Grover Beach Honors Cal Poly Students for Volunteer Service

Cal Poly has received the Grover Beach Parks and Recreation Department Volunteer Service Organization of the Year Award.

Grover Beach honored the Recreation, Parks and Tourism Administration and the Athletics departments at Cal Poly for their "learn-by-doing" philosophy and ability to provide volunteers who know how to plan and implement special events, programs and activities that are beneficial to the community.

Recreation, Parks and Tourism Administration students assisted the city with several events in 2005, including the Dune Run-Run, Mother/Son Dinner Dance, Carved Pumpkin Contest and Halloween Activities, and the Holiday Parade.

In addition, a partnership with the Cal Poly women's basketball team enabled the city to offer a free basketball clinic for children, and the Cal Poly baseball team was also recognized for holding a baseball clinic for children in prior years.
