Diversity award

Continued from page 1

Among the 240 in the country, one was awarded to Cal Poly for its multifaceted professional accomplishments and service to the community. The club’s achievements last year included a first-place finish at the Pacific Southwest Regional Conference, third place in the National Steel-Bridge Competition, and seventh place at the National Concrete Canoe Competition.

For a listing of new openings, check The Tribune's Sunday edition.

If you have questions, call HREE at ext. 6-2237.

FACULTY Candidates are asked to contact the appropriate department office at the phone number listed for more information or to request an application. Additional qualifications and application deadlines for each position may also be obtained at www.personal.poly.edu. Please submit all application materials to the department head/chair or other wise specified in the ad. Rank and salary are commensurate with qualifications and experience (at time base where applicable), unless otherwise stated.

1101-B Part-time Lecturer, Animal Science Department. Teaching duties: 8 a.m.-4 p.m. Monday-Friday. For more information, please contact Dr. Tonny Cléments at ext. 6-5800. All applications must be received by 5 p.m. of the listed closing date. AA/EOE.

ASSOCIATED STUDENTS INC.

• Applications for the following positions are available at the ASI Business Office, University Union, Room 212, M-F 8-4:45 p.m., ext. 6-5000. All applications must be received by 5 p.m. of the listed closing date. AA/EOE.

• Assistant Bookstore Buyer. The assistant buyer will support the Bookstore manager to ensure adequate inventory levels. Assists the manager with daily operations of the bookstore. Monday-Friday 8 a.m.-5 p.m. Send cover letter and resume to Tony Cléments, 3001 W. 10th St., San Luis Obispo, CA 93407. E-mail: e-mail: Tony.Clementt@poly.edu. Applications for this position must be postmarked by Friday, June 2.

• Involvement of diverse students, faculty members and staff members in decision-making processes for the college is emphasized. The vice president for student affairs is responsible for the implementation of this policy.

• Closes date: July 10.

• Admission charged

The annual President's Diversity Award recognizes campus units that exhibit commitment to the value of cultural diversity. The winning project receives $1,000 to be used to further the group's work on behalf of diversity at Cal Poly.

The agriculture program, coordinated by Agricultural Education and Communication, professor Robert Niles, was singled out for its:

1. Involuntary discipline and collaboration efforts.
2. Longevity; “against all odds, including funding cuts.”
3. Involvement of diverse students, faculty members and staff members in institutional decision-making processes.

Civil engineers named ’most outstanding’

Cal Poly’s Society of Civil Engineers has been named the nation’s prominent American Society of Civil Engineers (ASCE) Student chapter in April. More than 60 Cal Poly civil students, all members of the Society of Civil Engineers, participated along with student teams from 16 other universities from Southern California, Arizona, Nevada, and Hawaii.

Cal Poly won the steel bridge, concrete canoe, technical presentation, surveying, and concrete bowling categories. The team’s bridge and concrete canoe teams will go on to national competitions at Texas A&M University and the Colorado School of Mines.

CPR schedule

Next week’s (June 7) Cal Poly Report is the final one for spring quarter.

During summer, the Report comes out every other week. The first summer issue will be June 21. The deadline to submit items for that issue is June 14. E-mail items to polynews@poly.edu, fax to ext. 6-5333, or mail to Public Affairs, Heron Hall. For more information, contact ext. 6-1511.

SUMMER-QUARTER CLASSES BEGIN

Tony Cléments

Tuba player Clements to give mini-recital

Tony Clements, well-known virtuoso tuba player and guest artist at the Cal Poly Wind Orchestra’s Spring Concert on Saturday (June 3) will give a mini-recital and lead a low-brass workshop for Cal Poly students at 1:45 p.m. Thursday (June 1) in Room 218 of the Davison Music Center.

Tuba player Clements will give individual instruction to Cal Poly students, who will then perform pieces they have worked on.

For more information, please contact the Music Department at ext. 2-2490.
Obituaries

Ritschard, 63
Former Biological Sciences Professor Ronald L. Ritschard of Hanover, Ala., died April 12.
Ritschard taught undergraduate and graduate courses in biology at Cal Poly from 1965 to 1973. He was active in the Academic Senate and won the Distinguished Teaching Award in 1972.

Steck, 87
Maddalene C. Steck, who retired from Cal Poly in 1975, died April 24 in a Grass Valley hospital.
Steck served at Cal Poly as a scribe in the Industrial Engineering Department in 1960. She was promoted to department secretary in 1969 and remained in that position until her retirement.

Widjer, 74
Retired equipment technician Herman Lee Widjer died in a Temecula nursing home.
Widjer spent 23 years in the U.S. Navy, serving during World War II and the Korean War. He joined Cal Poly as an equipment technician for the Power Plant in 1969.
Widjer retired from Cal Poly in 1980.

Open forums planned for Foundation director finalists

The remaining candidates for the position of Foundation executive director will be on campus June 13, and students, the faculty and staff members are invited to meet them at open forums and specialists for answers.

Speciality forums are intended for groups with common interests; however, those unable to attend their group forum are welcome to any of the other forums.

On Monday (June 5) a yet-to-be-selected finalist will be on campus. Forums for this candidate will be in the Foundation Administration Training Room (135): Campus Open Forum - 10:10-10:55 a.m. Student Forum - 11:10-11:55 a.m. Research Forum - 1:10-1:55 p.m. Faculty Forum - 4:10-4:55 p.m.

Also, former executive director for the American Chamber of Cottownee in Taiwan, will be on campus June 7. All forums will be in the Foundation Administration Conference Room (124):

Hershel, executive director for the Institute for Research on Learning, will be on campus June 9. Forums will be in Room 135 in the Foundation Administration Building.

Hershel, executive director for the Foundation, will be on campus June 14. Forums will be in Room 135, Foundation Administration Building.

The five nominees include five dollars, including Frank Mumford, director of the Risk Management office.

Widjer also chose "Yellow Hands," a "testina" written by English major Elizabeth Sansone of Marysville, for honorable mention.
A testina consists of six stanzas of six lines each and a concluding triplet. The end words of the first stanza are repeated in strict order as end words of the subsequent stanzas and then strictly arranged again in the triplet.

Women Engineers select five "outstanding"

Cal Poly's Society of Women Engineers, in cooperation with Hewlett-Packard, has chosen five of its members to receive the "Outstanding Women in Engineering and Technology Award" from 36 nominees, the council has selected.

Kristen Carlson, an electrical engineering senior, Julia Jane, a civil engineering senior, Dena Roehm, a mechanical engineering senior; Kari Hughes, an industrial engineering senior; and Rebecca Coble, a computer engineering senior.

Candidates for this award were ranked with her grandmother also excited for the moment. "I was drawn to the obvious things," said "Four Buttered Lovelies, Like Lumps of Buttered Lovelies, Like Lumps of Buttered Lovelies." Gilliam's poem explores the nature of beauty, and the poet's imagination. "I have a surprise in every line," said "Virtual Advising Center" for student use.

Oblituaries

Ritschard, 63
Former Biological Sciences Professor Ronald L. Ritschard of Hanover, Ala., died April 12.

Ritschard taught undergraduate and graduate courses in biology at Cal Poly from 1965 to 1973. He was active in the Academic Senate and won the Distinguished Teaching Award in 1972.

She then managed environmental programs at Lawrence Livermore and Lawrence Berkeley laboratories, served as vice president for the Tennessee Valley Authority and taught biology at the University of Alabama at Huntsville.

Steck, 89
Maddalene C. Steck, who retired from Cal Poly in 1975, died April 24 in a Grass Valley hospital.

Steck was active at Cal Poly as a correspondent in the Industrial Engineering Department in 1960. She was promoted to department secretary in 1969 and remained in that position until her retirement.

Widger, 74
Retired equipment technician Herman Lee Widger died in a Santa Maria hospital April 4.

Widger spent 23 years in the U.S. Navy, serving during World War II and the Korean War. He joined Cal Poly as an equipment technician for the Power Plant in 1969.

Widger retired from Cal Poly in 1980.

Foundation Board to meet June 9

The Foundation Board of Directors will hold its next meeting at 8:30 a.m., June 9 in the Foundation Administration Building’s Conference Room (Room 124).

A complete copy of the agenda packet is available for review at the Kennedy Library Reserve Desk and the Academic Senate Office, Math and Science 143.

Open forums planned for Foundation director finalists

The remaining candidates for the position of Foundation executive director will be on campus June 9, and students, the faculty and staff members are invited to meet them at open forums and special events.

Specialty forums are intended for groups with common interests; however, those unable to attend their group forum are welcome to any of the other forums.

• On Monday, June 5 a yet-to-be-named finalist will be on campus. Forums for this candidate will be in the Foundation Administration Training Room (135): Campus Open Forum - 10:10-10:55 a.m. Research Forum - 10:10-10:55; Faculty Forum - 10:10-10:55; Student Forum - 10:10-10:55. Research Forum - 10:10-10:55 p.m. Faculty Forum - 10:10-10:55; Student Forum - 10:10-10:55.

• Also on June 5, former executive director for the American Chamber of Commerce in Taipei, will be on campus June 7. All forums will be in the Foundation Administration Conference Room (124); Campus Open Forum - 9:10-9:55 a.m. Research Forum - 10:10-10:55; Faculty Forum - 11:10-11:55 a.m. Student Forum - 3:30-3:55 p.m.

• Werner Paster, managing partner of Werner Paster, executive director for the Institute for Research on Learning, will be on campus June 9. Forums will be in Room 135 in the Foundation Administration Building.

• Effective June 12, the Risk Management office in the Administration Building will be relocated to Building 80 (behind the Police Station), where Environmental Health and Safety staff members report to Joe Riser, risk manager, are already housed.

• The May 17 Cal Poly Report article recognizing students and teams who won national awards for their competition that Crop Science students were part of the team that won first place in the American Society for Horticultural Science’s Vegetable Judging Contest and Fruit and Nut Judging Contest. D.ок
Position vacancies

Below are all the new, previously unadvertised employment openings at the university. You may access full information about these and other, agriculture; and sexual assault.

Published by Public Affairs • www.calpoly.edu/commn/CPR/report.htm

• Check the Human Resources and Employment Opportunities; www.calpoly.edu.
• Come to the HREE office, Admin. II 0, and check the Tribune's Sunday edition.
• If we have questions, call HREE at ext. 6-2237.
• FACULTY Candidates are asked to contact the appropriate department office at the phone number listed for more information or to request application materials. Additional information and qualification centers for each position may also be obtained at www.steiner@publicaffairs.calpoly.edu. Please submit all application materials in the department head's office, otherwise specified in the ad. Rank and salary are commensurate with qualifications and experience (same base where applicable), unless otherwise stated.
• Associate/Part-Time Lecturer, Animal Science, Department of Animal Science. (Closing date: June 30.) Full-time Lecturer in nutrition, Food Science and Nutrition Department. (ext. 6-1340, Closing date: July 15.)

ASSOCIATED STUDENTS URL (accepting applications for the following positions):

Candidates question description and applications are available at the ASI Business Office, University Union, Room 212, M-F, 8 a.m.-5 p.m., ext. 6-8880. All applications involved in receiving the program a high level of awareness of the need to diversify the campus. Current students recognize the importance of diversity when they are involved in a program of this nature. It sensifies them that to diversify that exist and needs to be addressed in achieving diversity.

The program re-energizes institutional commitment to provide support to program participants once they are admitted to Cal Poly. Case study: "We've been a contender for the Ridgway Award throughout the '90s, including a win in 1992. Without the support of our faculty advisor, Gregg Fiegl, in 1992. Without the support of our faculty advisor, Greg Fiegl, in 1992. Without the support of our faculty advisor, Greg Fiegl, two years of work by dedicated off-duty and the additional involvement of our club members, we could not have achieved the level of excellence required to win this prestigious nationwide distinction."

This year's ASCE Southwest Regional contest was hosted by the University of Arizona in Tucson. More than 60 Cal Poly students, all members of the Society of Civil Engineers, participated along with student teams from 16 other universities from Southern California, Arizona, Nevada, and Hawaii. Cal Poly won the steel bridge, concrete canoe, technical presentation, surveying, and concrete bowling categories. The steel bridge and concrete canoe teams will go on to national competitions at Texas A&M University and the Colorado School of Mines.

... Diversity award

Continued from page 1 recruiting new students to careers in agriculture and:

• Integration of learn-by-doing techniques and technologies into teaching strategies.

The 26 Hours of Science and Technology in Agriculture has contributed significantly to the enhancement of diversity in our campus and in the community," said Provost Charles Baker. "At a time when diversity in higher education has encountered increasing difficulties, the 26 Hours Program provides an example of cross-curriculum commitment and collaboration among a wide cross-section of university departments and divisions, student organizations, and community groups."

Created as an agriculture science student project, 26 Hours of Science and Technology in Agriculture and emphasizes the need to educate students from traditionally underrepresented ethnic groups about managerial and professional careers in agriculture.

Students, counselors, teachers and administrators from participating schools are invited to campus for 26 hours in February or March to see what's up in workshops and activities that immerse them in the world of high-tech agriculture.

If the program does more than attract students to Cal Poly, said Glen Casey, head of the Agricultural Education and Communication Department, it could make those students part of a core curriculum that teaches them diversity. The program provides the opportunity to diversify the campus. Current students recognize the importance of diversity when they are involved in a program of this nature. It sensitizes them to the differences that exist and needs to be addressed in achieving diversity.

The program re-energizes institutional commitment to provide support to program participants once they are admitted to Cal Poly.
