M/S (Stanton, Moustafa) to amend the resolution by striking the word malicious from the last sentence of the introduction of the policy statement. The amendment failed.

M/S (Gooden, Kersten) to amend the resolution by striking the last example under Section III. Gooden stated that he felt that it did not fit with the document's definition of sexual harassment, and feels that its inclusion trivializes the issue.

Reg Gooden stated that the context of this resolution is the response of the GE&B Committee to the issue of assessment. In this context, he feels that the report is appropriate.

Ray Terry indicated that he doesn’t see the need for a general statement against assessment. The Senate has already taken a stand on several assessment related issues in separate resolutions.

Lee Burgunder stated that he is against the resolution because of the last paragraph of the report.

M/S/P (Burgunder, Dana) to table this resolution.
