State budget shortfalls result in hiring freeze

In response to significant state revenue shortfalls this year, and with the economic uncertainties of the 2002-2003 fiscal year, the university has implemented an immediate hiring freeze on all staff and management personnel.

Exception to the hiring freeze may be granted in extraordinary circumstances such as those involving campus safety, the delivery of essential services, or critical instructional program support. Exemption requests must be approved by the appropriate vice president before they are sent to Human Resources for processing.

To facilitate this process, an HR Form "E" (Staff/MPP Hiring Freeze Exemption Request) is available on the Human Resources Web site at www.calpoly.edu/hrm/hrf/forms/index.htm. The completed form must be attached to any staff/MPP recruitment request (HR 100) or appointment document (HR 101). For more information, contact JoAnn Lund, Human Resources, ext. 6-5653 or jlund@calpoly.edu.

Policy-makers' Rose Float hails Centennial

With a cake and 100 flickering candles, the 54th consecutive Cal Poly Rose Float salute Cal Poly’s Centennial Jan. 1 in the 113th annual Tournament of Roses Parade in Pasadena. Students at Cal Poly and Cal Poly Pomona chose a “Birthday Blowout” theme to molds Cal Poly’s Centennial with this year’s parade theme, “Good Times.” On the fanciful float, it wasn’t the university but rather one Meritor the Termites and his animal friends who were blowing out the candles on a huge multi-layered cake. The Cal Poly entry, the only float built by students, this year rested on a new steel frame that will allow future floats to be bolted rather than welded on. That flexibility should give the chassis a longer useful life, students said.
