Parking Policy Changed

To Ease Space Problem

Paced with the task of solving the space problem, the Campus Parking Fee Legislation committee has initiated two major changes for this quarter.

With a main objective of utilizing space to optimum convenience, the committee has eliminated the staff reserved parking spots and also removed the working one-ped system for students and non-staff members.

Dean Harold Hayes, Chairman of the Committee, said the reserved part of the time and they could be better utilized by being open to all staff. Staff parking fees have been reduced and made and are set at $5 per quarter with a $1 charge for each additional sticker.

According to parking legislation as appearing to be permanent. Hayes indicated that the Parking Fee Legislation committee is now in the process of making the best of what space is available. Hill said that the approach to parking that is being made is aimed at a self-sustaining organization. He said that the parking fee legislation as appearing to be permanent.
