Adams 'Man of No Return;' Candidate to Be Nominated

Student body president Bob Adams this week appointed a nominating committee to suggest candidates for general secretary of the Poly Royal during the year 1954-1955. The new secretary will be chosen as Homecoming Theme Chosen as Homecoming Theme.

The Poly for the mass-campus celebration. We say again, because against premature firing should come from the invading ambitions of the opposition. To Cal Poly it should symbolize the love and the students whose sweat builds the pyre. This pyre is the end of the student government and the student body, and the students whose sweat builds the pyre. This pyre is the love that the Poly boys allowed up with the Immigration Service first. * * *

The Poly boys showed up with some really woody-wise, but some of them should have cleaned the immigration service first. They had to play the game and get in all the feels. Let's all love you.

Whitney Dorm Activities Planned

Whitney Dorm will hold its first meeting this Monday night to plan election of officers and to determine activity policies for the coming school year. A committee was formed to plan forthcoming activities. Those will consist of a barbecue, movies and intramural sports competition.

Activities Planned for the first time Monday night to plan election of officers and to determine activity policies forthcoming activities will constitute a barbecue, movies and near future at which election will intramural sports competition.

A committee was formed to plan club activities, one of the goals being formulation of a plan to put campus radio station WFLB in good operating condition. The station needs reconditioning to improve and extend its facilities, according to Dr. Harry K. Wolf.

A program committee was organized to plan club activities, one of the goals being formulation of a plan to put campus radio station WFLB in good operating condition. The station needs reconditioning to improve and extend its facilities, according to Dr. Harry K. Wolf.

Next meeting is tentatively scheduled for Thursday, Oct. 22, at 7 p.m. in Ag. Ed. 108.

Dr. Rodin to Speak On Pakistan United Nations Day

Dr. Robert Rodin of the biological science department will make a United Nations day speech on Pakistan in the Engineering auditorium at 8 p.m. next Tuesday, Oct. 20. The speech will be sponsored by the World Affairs Council, the American Association of University Women, the Business and Professional Women, and the campus International Relations club.

Dr. Rodin has recently returned from a year's teaching at the Christian college in Lahore, Pakistan. While there he had the opportunity to visit much of the country, and returned with a number of color slides which he will show to illustrate his speech.
Football Team Meets Gators Tonight

Polynesian Seeking Repeat Win In Northern Stadium

Still undefeated after three tough conference games, Cal Poly's Mustangs move out of league play tonight when they invade San Francisco State college's Cox stadium for an 8 p.m. date with the Gators. Coach Roy Hughes talented eleven has amassed 119 points in defeating Fresno State, San Diego State and Santa Barbara in three A-A contests. Powered by a powerful line, headed by eight All-Americans, the Mustangs hold opponents to 14 points.

Eleventh Meeting

This is the eleventh meeting of the Gators and Cal Poly. The Mustangs have come out with eight wins, San Francisco one and one game was a tie. The locally defeated Joe Verdun's hard hitting eleven, 54-6, last year in Poly stadium.

Cal Poly coaches Hughes, Red Martin and Joe O'Donnell, aware of a strong San Francisco spread, headed their quartered Maury Duman, here called for some special plays the past week. San Francisco State is polling for the Pacific Coast Athletic Association title. Duman, "they would like to knock us off more than any team on their schedule."

San Francisco State is currently in riding undefeated also, having dumped Cal Tech 50-0, and Moffett Field, 45-12.

Passer De Luxe

Hughes stressed pass defense this week in hopes of stopping the throwing of Duman. The new pass offense completed 10 out of 18 attempts against Moffett Field last week. His favorite target has been wingman George White, a talented receiver for St. Mary's two years ago.

Halled as one of the best centers on the coast by the Mustang coaching staff, Halled will be an "homemaking," having been named twice all-city while playing at San Francisco High. Halled was the outstanding player for the Mustangs in San Diego State and Santa Barbara games.

The thousands upon thousands who own the world famous tool feel secure of workmanship, quality, strength, and durability because Lufkin. All Lufkin tools have marks on the products of five years of factory-making excellence combined with the very latest design features. Experienced users know Lufkin tools are the ones on which they can buy with confidence. So look for Lufkin as you compare tools. It's an easy way to get the very best tool value for your money. Warranty against breakage is only good on your hardware store tool.
Colt Football Team Idle After Monterey Tie

Monterey scored in the first quarter on a 6-yard end run, but Coach Jim Jennings' charge sank back on the pitching arm of quarterback Bob Montoya to knot the count. Monte's pass to Royal Yearwood, Bill Burrell and Ken Hindsman moved the ball to the one yard line where Montoya snatched over. The score capped a 65-yard drive.

Knocking On Door

The Colts were knocking on the door during the second half, but penalties or fumbles thwarted every drive. Coaches Jennings and Tom Lee praised the work of Montoya, who drew well and called a smart game. Yearwood turned in a good job on defense as Bill Wayne Burrell and guard John Oakes.

Poly Phase Outing at Morro Bay

Judging by the turn-out and the returning riles, the Poly Phase club's annual barbecue was a smashing success. Held last Sunday at Chorro Willows near Morro Bay, the outing was completely paid for out of the club treasury and was free to all members and prospective members.

On the menu were such exotic items as barbecued rib steaks, short ribs, potato salad and all the other goodies that go along with barbecues. The committee in charge was headed by Jess Herrera, and the after-dinner festivities were led by Walter Copper. With a total of 80 in attendance, a good time was had by all.

Tuolumne Meets; Officers Chosen

Tuolumne dorm held its first meeting of the school year last week when election of officers was held, according to dorm manager, Allie Cage.

Officers elected were as follows: Jack Schor, president; Alan Schorbullen, vice president; Jakob Schor, secretary; Joel Rottman, treasurer; John Ruby, sergeant-at-arms; Bob Edwards, intramural chairman.

The School Dorm members will meet Monday, Oct. 19, to plan an Intramural program. First year of operation.

1. George Sevelle, at 26, had been a waiter, window-dresser, candy-maker and race driver, mechanic. In spare moments, he dabbled in home chemistry. Through this hobby he developed a paint cleaner and preserver. In 1939, he brought a product to Union Oil.

2. Sevelle demonstrated how it could be used to "launder" our service stations with better results and for less money than we had been spending. Naturally we were interested in improving station appearance at less cost. So Sevelle took on the job of cleaning several Union Oil stations on a regular schedule. He was in business for himself.

3. The sole drawback was that Sevelle had no truck to haul his equipment from station to station. His capital consisted of a single dollar. So Union Oil agreed to lease him one truck. He did such a good job that his contract was soon expanded to cover 180 stations.

4. Today Sevelle is almost an institution. He contracts for the cleaning of 6,000 Union Oil stations in 7 western states. He employs 85 men, operates 13 big trucks and 8 house trailers where his crew live in comfort. On top of running a $100,000 a year business, he's a Southern California community leader, an active member of 5 local organizations.

5. This story is important, we think, for several reasons. First, it's a real rebuttal to the defeatists who say there's no opportunity left in the U.S. for a go-getter who'd like to be his own boss. We say (and Sevelle seconded it) that there's ample room for the ambitious to spread their wings.

6. Sevelle's success also points up something many people don't realize—the relationship between big and small business in every field of industry is healthy and helpful. Each is dependent on the other. So as Union Oil grows, it helps other enterprises grow too. After all, any company keeps on growing only as long as it pleases people.
Improved Facilities in Cafeteria No. 2 To Reduce Waiting

Bertram, cafeteria manager, announced plans for improvements to the cafeteria facilities that will reduce waiting time for students. The improvements include the installation of additional equipment and the placing of extra quantities of potatoes and vegetables near the freshman dorms to accommodate the increased demand. Bertram emphasized that students should use their meal tickets conservatively to cover the remaining meals, as students are urged to use the breakfasts, excluding weekends, to cover the remaining meals. Students are also encouraged to check the daily menus in each dorm for their tickets.

AC Meets Tonight; Plans To Be Made For Barbecue

The Air Conditioning Club (AC) met on Thursday night in Library 114 to discuss the future projects and objectives of the club. A. Bertram, a member of the club, was present and stated that the club will be planning a barbeque for the near future. Bertram emphasized the importance of proper planning and organization for any event.

SMOKERS BY THE THOUSANDS
NOW CHANGING TO CHESTERFIELD
the ONLY cigarette ever to give you...

PROOF of LOW NICOTINE HIGHEST QUALITY

The country's six leading cigarette brands were analyzed—chemically—and Chesterfield was found to have the lowest nicotine content. Chesterfield was found to have the lowest nicotine content, making it the only cigarette that is suitable for smokers who are concerned about their nicotine intake.

A PROVEN RECORD with smokers

Again and again, over a full year and a half a group of Chesterfield smokers have been given thorough medical examinations. The results of these examinations have been compiled, and the results are startling. The doctors reported a decrease in the adverse effects of smoking Chesterfield cigarettes. This program has been ongoing for more than a year and a half, and the results have been consistent and impressive.
