College of Agriculture receives software gift

SST Development Group of Stillwater, Okla., with the cooperation of Helena Chemical Co. and CASE Corp., has donated software to the College of Agriculture’s geographic information system (GIS) laboratories. The software, intended for all areas of agricultural management, including crops, animals and forestry, is produced by SST.

The program being installed in the SSTtoolbox, designed to provide crop consultants, farm suppliers and producers with a means to manage precision farming technologies.

The SSTtoolbox is a comprehensive agricultural GIS that incorporates a user-friendly graphical user interface with a powerful spatial data analysis and management system.

The SST software is currently being used for the management of crops by university researchers and instructors, crop consultants, fertilizer dealers, farm managers and agronomists in 35 states, 11 other countries and eight Canadian provinces.

The GIS lab, used by several departments, was developed with resources provided by the College of Agriculture and its departments and the private sector, including Dell Computers, which donated 20 ELSA Gloria Video Cards for three-dimensional rendering.

Songwriter Keb’ Mo’ to sing Blues Dec. 7

Award-winning bluesman Keb’ Mo’, often referred to as the greatest all-around blues musician working today, will appear in a solo acoustic concert at 8 p.m. Dec. 7 in Harman Hall in the Performing Arts Center’s Coban Center.

Mo’, also known as Kevin Moore, is said to have the “nuanced, expressive croon of a soul singer and the raw power to belt out the blues.” Critics have hailed his ability to “move effortlessly between rhythm and blues and Delta blues styles, stopping along the way at a swinging, upbeat sound that’s all his own.”

While old-school blues are a part of his roots, Guitar Player magazine said, “Mo’ has proven masterful at incorporating contemporary ... elements into his music.”

Mo’ won his second Grammy for Best Contemporary Blues Album in 1999, and at the W.C. Handy Awards in Memphis, Tenn., in 1999, he was voted Contemporary Blues Male Artist of the Year and Acoustic Blues Male Artist of the Year.

Tickets are $5-$10 for students and $9-$15 for the general public.

The concerts will be sponsored by the Music Department, College of Liberal Arts, and the Instructionally Related Activities program.

Wheelmen 1st in regional, 4th in national contest

The Cal Poly Wheelmen cycling club took fourth place overall in the National Collegiate Mountain Bike Championship Nov. 13-14, just one week after the club's first-place win against 20 West Coast teams in the regional conference championships.

Ten students traveled to the nationals in Helen, Ga., to compete with teams from more than 60 colleges and universities. Cal Poly nutrition junior Danny Minx raced against approximately 100 riders and finished sixth in the downhill event.

At the regional conference championships, Minx won first place in the dual slalom and downhill races. Gordon took second in cross-country and garnered more points than any other competitor, earning his place in the overall ranking. Henkel placed fourth in cross-country with Daugaard-Hansen in sixth. Allmaninger placed fourth in downhill.

Former Chico officer to lead Public Safety

Cal Poly has appointed Anthony Aeilts as the new police lieutenant and a senior consultant with the state's Commission on Police Officer Standards and Training, as the new chief of university police and director of public safety.

Aeilts will take up his post Dec. 1. He succeeds Thomas Mitchell, who retired earlier this year, and Richard Thomas, who has been serving as interim police chief since March.

Aeilts was a part-time police academy instructor at the Northern California Criminal Justice Training and Education system in Oroville, providing instruction in police tactics, constitutional law, emergency vehicle operations and community relations.

His education is in public administration. He graduated from the FBI National Academy at Quantico, Va., and is completing requirements for a doctorate in public administration from USC. Aeilts earned a bachelor's degree and master's degree from Chico State in business administration and public administration, respectively.

Previously, he served as a police captain and lieutenant in Oroville and Chico before moving to Chico State. He also served as a Chico police officer, including two police sergeants and two investigators, plus 17 full-time staff members in the areas of parking and commuter services and communications.
