.

---

Krall has received two Grammy nominations and is known for such memorable performances as the 1996 salute to Ella Fitzgerald at Carnegie Hall. Newsweek called her piano playing “powerful” and her voice “lush” and “whiskey tipped. Krall has earned a unique place for herself in the jazz world. Her arranging skills are sharp and witty.”

Cal Poly music professor Paul Rinzler will give a pre-concert lecture at 7 pm in Philips Hall.

Tickets to this Cal Poly Arts event cost $17 to $34 and can be bought at the Performing Arts Ticket Office.

---

**Golf tourney set to benefit Youth Outreach**

Central Coast golfers can raise their clubs to raise money for the Performing Arts Center’s Youth Outreach Program. A benefit golf tournament is planned for Monday, Oct. 25, at the San Luis Obispo Golf and Country Club. The fee will be limited to 36 two-person teams. The entry fee is $125 per golfer.

For 24-hour recorded information, call 546-3515, or call the Performing Arts Center’s administrative offices at ext. 6-7222 Monday through Friday, 8 am to 5 pm.

---

**Extended Ed fall catalog now available**

For a copy of Extended Education’s new fall 1999 catalog, stop by Room 101 in Jespersen Hall or call 805-756-2033, weekdays from 8 am to 5 pm.
**TWO PROS WORKING TO CHANGE THE FACE OF LEDS**

**Professors David Braun of the Electrical Engineering Department and Kevin Kingsbury of the Chemistry Department are working to improve the look and performance of electronic devices such as computer monitors and could help transform them into sleeker models as "flexible as plastic wrap."**

And students are having an opportunity to help them do so.

With a $120,000 grant from the National Science Foundation, the two are working to advance the technology of liquid-crystal lights, light-emitting diodes — LEDs — key components in the electronic screens of computer monitors, digital cameras and other devices.

Braun and Kingsbury aim to improve LED displays that conduct electricity through organic polymers, or plastics, rather than through inorganic materials.

"With polymers, we can design LEDs that are as flexible as plastic wrap," Braun said. The new LEDs would be smaller and lighter and use far less electricity than current LED displays, he said.

The new designs could be incorporated into such items as laptop computers and watches a longer life.

Students in technical engineering, industrial and manufacturing engineering, and materials engineering as well as physics and chemical engineering will be directly involved in the three-year research project.

"Because we’re using organic materials rather than more-complex and expensive inorganic materials, students can develop, manufacture and test these polymer devices," Braun said.

The interdisciplinary nature of this research will allow students to see how each of their efforts contributes to a final product," Braun said.

Braun and Kingsbury’s project is one of several being conducted throughout the world to make LEDs more mechanically flexible.

**PARALEGAL STUDIES TO BE DISCUSSED AT OPEN HOUSE**

The campus community is invited to the Extended Education’s Paralegal Studies Certificate Program Open House from 6 to 9 pm Thursday, Aug. 26, in the Education Building, Room 113.

Instructors, students and graduates will discuss the program and the paralegal profession as a career.

Program coordinator Ellen Sheffer will answer questions regarding enrollment and graduation requirements.

To reserve a space or for more information, call Sheffer at ext. 6-2053 or 6-7196.

**FAREWELL COFFEE SET FOR DALE LACKORE**

A farewell coffee is planned for Dale Lackore, assistant director of Campus Dining, from 9 to 10 am Wednesday, Aug. 25, in the Veranda Conference Room.

The campus community is invited to the celebration in honor of his 40 years of service to the Foundation.

**JAZZ STAR DIANA KRALL TO APPEAR SEPT. 19**

Canadian pianist vocalist Diana Krall, whose “beauty, gently tousled voice” has earned her rave reviews and loyal fans, will perform at 8 pm Sunday, Sept. 19, in Harman Hall.

The 33-year-old singer is touted in Vanity Fair for “the crisp, swinging soulfulness of her piano, the throbbing allure of her voice, her unfailing taste in the songs that she chooses to interpret, and, lastly, the movie-star appearance of her person.”

She began performing at 15 and won a scholarship to the prestigious Berklee College of Music. She quit to play professionally.

Krall has received two Grammy nominations and is known for such memorable performances as the 1996 salute to Ella Fitzgerald at Carnegie Hall. Newsweek called her piano playing “powerful” and her voice “lush” and “whiskey tinged. Krall has owned a unique place for herself in the jazz world. Her arranging skills are sharp and witty.”

Cal Poly music professor Paul Rinzler will give a pre-concert lecture at 7 pm in Philips Hall.

Tickets to this Cal Poly Arts event cost $17 and can be bought at the Performing Arts Ticket Office.

**EVORA**

**Continued from page 1**

Evora, who sings in French, has been nominated for two Grammy Awards. Her best-selling 1995 release, “Cesaria Evora,” was cited as “best of the year” by more than a dozen major U.S. publications, including The New York Times, the Los Angeles Times, the Boston Globe, and the Philadelphia Inquirer.

Spin magazine called her most recent recording a “superlative display of Evora’s skills … Evora’s voice crosses language and culture with a warmly captivating, logits.”

Cal Poly music professor Frederick Lut will give a pre-concert lecture at 7 pm in Philips Hall.

Tickets to this Cal Poly Arts event cost $14 and can be bought at the Performing Arts Ticket Office.

**COLLEGE OF LIBERAL ARTS RECOGNIZES TWO EMPLOYEES**

The College of Liberal Arts recently named Druci Reese of the Music Department as the first recipient of its Staff Recognition Award for Continuing Excellence and Carson Crain, dean’s office, as the first recipient of the Staff Recognition Award for Outstanding Achievement.

In addition to her regular duties, Reese coordinates approximately 100 concerts, recitals, workshops, and guest artist activities annually. She also plays a key role in fund-raising events, even as she schedules classes and rooms, budgets and, contributes to campus governance and planning.

Crain and Reese each received a momento of recognition for their commitment, competence, initia­
tive and goodwill.

**GOLF TOURNEY SET TO BENEFIT YOUTH ORAC**

Central Coast golfers can raise their clubs to raise money for the Performing Arts Center’s Youth Outreach program. A benefit golf tournament is planned for Monday, Oct. 25, at the San Luis Obispo Golf and Country Club.

The field will be limited to 36 two-person teams. The entry fee is $125 per golfer.

For 24-hour recorded information, call 546-3515, or call the Performing Arts Center’s administrative offices at ext. 6-7222 Monday through Friday, 8 am to 5 pm.

**EXTENDED ED FALL CATALOG NOW AVAILABLE**

For a copy of Extended Education’s new fall 1999 catalog, stop by Room 101 in Jasper Hall or call 6-2053, weekdays from 8 am to 5 pm.

**YOUNG SCHOLARS CAN LEARN TO CREATE WEB PAGES**

The Extended Education Young Scholar’s class “Create Your Own Web Page II” will be held from 9:30 am to 12:10 pm beginning Monday, Aug. 23, through Thursday, Aug. 26, in the Kennedy Library, Room 111.

For 6-11 graders in grades 6-11 will learn to create their own Web page. Knowledge of computer programming is not necessary. Teacher Judy Swanson will tailor the instruction to meet each person’s skill level.

The deadline to register is Friday, Aug. 20. Stop by the Extended Education office at Jespersen Hall, Room 101, to pick up a registration form or enroll online with a Visa or MasterCard. For an application or more information, call ext. 6-2053 or 6-7196.

Prizes awarded at health, wellness fair

Several employees won prizes at the recent “Summer Shape Up” health and wellness fair sponsored by the Employee Wellness Office.

Prize winners were Tom Emens, Librarian, Hope Perez, University Center for Teacher Education; Stan Rosenfield, Fiscal Services; Kitie Shaughnessy, Lib­rary; Rebecca Wright, ASI Business Office; Jeanie Stiller, Campus Dining, Megan Boragine, Student Life and Shelley Aleshire, Disability Resource Center.

Prizes included gift certificates from Applebee’s, Kona’s Deli, and the Cliffs Resort Hotel in Shell Beach.
Position vacancies
Vacancy information and applications for the following positions are available from the appropriate Human Resources office. Information is also available on the Cal Poly home page (www.calpoly.edu; click on “General Information”)

STATE (Adm. 110, ext. 6-2266 or job line at ext. 6-1533). Official application forms must be filed and postmarked by the closing date or be postmarked by the closing date (no faxes, please.) For positions marked with an asterisk, required on-campus applicants currently in Bargaining Units 2, 5, 7, and 9 will be given first consideration.

#07024: Administrative Support Assistant II, College of Liberal Arts - History (Unit 7)* Closing date: Sept. 4. $2,403/mo. plus any salary increase negotiated through collective bargaining. Temporary through July 30, 2000, with possible extension dependent upon funding. Under general supervision, this position provides technical assistance to faculty and staff in the department and performs a variety of clerical/administrative duties in support of academic functions for department faculty and staff.

#07033: Library Assistant II - Interlibrary Loan (Unit 7)* Closing date: Sept. 1. $2,489 to $2,980/mo., plus any salary increase negotiated through collective bargaining. This position provides technical support to library users who wish to acquire articles and books from libraries in California and the United States. In addition this position will provide office support to the assistant dean of Access and Bibliographic Services and Library Systems. This position is required to work occasional weekends and evenings.

#09026: Information Technology Consultant - Career; ITS-User Support Services (Unit 9)* Closing date: Sept. 1. $3,497 to $4,721/mo., plus any salary increase negotiated through collective bargaining. This position serves as a primary contact in the ITS-User Support Services Help Desk and provides a full range of technical support to Cal Poly’s information technology users.

#07027: Administrative Support Assistant II, Health and Consumer Services (Unit 7)* Closing date: Sept. 1. $2,097 to $2,621/mo., plus any salary increase negotiated through collective bargaining. This position provides general office support to administrative personnel.

#09031: Analyt/Programmer - Foundation Library Services-Multimedia Section (Unit 9)* Closing date: Sept. 7. $2,744 to $3,842/mo. plus any salary increase negotiated through collective bargaining. Temporary position to Mar. 1, 2000, with possible renewal dependent upon funding. This position works under direct supervision and assists in development and implementation of technology-based solutions to meet the multimedia needs of the library.

FACULTY (Adm. 312, ext. 6-2844) Candidates interested in faculty positions are asked to contact the appropriate department office at the phone number listed for more information and an application. Please submit all application materials to the department headchair unless otherwise specified. Rank and salary are commensurate with qualifications and experience, and timebase where applicable, unless otherwise stated.

#93125: Lecturer, Agricultural Education and Communication Department (756-2003); Closing date: Sept. 7. Full-time position available subject to funding for the 1999-2000 academic year, starting fall 1999, at the Lecturer B level. Teach undergraduate and graduate courses in agricultural education; advise students, work with teachers of agriculture in the campus and in the field; assist in co-curricular activities; supervise student teachers. Work with California agriculture students. Project must meet qualifications to teach agriculture in California. Bachelor’s degree required; master’s degree in agricultural education desirable. For additional information, or an application, refer to Recruitment Code #93125 and write to Glen Casey, head, Agricultural Education and Communications.

#03011: Tenure-track position, Mechanical Engineering Department. (756-1334) Closing date: Sept. 7, 1999. Tenure-track assistant/associate professor available starting fall 2000. Duties include teaching basic and advanced courses in mechanical engineering while pursuing an appropriate program of professional development. Qualifications: Ph.D. in mechanical engineering or closely related field, recent engineering industrial experience, and a demonstrated ability in written and oral use of the English language are required. Preference will be given to applicants with experience and expertise in mechanical or thermal-fluid design. Some teaching experience is desirable.

For additional information and an application, refer to Recruitment Code #03011, and send cover letter and resume to Search Committee, Mechanical Engineering Department.

FOUNDATION (Foundation Admin. Building, job line at ext. 6-7107). All Foundation applications must be received (not just postmarked) by 5 pm of the closing date.

Research Assistant, Biological Sciences - Closing date: Aug. 27. $12.11-$15.76/hr. Support the activities of the Environmental Biotechnology Institute in their ongoing research in the area of microorganisms, microbial community analysis, and microbial ecology studies. Requirements: A bachelor’s degree in microbiology, molecular biology, or biochemistry or an appropriate field of science, completion of two years of college coursework in the indicated disciplines and two years experience as a laboratory technician, or equivalent combination of experience and education.Must have knowledge of laboratory research methods and use of scientific methods in conducting research. Must be able to operate and maintain the operations of an ABI DNA Sequencer Model 310. Must be familiar with DNA sequence analysis techniques, and general computer applications. Experience with microbial ecology a plus. Must have strong oral and written communication and the ability to work well as a team member of a group.

FACULTY - Continuing

CSU Board of Trustees approved a two-year contract with the Academic Professionals of California (Unit 4), effective July 1, 1998, through June 30, 2000. Salary highlights include:

- A 2.4% GSI effective July 1, 1999.
- A one-step $2.4% Salary Increase (SSI) payable to eligible employees on their anniversary dates in fiscal years 1998-99 and 1999-2000, as appropriate.
- For fiscal year 1998-99, a one-time lump-sum bonus will be paid to each full-time and part-time employee on the date of contract ratification. Full-time employees will receive $383, and part-time employees will be paid pro-rata, based on their timebase equivalent. This type of bonus is not available for fiscal year 1999-2000. These salary adjustments will be processed as soon as possible. In addition, the contract provides for a Performance Pay Salary Increase of up to 7.5%, effective July 1, 1998, and July 1, 1999, respectively.

Some additional information will be distributed later.

CPR schedule
The final summer edition of the Cal Poly Report will be out Sept. 1. Information will resume during Fall Conference week with two issues: Monday, Sept. 13, and Wednesday, Sept. 15. Articles are due in the Communications Office by 4:30 pm, Monday, Sept. 13, and by 10 am Thursday, Sept. 9, for the Sept. 15 edition. "The Cal Poly Report will appear every Wednesday during the academic year. The deadline to submit items is 10 am Thursday of the following week's edition. Items can be e-mailed to polynews@calpoly.edu and faxed to ext. 6-6533, or mailed to the Communications Office, Merc Hall. For information call ext. 6-1511.

Employees, students to again ride for free

Cal Poly officials have declared another free-for-all program, which will provide free rides on city buses, that is, for all students, faculty, staff and employees of the university.

The Ride for Free program, which began in 1985, is administered by Cal Poly with money collected from parking citations. Because of rising SLO Transit costs, the program was in jeopardy. Thanks to a $30,000 motor vehicle emissions reduction grant from the Air Pollution Control District (APCD), the program will continue through June 2000 without reducing services or having university bus riders pay part of the cost.

The cost of the service for fiscal year 1999-2000 is $182,000, $125,000 of which will come from parking fees. The remainder will be covered by the $30,000 APCD grant plus an additional $10,000 from the agency, and reserves from the campus's parking citations.

This isn't the first year the program experienced a shortage of funds. Last year, ASI stepped in to cover the $40,600 shortfall and, in 1997-98, the Cal Poly Foundation made up the $44,000 difference.

Cal Poly has received a Caltrans grant for this fiscal year, to hire a consultant to study campus transit access and for fare-programming. One aspect of the study will be to explore possible permanent funding solutions for free bus rides.

For more information, call Cindy Campbell, Parking and Commuter Services administrator, at ext. 6-6685.

Chanteuse Cesaria Evora to perform Sept. 17

"A mellow, sorrowing voice... "Smooth, husky tones, as sensual as they were maternal. "Rich alto voice... across between Edith Piaf and Billie Holliday. "Verde Island off the coast of Senegal, Evora first became known singing the region's most-popular musical styles of Coladera and the Morna, slow, rhythm music with lyrics expressing love, loss, and sadness — the Cape Verde version of the blues."
