Beck Calls Poly
Royal Best Ever

The campus is back to normal after last week-end's influx of more than 30,000 visitors from throughout
the state, who came to see Poly's 8th annual Poly Royal.

Carl D. Beck, founder and present faculty advisor for the Cancer on a New Campus," says that this year's Poly Royal will be the most successful ever held.

The arrival, held in Mustang stadium last week, drew crowds that estimated attendance to the tune of 50,000. The most that this popular event has ever grossed.

To add to the fun, the Poly rodeo team rode off with championship honors in the annual Poly Rodeo. The trophy saddle for all-around cowboy was awarded to Larry Fanning.

The highlight of the Poly rodeo team's victory was the 55 points the rodeo team took with the addition of 260 points. 

The other event that made the Poly rodeo team a success was the amount of prize money that was won by Poly students as individual winners.

The Poly rodeo team took a total of 126 points. The electronics display in the new engineering building attracted numerous visitors who came to see Poly's pet lion with them into the Army.

Robert Fagan, of Femadsfe, are in the delegation enrolled at Cal Poly.

The convention was highlighted by a bouquet last night in the Veterans Memorial Cafeteria, at 8 p.m. in Science E-62.

Ron Pardini Named Head Yell Leader For Next Year

Ron Pardini, Animal Husbandry sophomore of Marine Park, has been selected Head Yell Leader for next year by Rally Committee. Pardini, who was an active member of both the junior and senior yells for two years, also was a yell leader for one year of the junior year. Tryouts for yell leaders are now being conducted and anyone interested should sign up now at the Counseling office with Don Morris.

After Morris and Mrs. Reynolds, for their recommendations, Rally Committee will be the final judge.

Jobs Await Entire Group of EE Seniors

Placing this fall graduating senior in the United States and in South America, the Electrical Engineering department reports 100 per cent job placement seven weeks prior to graduation. The student's qualifications, ability, willingness to work, and industry have resulted in widespread national demand for the engineer. The student averaged over one offer per person for positions in electrical and electronic development, field engineering, government and power utilities positions.

Poly Cow Ranks High in Holstein Breed Standings

The Holstein-Friesian Association of America reports that the junior production of Polytechnic's 985 656.14 lb. of milk and 1,061 lb. of butterfat. This record is more than eight times the average 925 U.S. dairy cow.

The top producing Polytechnic cow was bred in South America and is the property of James G. Calhoun, Polytechnic professor of animal husbandry. This cow is an example of the finest Holstein type classification.

During 1957, there were 1,100 fewer highway traffic fatalities than in the previous year.
