RESOLUTION ON ALIGNING USCP CRITERIA TO DIVERSITY LEARNING OBJECTIVES
WITH OVERSIGHT BY GE GOVERNANCE BOARD

Background Statement

AS-395-92 Resolution Relating to a Cultural Pluralism Requirement determined that, beginning with the 1994-96 catalog, Cal Poly undergraduates must fulfill a cultural pluralism baccalaureate requirement consisting of a single course satisfying defined criteria.

In a related action, AS-396-92/CC Resolution on the Formation of a Subcommittee of the Curriculum Committee established a subcommittee for the initial review of USCP courses. This subcommittee consisted of seven voting members representing the colleges and professional staff, as well three ex officio members representing Ethnic Studies, the Curriculum Committee, and what was then called the General Education and Breadth Committee. AS-433-95/CC added ex officio members representing ASI and Women’s Studies.

AS-651-06 Resolution on Cal Poly Learning Objectives established the University Learning Objectives as a broadly shared set of performance expectations for all students who complete an undergraduate or graduate program at Cal Poly.

AS-663-08 Resolution on Diversity Learning Objectives established the four DLOs as an addendum to the ULOs. ULO 6 states that all Cal Poly graduates should be able to “make reasoned decisions based on an understanding of ethics, a respect for diversity, and an awareness of issues related to sustainability.”

AS-671-08 Resolution on Changes to the Bylaws of the Academic Senate changed the membership of the USCP Subcommittee to consist of the Academic Senate Curriculum Committee chair, as well as the chairs of Ethnic Studies and Women’s Studies. This was intended to simplify the formation of the subcommittee and expedite its business.

AS-676-09 Resolution on United States Cultural Pluralism Requirement revised the USCP criteria to make them simpler, broader, and more reflective of more recent statements: the DLOs and the Cal Poly Statement on Diversity.

The ULO project on Diversity Learning was conducted from 2008 to 2011. The project involved the design and analysis of separate surveys for the first three of the four DLOs, the use of focus groups to assess the fourth, and an analysis of the influence of service learning and the USCP requirement on diversity learning. Each of the three surveys provided evidence of value added, with seniors and juniors scoring higher than freshmen, but neither service learning nor satisfaction of the USCP requirement were found to have had substantial influence on students’ diversity learning, at least as defined by the DLOs. In 2012, Cal Poly described these results in its WASC Education Effectiveness Review Report, which made the following recommendation: “Align the USCP requirement with the DLOs and review USCP courses to see whether they address the DLOs.”
WHEREAS, The Academic Senate determined that, beginning with the 1994-96 catalog, Cal Poly undergraduates must fulfill a US cultural pluralism (USCP) requirement consisting of a single course satisfying defined criteria (1992); and

WHEREAS, The revised criteria (2009) do not fully align with the Diversity Learning Objectives (2008); and

WHEREAS, The ULO Project on Diversity Learning (2008-2011) found that satisfaction of the USCP requirement did not have a substantial influence on students' diversity learning as defined by the DLOs; and

WHEREAS, The DLOs have not been revised since their passage in 2008, and were written as an extension to the University Learning Objectives; and

WHEREAS, 72% of USCP-designated courses in the Cal Poly catalog are also GE-designated courses; and

WHEREAS, In AY 2015-16, 2383 students took a course that satisfied both the USCP requirement and a GE requirement, which was equivalent to 91% of the total number of students taking a USCP courses; therefore be it

RESOLVED: That the USCP and DLO policies be revised as shown in the attachment, and be it further

RESOLVED: That the revised policy will become effective immediately for all existing USCP courses, newly proposed courses and course revisions, and be it further

RESOLVED: That existing USCP courses retain their designation and be subject to future review for compliance with the revised criteria, and be it further

RESOLVED: That the USCP Subcommittee be renamed the USCP Review Committee, comprising the Chair of the Academic Senate Curriculum Committee, the Chair of Ethnic Studies, the Chair of the General Education Governance Board (GEB), and the Chair of Women's & Gender Studies as voting members, as well as the Vice President and Chief Officer for Diversity and Inclusion, and the CTLT Inclusive Excellence Specialists, or their designees, as ex officio, non-voting members, and be it further

RESOLVED: That the USCP Subcommittee include an at-large voting member chosen from the faculty with USCP teaching experience,

RESOLVED: That the oversight of USCP courses, including the review of new course proposals and modifications, be added to the responsibilities of the GEB, and be it further

RESOLVED: That the USCP Review Committee will serve in an advisory capacity to the GEB, which will decide on new USCP course proposals and modifications, and be it further

RESOLVED: That the USCP Review Committee will work with the GEB to design and implement a plan for the curricular review of all existing courses with a USCP designation.

USCP Criteria

United States Cultural Pluralism (USCP) courses must focus on all of the following:

1. One or more diverse groups, as defined in the Cal Poly Statement on Diversity, whose contributions to contemporary American society have been impeded by conflict or restricted opportunities.
2. Contemporary social issues resulting from conflict or restricted opportunities, including, but not limited to, problems associated with discrimination based on age, ethnicity, gender, nationality, abilities, religion, sexual orientation, socioeconomic status, or race.
3. Critical thinking skills used by students to approach these contemporary social issues, examine their own attitudes, and consider the diverse perspectives of others.
4. The contributions of people from diverse groups to contemporary American society.

In addition to satisfying these criteria, USCP courses must also address the Diversity Learning Objectives.

Diversity Learning Objectives

All Cal Poly graduates should be able to:

1. Demonstrate understanding of relationships between diversity, inequality, and social, economic, and political power both in the United States and globally.
2. Demonstrate understanding of contributions made by individuals from diverse and/or underrepresented groups to our local, national, and global communities.
3. Critically examine their own attitudes about diverse and/or underrepresented groups.
4. Consider perspectives of diverse groups to inform reasonable decisions.
5. Function as members of society and as professionals with people who have ideas, beliefs, attitudes, and behaviors that are different from their own.

(b) Responsibilities

         Resolution on Aligning USCP Criteria to Diversity Learning Objectives with Oversight
         by GE Governance Board

I am pleased to acknowledge and approve the above-entitled Academic Senate resolution. The
alignment of the USCP requirements with the Diversity Learning Objectives promotes diversity
and inclusion which contributes to the overall mission and vision of the university and reinforces
the basic premise of Vision 2022. Additionally, this alignment will enhance student learning and
increase the educational effectiveness of the student experience at Cal Poly. Skills in this area are
important to our student’s educational journey and for their future success as working
professionals.

Please express my appreciation to the USCP Task Force and Academic Senate members for their
attention to this important matter. Together we can continue to make positive changes to foster
