Fresh Girls Out in Queen Contest For Poly Royal

Freshman girls won't be in the Poly Royal Queen contest this year. At a meeting of the Poly Royal Board last week, queen candidates were limited to those with sophomore standing or above who have attended Cal Poly for at least one quarter.

In debate before the new regulation was passed, members advocated the change in rules stating that a queen candidate should be as well educated as she is beautiful. Many previous experience with Poly Royal Queen candidates had been discovered.

Dr. Paul Smith, Chairman; Dr. Willard Osar, ... One of the students was Miss Linda Dewalt, a Cal Poly employee. Miss Dewalt was chosen by Vice President Julian McPeek as the queen for the Poly Royal contest for 1960.

Open Poly Royal Office

Poly Royal has announced that office will be open for the year in the Central Student Office. The office will be staffed Monday through Friday.

Religion Seminar Schedule

TUESDAY, JAN. 19

10:15 A.M.—"The Parable of the Prayers"—Darnton—Adm. 306

11:00 A.M.—"Our Generation of Conformity"—Barry—Adm. 310

1:00 P.M.—"The Peaceful Proposal"—Burnett—Ph. 326

2:45 P.M.—"Puppy Faith: Marriage...Pro and Con."—Dewalt—Adm. 311

2:45 P.M.—"Are You Fit to Be Tied?"—Choosing a Life Mate, Mr. and Mrs. Burke—Desert Inn

4:15 P.M.—"Does a Protestant Believe in the Bible?"—Darnton—D-47

FRIDAY, JAN. 22

11:00 A.M.—"What God Is the Bible?"—Darnton—Adm. 306

2:45 P.M.—"Are You Fit to Be Tied?"—Choosing a Life Mate, Mr. and Mrs. Burke—Desert Inn

4:15 P.M.—"Does a Protestant Believe in the Bible?"—Darnton—D-47

Global Talent Show Planned for "Intercultural Night"

International Night, an opportunity for the students to become acquainted with the customs of the world, will be presented Saturday, January 15, in the student union.

This hour will be an opportunity for students to become acquainted with the customs of the world, will be presented Saturday, January 15, in the student union.

Printers Observe Trade Week

International Printing Week, celebrated in the nation and in Canada, is being observed at Poly.

A banquet, co-hosted by the Central Coast Craftsmen's Club and the Central Coast Printers, will be held January 19, in the student union to honor the printers of the West Coast.

Sgt. First Class Ron Young, Poly student, is a member of the 10th Printing Unit, which is part of the 24th Combat Printers Battalion. Young is in charge of the 2nd platoon, which is responsible for 100 operations of the printing equipment of the unit.

Sgt. Young is a member of the 10th Printing Unit, which is part of the 24th Combat Printers Battalion. Young is in charge of the 2nd platoon, which is responsible for 100 operations of the printing equipment of the unit.

Among the honored guests was Miss Central Coast Printing Week, Miss Linda Dewalt, a Poly employee. Miss Dewalt was chosen by Sgt. Young to be the guest of honor for the banquet.

Sgt. Young is in charge of the 2nd platoon, which is responsible for 100 operations of the printing equipment of the unit. He is in charge of the 2nd platoon, which is responsible for 100 operations of the printing equipment of the unit.

A-Bomb Pioneer To Talk On High Energy Physics

Dr. Hugh Bradner, pioneer in the development of the atomic bomb, will speak to the Army Student Branch of the Institute of Radio Engineers and the Santa Barbara Section of the IRE at an open meeting in the student union at 7:30 P.M. in lieu of the University of California, Berkeley, radio lab, Dr. Bradner headed the first test of the hydrogen bombs at Bikini Atoll and recently headed the "A-bomb for Peace" conference at Geneva.

His topic, "The Monstrous Growth in High Energy Physics," covers the progress from a无视 to the increasing large, steady and complete forms today, of the study of the nuclear particles of matter. High energy experiments have been revolutionized by the hydrogen bubble chamber, the physicists' newest and most complex tool.

The Chamber requires at least 100 trained people for operation. It is causing research group members to become more and more specialized and independent, according to Poly's EI Department.

Dr. Bradner will use film and slides to illustrate this individual revolution in academic research.

An open meeting has been arranged in the library at 7:30 P.M. for students who have never heard the lecture. It is not for the students who have attended it themselves and who want to attend again.

Dr. Bradner will use film and slides to illustrate his talk in the library.

**Arab-American Relations**

An Arab and an American will address the Arab Club Thursday at 10 A.M. in the auditorium. The meeting will be held in the Arab Auditorium at 10 A.M.

Joseph Manfield of San Luis Obispo will present the important point of view and S. Shuhert from Palestine will take the Arab point of view. The program will be given in the Arab Auditorium at 10 A.M.

**Aircraft and Aircraft**

Aircraft and aircraft will be featured in the "Lighter Than Air Aircraft" talk by Don Morris to the student chapters of the Air Force Club at 7:30 P.M. in Eng.

Morris, a Cal Poly graduate and currently employed at Cal Poly, will show slides illustrating the aircraft he piloted as a pilot in the U.S. Navy. The meeting is open to all interested persons.

**Flu Shots When Students**

"Flu shots are important," says Dr. Earl Lovett, head of the Cal Poly Health Center. If there were 90 percent fewer flu cases among students who received the flu shot than among those who did not.

"It is not the new students who should worry; they were vaccinated after their vaccinations by Dr. Lovett," stated Dr. Lovett. The old student says the new ones should take heed and get those shots.

Students desiring flu shots may get them at the Health Center Monday through Friday between 2 P.M. and 4 P.M.

Mustangs Sink Swabs
Opening their 1960 boxing schedule on a winning note, Coach Tom Shadman's Mustangs edged the Pacific Coast Invitational in front of a crowd of 8,000, bringing the Mustangs to 2-0 in the first two matches of the evening.

185-Larry Hummelon (CP) def. Jack Durnell (N) 12-7. Full Points
185-Tim Wilson (CP) TKO'ed Joel Thompson (N) in the first round.
185-Peplece Martin (CP) drew with Bill Smith (N)
185—Bob Johnson (N) def. Fred Minas (CP) Sam Marques (CP) drew with Wilrierd Judge (N)
185—Charles Pierce (N) def. John Lindean (CP)
185—John Nash (N) def. Rudy Rong (CP), Dennis Kett (CP) and George Lockard (N)
185—Bill Bueh (CP) def. Bob Robertson (N)

Mustangs Frozen in Gym Warming
Friday night’s decision came in a tune-up for the new Poly Physical Education Building with the Mustangs facing Stanford’s ‘8’ in the first 100 pound division. The Mustangs defeated Stanford 10-2, giving the President the victory.

The ensuing centa between the Mustangs and Atlantic produced perfect harmony with young guys. A crowd of over 2,000 persons, who came to see (1) the new gymanium, and (2) the team that lost the 1900 NCAA champions last week and (2) the new gymnium, and (2) the team that lost to Santa Barbara last week 6-0.

Perhaps “first night” jitters may have played a part in the Mustangs’ performance as well as the quality of their opponents. The Mustangs went on to defeat the ‘8’ with a 13-0 high point, scored in the second round, by winning the first half, 14-0, with a 13-point lead. The Mustangs regained the first half with a 7-point lead, but were still down by a point in the second round.

While Coach Shadman’s team played a great game, the Mustangs couldn’t put it together in the second round. After a 4-3 lead in the first half, the Mustangs lost 13-0.

It is doubtful that the co-eds will take so long, but Coach Shadman’s team will play in the Minnesota State Fair next week. This game is a good start for the co-eds, and it is doubtful that the Mustangs will win again.

The Mustangs have a good record this year and are hoping to carry it into the new season.

Meet Diablos Here Wednesday
Northern Wrestling Junket
Successful For Mustangs
Coach Shadman and a group of 1200 fans watched the Mustangs on their highly successful northern junket, which saw them meet Stanford last Thursday, in the university gym.

While Mustangs and Swabs battled the way for the Mustangs in the first two, the Mustangs maintained perfect harmony with a 9-1 lead over the Swabs.

(continued on page 4)
Poly Spikers Eye Championship

Beginning pre-season workouts last week, the Cal Poly track team of Coach Walt Williamson has early aspirations to bring Cal Poly's fifth track championship to San Luis Obispo in 1960. With two Olympic prospects, Sprinter Vio Hall and Hold evontar, plus eight up-turning lettermen and several junior college transfers signed on at quarterbreak, the program for the conference championship appears extremely bright.

Although competing under adverse conditions last year, he remained consistently around the 810 foot mark. Coach Williamson feels that the Mustangs will be stirring under the talents of Cal Poly as well as a member of the Iowan track team, hurrying the parable.

Hall, tabbed by local cindarfare, as the most outstanding trackman in Poly's history, holds Mustang record in the 160, 200, and 400 yard dashes. He is a member of the record-breaking Los Angeles junior one-mile relay team.

Poly Airmen Offer Low Rate Lessons

Flying fans, students, Foundation employees and faculty members are invited to the first meeting of the Mustang Flying Club when officers for the Board of Directors are elected tonight at 7:00 P.M. in Administration Bldg.

The Club maintains two airplanes for private and instructional flights.

Low flying rates are as low as possible and a private lesson can be secured for approximately one half the present commercial rate, according to Ed Halbert, membership chairman.

Poly Wrestling Junket

(continued from page 8)

Two clashes in one day proved too much for the Mustangs as the University of California proved to be the Mustangs' only downfall on the northern Junket. With regard to the California Wildcats meet, Coach J. O. McPhee said: "The boys were tired down at this point. Los Angeles cruising through his match, plus the fact that Cal had a tougher squad than I had anticipated."

Winding up the main action Saturday at Chico State, the Mustangs dumped the Wildcats grapplers 20-10 building their season total to four wins, with only one loss. Local wrestling fans will get their initial glimpse of Hansen's charges Wednesday night in Campus Gynnaeum when they meet the Chicos of Los Angeles State at 8 P.M.

Poly Femcana Test Santa Barbara Fails

Accepting Cal Poly's invitation, the University of California at Santa Barbara has agreed to engage in a fencing match here Saturday, Feb. 6.

Any student who has had previous fencing experience, with a desire to enter this competition is invited to contact either Bill J. Haynesbaurh (Whitney Room, R.O. 1964) or Clifford Clissman in Room 14 of the Electronic Engineering Building.
