V. Business Items:
   A. GE&B Proposal, ARCH 317, 318, 319 History of Architecture
      This proposal involves changes in units and course description of courses that are current GE&B courses. The changes were approved without reservations by both the area subcommittee and the GE&B committee.
      M/S/P (Gooden, Andrews) to move this item to the Senate agenda as a business item. The GE&B committee will be asked to provide further clarification on the nature of the changes since the proposal's reference to six 2-unit courses and four 3-unit courses is not clear.

   B. Substitute Resolution on Definition of Close Relative
      This was considered by the Executive Committee this summer. It was referred back to committee so that it could be looked at by the committee that is examining multi-criteria admissions. It has been determined that the resolution is compatible with what that committee is doing.
There were a number of concerns regarding the new wording, particularly with respect to whether this policy would apply to student employees. Also of concern was the broadness of the definition of close relative.

M/S/P (Andrews, McGary) to move the substitute resolution to the Senate agenda. There will be a recommendation to the Personnel Policies Committee that the addition of the phrase "full-time or permanent part-time" be considered prior to the Senate meeting.

D. Writing Skills Advisory Committee

Susan Currier was reaffirmed as the Senate representative on this committee.

E. GE&B Course Substitutions

There was some confusion regarding the GE&B substitution material that appeared in the communications attached to the last Senate agenda. This should have been referred to the Senate for input. 

M/S/P (Andrews, Gooden) to put this item on the Senate agenda.

F. Campus Phone Directory

There is a policy statement in the phone directory stating that the directory can't be given to anyone who is not a Cal Poly employee. This is a holdover from the days when the directory used to contain personal information that was not public information. Since this is no longer the case, Norm Johnson has asked if the policy can be changed. If this is done, the directory would be made available through the book store. By consensus, this will be put on the Senate agenda as a discussion item.

.I. Discussion Items: none.

VII. Adjournment: 4:07 p.m.
