Winless Fresno Bulldogs Host Green And Gold Tomorrow Night

Bulldog Bite Could Prove Much Meaner Than Bark

Beware of the Bulldogs! They have been kicked and beaten three times this season—first by Brigham Young University, 29-7, then by the San Diego Mariners, 29-7, and finally, while crippled from previous blows, by Santa Barbara, 25-22.

After the gauchos fell back to Fresno to lick their wounds for two weeks. Now for the first time this season the Fresno State Bulldogs will be challenged by Coach Van Gorder to battle a gridiron unbeatable by defenses and an offense more prolific than any in the conference. The gauchos will meet a team of bulldozers in a match of the highest order.

Three timee the "Maroons" are ranked underdogs, the two schools. Fresno has won only twice, by Santa Barbara, 25-22, and by the San Diego Maroons, 20-8, and finally, while crippled from previous blows, by Santa Barbara, 25-22.

The "Maroons" are apt to be more vicious than expected, and will be more than ready to battle a grid foe.

Prank Turns Into Felony;

Little Banner Information

A check with San Jose City Police Wednesday revealed possible felony charges concerning the returning of the "Mustang" banner. According to police, who were investigating the theft, the check had been made with no previous record on anything as yet.

"No Laiil—If they are picked up," reported Prank-It.

"It must have been carefully planned and supervised," said the student police, "to cover everything concerning the recovery of the banner.

Travel Expenses Approved;

Committee Heads OK'd

Student A.F.S.V.M. Council last Sunday approved two committee reports proposing an increase in budgets of College Union and Residence Halls.

The Council, after authorizing a total of $127 to be allocated for the coming semesters, added to the College Union Traveled on a report that $327 was being brought in by the College Union. The money will be used to send student representatives to various college union conventions at various colleges.

Added to the College Union Travel expenses will be used to send 24 committee members, including 387 and 388, to California Polytechnic State University at San Luis Obispo, to participate in the regional conference at that university. The budget will be increased from $375 to $400.

Eight Students

Representing CP

At CU Conference

Eight members of college union are representing California Poly at the region 10 conference of college unions being held at Arizona State College in Tempe, Ariz. The conference started yesterday and will last until tomorrow.

The student attending the conference are: Robert G. Arms, chairman of the College Union; Glenn Parker, chairman of the Film Bureau; Don Depue, public relations; Dick Streeter, union; John Emblin, drama; Bob Lewis, games and hobbies; and Paty Rodrigues. Also attending the conference are Ray Curtis, advertising; and Bob Hastrom, graduate manager.

Fresno State's first grid campaign it's taken plenty of "grid" to battle a grid foe.

Poly Splashes Host Gauchos

Mustang water polioists are "chomping at the bit" for today's match against Santa Barbara. Match time is set for 4 p.m. at the Poly pool.

With last week's triple victory over Occidental College paving the way, the Mustangs are eager for another win to offset the early season drubbing they took during a slow start. Little is known about the Gauchos, which have been kept busy over the holidays so far this season, but Coach Dick Anderson of the Mustangs have improved with each splash and will enter the pool with confidence.

"The Occidental win is just what we needed," said Anderson.

Starting in the Poly varsity lineup will be Bob Wright, left forward; Jim Fisher, right forward; Francois Bell, center forward; Dave Lemos, center back; Bill DeBeer, left guard; and Don Langford, goalkeeper.

Four more swimmers who helped defend the Tigers last week can be counted upon against Santa Barbara. They are Allan Starr, Dan Rutel, Bob Downey and Irwin Hayrock.

COLD DUAL SPORTS

Mustang cold-weather enthusiasts will tangle with San Jose State rushing playwrights October 14 at Santa Barbara. Kickoff time is set for 8 p.m.

Coach Tom Lewis' fresh squad will face a rugged 8-2 team which dumped McNeese State (Air Force) 44-14 last weekend and lost Treasure Island (Navy) 16-6 the week before.

The young Spartans are apt to be especially hostile to their "country cousins" after the ride treatment of their "big brother" by the vastly last Saturday.

Lee announced that all of the Colts will likely see action in the game. The following players will start in the line: Terry Farris, center; Lynn Lebhaug and Bob Zierman, guards; Mike Arlott and Eustace Marshall, tackles; Morton Fischer and John Ramsey, ends.

In the backfield Ted Teller will have all quarterback, Roger Kosto, left end, and Jim Crimes or Don Fisher, halfbacks.

Tennis Tournament for Intramurals

Men's and women's intramural tennis singles matches begin Monday, Oct. 11.

Dick Davis, intramural tennis director, requests interested students to sign up at the Gym immediately. Varsity tennis players are ineligible. Trophies will be awarded to the winners and runners up. Far further information contact Deris Eadie, Intramural tennis director, or Box 901. Lee announced that all of the Colts will likely see action in the game. Gold Medal Award
To Be Given ROTC Winners This Year

Electrical, Electronics or Communications Engineering students in ROTC are eligible to receive the annual Gold Medal Honor awards for the Armed Forces, announces Col. W. K. H. Voehl, head of the Military Science and Tactics department.

To qualify for the award—given for the first time this year—a student must "have demonstrated outstanding qualities of military service".

Each award consists of a gold medal and a certificate. In addition, a service membership in the Armed Forces Communications and Electronics Association, which includes a subscription to the monthly journal, "Digital," is presented during the President's review in the spring.

MS, PhD CANDIDATES
Choose direct assignment

... As an RCA Engineer

Receive your BS in Electrical Engineering, Mechanical Engineering, or Physics at RCA's expense, through the RCA Graduate Study Program. At the same time, you're beginning your RCA career as an engineer on a fully professional level, getting a head start in the field you prefer. RCA pays the full cost of your tuition, fees and approved costs while you take graduate study part-time at the University of Pennsylvania or Rutgers University.

You may prefer a different path ahead... RCA Design and Development Specialized Training. Here is another of RCA's programs for careers, in which you begin by working full-time on planned assigned assignments. Experienced engineers and interested engineering graduates guide your program. You may receive assignments in design and development of radar, television, communications, compactors, missile electronics, electronics, radio and other equipment fields, as well as in Electronic Tubes, Semiconductors and Components. BS, MS, PhD Candidates are eligible for direct assignments in the above mentioned fields.

There's a lot more that's extremely interesting about an RCA engineering career. You should have these facts to make a wise decision about your future. Get them in person very soon when an RCA engineering management representative comes to your campus.

**Four Hours of Jazz?**

Dear Editor:

"...will entertain Poly students with four hours of Jazz this Thursday..." Charles Marians on the alto sax,... Bud Shank and his quintet will headline the Fall Jazz Festival...

Man, sounds great! But was this what we attended Thursday? Whoa, you say, didn't you hear Shank should do great on Madison Ave.

Did the Assembly Committee's issue these over-exhuberent phrases? Does this indicate the Committee's opinion of the Student Body's mentality? Perhaps that opinion can best be summed up in the following from the tickets to this event, "$1 for students, $2 for adults."

We are grateful, however, to know that our coeds made it back to their respective boudoirs in time for curfew but, for what reason did Shank have to abide by said curfew?

We are glad to see that many students act so independently, yet still assume that the Assembly Committee should tell them in which hour to attend and which hour not.

The ASB office ran this Friday: "The Assembly Committee wishes to apologize for the confusion over the dates of Fall Jazz. The committee, in an effort to allow students to attend both events, has changed the time of the second event. This event, which will be held October 11, will begin at 8 p.m., not 9 p.m. as previously announced. We hope this will resolve any confusion and allow students to attend both events."

We feel the Committee's action may have been a result of the tickets, which stated, "$1 for students, $2 for adults." This may have caused confusion among the students as to which event they were attending.

We are grateful to the Committee for their efforts in trying to satisfy the needs of the student body, but we feel that the students should be allowed to make their own decisions on which events to attend and when.

We are also grateful to the Committee for their efforts in trying to satisfy the needs of the student body, but we feel that the students should be allowed to make their own decisions on which events to attend and when.

We are grateful, however, to know that our coeds made it back to their respective boudoirs in time for curfew but, for what reason did Shank have to abide by said curfew?
