Position vacancies

Vacancy information and applications for the following positions are available from the appropriate Human Resources office. Information is also available on the Cal Poly home page (www.calpoly.edu) click on "General Information".

STATE (Adm. 110, ext. 62236 or job line at ext. 6-1333), official application forms must be received by 4 p.m. on the closing date or be postmarked by the closing date. (No faxes, please.) For positions marked with an asterisk, qualified, on-campus applicants currently in Bargaining Units 2, 5, 7 and 9 will be given first consideration.

#00333: Pre-doctoral Internship (Helper Aide), Health and Counseling Services. Closing date: Application review will begin Dec. 1, however, these positions are opened until filled. The Health and Counseling Services Center is a member of the Association of Psychol­ogy Postdoctoral and Internship Centers (APPIC) and the Association of Counsel­ing Center Training Agencies (ACCTA). Participants in the Cal Poly Pre-doctoral Internship Program receive two hours of individual supervision, a weekly case conference, counseling and professional specialized training in such topics as eating disorders, sexual abuse, trauma recovery, ethics and the law, multicultural counseling, stress management and organ­izational consultation. Additional train­ing in the university's Employee Assistance Program is also available. The position: There are two temporary 12­month positions available beginning July 1, 2000. One position is in Counseling Services and one is in the Employee As­sistance Program. These positions receive supervised clinical experience in an individual and group therapy, crisis interven­tion, outreach, health psychology, consultation, and prevention education. Direct specific inquiries regarding the position to Elie Axerlof, training coordi­nator of Health and Counseling Services, at 756-2511.

#00359: Administrative Support Assistant I, Admissions and Recruit­ment (Unit 7). Closing date: Oct. 27. Salary: $10.35 - $13.36/hr., temporary, intermittent/on-call pool, to April 30, 2001. Renewal dependent on funds. These positions will assist the Admissions unit with recruitment and admissions functions during peak processing periods.

#00397: Nurse Practitioner, Student Services - Health & Counseling Services (Unit 2). Closing date: Oct. 27. Salary: $25.31 - $30.49/hr., temporary, intermittent/on­call to June 30, 2000, with extension dependent on funding; two po­sitions. As part of Health Services in the Student Health Center, the position will provide outpatient services to students and employees.

#00396: READVERTISEMENT: Head of Nursing Services (Administrator II), Aca­demic Affairs, Health & Psychologi­cal Services. Closing date: For full consider­ation, application materials should be submitted by Nov 10, however, position is open until filled. Salary: $56,400 - $72,000 annual salary range, dependent on qualifications and experience. The Health Services Department provides outpatient services and programs that address the health and medi­cal needs of students. The position of this posi­tion is to provide full range administrative leadership to the Nursing Services unit of Health Services.

#00405: Athletic Academic Advisor, Student Services Professional II, Aca­demic Affairs, Athletics (Unit 4). Closing date: Oct. 27. $3,020 - $3,630/mo. This position provides academic advising, academic support and retention services for student athletes. The selected candi­date must have a pre­employment back­ground fingerprint check.

FACULTY (Adm. 312, ext. 6-2844)

Candidates interested in faculty positions are asked to contact the appro­priate department office at the phone number listed for more information and an application. Please submit all application materials to the department head/chair unless otherwise specified. Rank and salary are commensurate with qualifications and experience, and timetable where applicable, unless otherwise stated.

#00315: Toupee-Track Assistant Pro­fessor, Psychology & Human Develop­ment Department (756-2033). Full-time position starting fall quarter 2000. Salary range: $40,488 - $51,036. Seeking candidates with APA­approved doctorate in clinical or counseling psychology, Califor­nia license as a psychologist or ma­riage­family therapist, minimum of two years of post­license clinical experience, and maintenance of clinical practice. Dut­ies include teaching graduates and under­graduates, graduate student supervision and advising, program administration, and professional development. Submit letter of interest (reference Recruitment Code #00315) with vitae and three letters of recommendation to Search Committee, Psychology and Human Development Department. Closing date: Jan. 24, 2000.

ASl Coordinator of AQuatics & Summer Programs, Recreational Sports. Salary range: $3,102 - $4,188/mo. Full-time. Under the supervision of the director of Recreational Sports, provides oversight and supervision for a staff of lifeguards and water safety instructors. Works directly with professional and student staff to develop and implement summer programs for children and aquatics programming for the campus community. Requires bachelor’s degree, two years' progressively responsible student services work experience, and current applicable American Red Cross certification. Master’s degree and two years' post­master's degree work experience pre­ferred. Open until filled, review of applications will begin Nov. 1.

Coordinator of Fitness Programs, Recreational Sports. Salary range: $3,420 - $4,618/mo. Full-time. Under the supervision of the director of Recreational Sports, provides oversight and direct sup­ervision of instructional programs, per­sonal, fitness, and exercise room management. Works directly with profes­sional and student staff to plan and coor­dinate all fitness and instructional activities. Requires master’s degree and two years' progressively responsible stu­dent services work experience; experience in supervising and instructing participants in a fitness environment; personal training certification or degree in kinesiology. Two years' post­master’s degree work experience pre­ferred. Open until filled, review of applications will begin Nov. 1.

Nov. 8 deadline for Faculty Development Program

The Faculty Development Program provides an opportunity for probationary faculty members to receive funding for research and other scholarly activities to help them through the tenure and promo­tion processes. Awards are made on a competitive basis for research mini­grants, travel to professional conferences, and funds to hire temporary replacement faculty mem­bers for assigned­time awards (four to eight units per quarter). The deadline to submit applications is Nov. 8. For program guidelines, information and applications, go to the Human Re­sources and Employment Equity Office, Adm. 110, or call ext. 6-2062.
CAL POLY REPORT, OCTOBER 13, 1999

Richard Frankel to talk on life on Mars Thursday

Physics professor Richard Frankel will present "Life Beyond the Earth: the Quest for Aliens on Ancient Mars" from 11 a.m. to noon Thursday in Room E-45 in the Science Building.

Frankel will describe the current status of the debate on whether life existed on ancient Mars, a debate in which he is playing an important role. In 1996 a team of NASA scientists reported in the journal Science that a Martian meteorite, recovered from Antarctica, contained four features that constituted evidence for life on ancient Mars. Since then, other scientists have proposed alternative explanations that would not point to Martian life.

A key to the debate is magnetite, an iron oxide found in the meteorite, and which can be evidence of life. Frankel is a nationally recognized authority on very small particles of biological magnetite.

Frankel will report on criteria that he and colleagues from Arizona State University and Iowa State University have developed for distinguishing biological from nonbiological magnetites.

The talk is part of the fall quarter Physics Colloquium series. For details see calpoly.edu or call the Physics Department at ext. 6-2448.

Oct. 21 comedy shows to warn of alcohol abuse

Comedians from HBO and Comedy Central will bring their Comedy Awareness Tour to campus Oct. 21 to raise, through humor, awareness of the dangers of alcohol and drug abuse.

The faculty and staff are invited to attend a special presentation for employees at 1 p.m. in UU 220.

The comedians, including Bob Perkel of Fox Television's "Mad TV" and CBS's "Everybody Loves Raymond" and Judy Cianciotti of Comedy Central, will give an open presentation from 11 a.m. to noon in the UU Plaza.

The group's free appearances are sponsored by Human Resources and Employment Equity and ASI Events as part of the university's observance of National College Alcohol Awareness Week.

CAL POLY REPORT, OCTOBER 13, 1999

Books at High Noon is back

Books at High Noon, a forum of book reviews by faculty and staff members, kicks off with three October presentations:

Thursday, Oct. 21
Speaker: William Chafe, University of Virginia, American history, Southern politics, and the American South.
Books to be reviewed:
1. "The Gods Bring Threads to Year 2000" by William H. Chafe, the multiple levels of control — legal, physical, economic and psychological — that the segregation system used to deny blacks their freedom and self-determination.
3. "Cold Mountain" by Charles Frazier.

Friday, Oct. 22
Speaker: Dan Waldorf, Industrial Engineering, FIDO Talk at noon.
Books to be reviewed:
2. "Cold Mountain" by Charles Frazier.

Saturday, Oct. 23
Speaker: Neil Watson, "The Accelerating Universe," Physics Colloquium, 3:30 p.m.
Books to be reviewed:
2. "Cold Mountain" by Charles Frazier.

Contact: Cal Poly Public Information (ext. 6-2448) or Campus Dining (ext. 6-2670).
Richard Frankel to talk on life on Mars Thursday

Physics professor Richard Frankel will present "Life Beyond the Earth: the Quest to find Alien Life on Ancient Mars" from 11 a.m. to noon Thursday in Room E-45 in the Science Building.

Frankel will describe the current status of the debate on whether life existed on ancient Mars, a debate in which he is playing an important role.

In 1996 a team of NASA scientists reported in the journal Science that a Martian meteorite, recovered from Antarctica, contained four features that constituted evidence for life on ancient Mars. Since then, other scientists have proposed alternative explanations that would not point to Martian life.

A key to the debate is magnetite, an iron oxide found in the meteorite, and which can be evidence of life. Frankel is a nationally recognized authority on very small particles of biological magnetism.

Frankel will report on criteria that he and colleagues from Arizona State University and Iowa State University have developed for distinguishing biological from nonbiological magnetism.

The talk is part of the fall quarter Physics Colloquium series. For more information call the Physics Department at ext. 6-2448.

Reminder: Y2K Day is Thursday

Y2K Awareness Day will run from 11 a.m. to 1 p.m. Thursday in the UU Plaza. Departments from throughout Cal Poly and representatives from area organizations and businesses will have information available on how best to plan for and prevent potential year 2000 problems, travel concerns, business delays and other situations associated with the arrival of the year 2000.

For information about Y2K, send e-mail to year2000@calpoly.edu or call the Cal Poly Help Desk at ext. 6-7000.

Duke University historian to talk on segregation

A Duke University historian and civil rights scholar will speak at Cal Poly Monday on African American resistance to segregation.

David H. Chafe, dean of Duke's faculty of arts and sciences, will present "The Gods Bring Threads to Webs Begun: African American Resistance to Segregation in the Jim Crow South" from 4:30 to 5:30 p.m. in UU 207.

Chafe will describe the multiple levels of control — legal, physical, economic and psychological — that the segregation system used to deny blacks their freedom and self-determination.

He will also explain the complex, courageous and effective ways that African Americans resisted the system of control.

Chafe will also speak on African American community building, family solidarity, the church’s response to New Jim Crow and student revolt for their own rights.

He is the author of eight books and 34 articles on a variety of civil rights topics and is president of the Organization of American Historians.

The talk is open to the public.

Immunizations available at health, wellness fair

Immunizations, door prizes and information from a variety of campus and community health-care specialists will be available at the next health and wellness fair from 11 a.m. to 1 p.m. Oct. 20 in UW 228.

Immunizations against the flu cost $8. Free immunizations are $20, and tetanus shots, $5.

Handouts and other resources will be on hand from the American Cancer Society, San Luis Obispo Athletic Club, Coastal Medical Research Group Inc., House of Bread, Easter Seal Society, Jamba Juice, Maxim Health Care, San Luis Obispo County Health Department, AIDS Support Network, American Heart Association, Arthritis Foundation, Cal Poly Peer Health Education, Cal Poly Foundation and Coastal Periodontics.

Door prizes are being donated by the Crane Movie Gym, San Luis Obispo Athletic Club, San Luis Obispo Red Cross, Pulse, Jamba Juice, and Avila Hot Springs.

Additional details will be sent to employees. The event is sponsored by the Employee Assistance Program.

Oct. 21 comedy show warns of alcohol abuse

Comedians from HBO and Comedy Central will bring their Comedy Awareness Tour to campus Oct. 21 to raise awareness, through humor, of the dangers of alcohol and drug abuse.

The faculty and staff are invited to attend a special presentation for employees at 1 p.m. in UU 220.

The comedians, including Bob Perkell of Fox Television’s "Mad TV" and CBS’s "Everybody Loves Raymond" and Judy Cianciotti of Comedy Central, will give an open presentation from 11 a.m. to noon in the UU Plaza.

The group’s five appearances are sponsored by Human Resources and Employment Equity and ASI Events as part of the university’s observance of National College Alcoholic Awareness Week.

To get into Credit Report, submit by e-mail

To help simplify production of The Credit Report, the Communications Office now requires that all submissions for The Credit Report be e-mail.

The address is polynews@polymail (adding @calpoly.edu is necessary).

Any items already submitted in another form need not be resubmitted.

The deadline for the fall quarter edition will be Nov. 1.

Please follow The Credit Report’s style and guidelines when submitting items. To see the guidelines and sample entries, please look in past editions. The most recent edition, including the guidelines, is available on the Web (either through "About Cal Poly" on the university’s home page or via the URL of the Communications Office's e-mail: communications@calpoly.edu) in the Credit Report archive.
Position vacancies

Vacancy information and applications for the following positions are available from the appropriate Human Resources office. Information is also available on the Cal Poly home page (www.calpoly.edu; click on "General Information").

STATE (Adm. 110, ext. 6-2236 or job line at ext. 6-3333). Official applications forms must be received by 4 p.m. on the closing date or be postmarked by the closing date. (No fax, please.) For positions marked with an asterisk, qualified on-campus applicants currently in Bargaining Units 2, 5, 7 and 9 will be given first consideration.

#02049: Nurse Practitioner, Student Services (Unit II). Closing date: Oct. 27. Salary: $25.31 - $30.49/hr., temporary, intermittent/on-call to June 30, 2000, with extension dependent on funding; two positions. As part of Health Services, Student Health care team, this position will provide outpatient services to students and employees:

#00634: Readvertisement: Head of Nursing Services (Administrative Assistant I, Unit II, Health & Psychological Services). Closing date: For full consideration, application materials should be submitted by Nov 10, however, position is open until filled. As part of Health Services, student health care team, this position will provide outpatient services to students and employees.

ASI Coordinator of Aquatics & Recreation Programs. Salary: $25,31 - $30,49/hr., temporary, intermittent/on-call to June 30, 2000, with extension dependent on funding; two positions. As part of Health Services, student health care team, this position will provide outpatient services to students and employees.
CAED to host forum on construction sciences

“The Architecture of Entertainment,” the second annual Construction Sciences Forum, set for Oct. 22-23, will feature presentations by industry experts from Universal Studios and the San Diego Zoo, as well as a landscape architect consultant for a redevelopment surrounding Disneyland a partner in the firm that designed the Monterey Bay and Long Beach aquaria.

Hosted by the College of Architecture and Environmental Design in collaboration with the West Region Construction Specifications Institute (CSI), the forum is designed for alumni members of the professions, Cal Poly students and faculty members. CAED graduates and non-alumni practitioners will earn continuing education credits.

In addition to seminars, dinner and a round-table discussion, two product shows are planned, with more than 50 exhibitors displaying the latest construction products (Oct. 22) and newest technology products (Oct. 23). The shows will be in Chumash Auditorium from 10 a.m. to 3 p.m.

“This year’s theme, ‘The Architecture of Entertainment,’ reflects the importance of the entertainment industry — a driving force of the booming California economy,” said CAED Dean Martin Harms.

Presentations begin at 8:30 a.m. both days. The forum will kick off with a presentation by Mark Woodbury, vice president and lead designer for Universal Creative. He will talk about the concepts and design of the new Islands of Adventure theme park in Orlando, Fla. The massive complex is the largest of its kind in the world and is filled with new concepts and high-tech approaches to interactive entertainment and thrills.

Additional presentations include:
- Robyn Badger, facilities manager, San Diego Zoo, “Animal Exhibit Design”;
- Robert Jacob, principal landscape architect with the SWA Group, which is planning the 1,100-acre Anaheim Resort redevelopment in the area that surrounds Disneyland, “Planning and Building the Urban Resort”;
- Claire Tuttle, vice president, WET Design, “Fountains and Water Design”;
- Jon Antevy, president, MP Interactive Corp., “Increasing Project Effectiveness Using the Internet”;
- Craig Hoellwarth, principal, Quest Consulting, “Energy 10 — Passive and Active Energy Systems Design”; and
- Charles Davis, partner, Esherick Homsey, Dodge Davis, Architects, “Aquarium Design.”

Forum registration includes the presentations and product shows both days plus dinner and the round table on Friday. Single-day registration is available — in advance — at a reduced rate.

Registration can be done via e-mail at caed-csforum@polymail.calpoly.edu.

For cost information and a program brochure, call the CAED at ext. 6-5138.

Rec sports has new offerings

Recreational Sports is offering an Introduction to Swing Dance Workshop from 4 to 6 p.m. Oct. 23 for $5. To register, stop by the Front Line Services Desk at the Rec Center.

Two new discount passes for the Group Fitness program are now available. For $29 a quarter, the “noon hour” pass is good for aerobics classes at either 11:10 a.m. or noon, Monday through Friday, and the “prime time” pass lets you into up to nine classes a week after 5 p.m., Monday through Friday.

Visit the Rec Center for a Group Fitness schedule or call ext. 6-1366.

CPR schedule

The Cal Poly Report is published every Wednesday during the academic year.

Articles are due in the Communications Office by 10 a.m. on Thursday for the following week’s edition. Items can be e-mailed to polynews@polymail (add. calpoly.edu if needed), or mailed to the Communications Office, Heron Hall.

For information call ext. 6-1511.

Ride sharing: 50 ways to leave your car home

This song is brought to you by the Pink Prize Patrol, those people from Commuter Services who will stoop to almost anything to get you to use alternative transportation.

Make a new plan, Sam. Get on your bike, Mike. Hop on the bus, Gus. Form a car pool, Jules. Pool in a van, Stan. Take a good walk, Jock. Don’t be an S.O.V.*, Dee. Rideshare “one in five,” Clive!

(*S.O.V. = single-occupant vehicle)

Remember: The Pink Prize Patrol is watching on Tuesdays.

UC Irvine professor to give Math Colloquium

Professor Bernard Russo of the Mathematics Department at UC Irvine will talk on “Holomorphic Composition Operators” from 4:10 to 5 p.m. Oct. 21 in Room 226 in the Math and Science Building.

Russo said the talk will “present a survey of known results and open problems concerning boundedness and compactness of composition operators over the Bergman and Hardy spaces of complex domains, with special attention to the unit disk and the unit ball in several variables.”

The presentation is part of the fall quarter Mathematics Colloquium series.

Ticket information

Tickets to the performances listed in today’s Cal Poly Report are on sale at the Performing Arts Ticket Office 10 a.m. to 6 p.m. weekdays and 10 a.m. - 4 p.m. Saturdays. Call ext. 6-2787, or to order by fax, dial ext. 6-6088.

Information on Cal Poly Arts events, including audio and video samples of artists’ work, can be found on the Web at www.calpolyarts.org.
Paul Scheffer, an Industrial engineering professor at Cal Poly, was presented with the Outstanding Professor Award at the university's annual awards ceremony in 1998. Scheffer also developed metrology labs that further supported the needs of teaching and research in industrial engineering.

Scheffer was involved with the university's founding of an Outstanding Professor Award, which was discontinued in 1998. He continued to teach at Cal Poly through the Faculty Emeritus Program and returned to teach as a lecturer until fall 1991. Scheffer's contributions were recognized by his appointment as an emeritus professor in 1991. He was the university's founding advisor for the Outstanding Professor Award.

Obituary
Paul Scheffer died Oct. 6 after undergoing major surgery at Stanford Medical Center.

The Fall Jazz Concert is sponsored by the university's jazz ensembles to play Oct. 23 in the Theatre. The university's jazz ensembles are known for their upbeat, big-band sounds, while the combos provide more-intimate, warm improvisational music.
