Students Ask Action On Traffic Problem

"College administrators are not the only people concerned with the traffic problems," said Clyde P. Fisher, dean of the college. "The students are concerned so let us take action." Fisher was commenting on a petition presented to him by John Morgan, Animal Husbandry sophomore. The petition was signed by 80 students asking that action be taken to combat the traffic problem on campus.

Fisher said that an Jan. 11, a special Student Government Board committee was established "with a view to making recommendations to improve the traffic situation on campus. The committee has met several times and hands are hope the committee will make some recommendations for action in the near future."

Both of the recommendations which were set up were approved or are being considered are the addition of new, easy cross walks for certain roads on campus.

"The committee is in the process of making a traffic survey of the campus and will recommend changes as they see fit," said D. S. L. Sullivan, a member of the committee.

Winter Quarter '56 For Campus Radio

In a report given to the Student Senate, John Sullivan, chairman of the campus radio station, said that the station was "in a very active and operation and continuing to grow in every respect."

"Our station is growing in popularity, and we are receiving more and more complaints from the students," said Sullivan. "However, we are not sure if we can meet the demands of all the students."

"We are working on a new program for the next quarter," said Sullivan. "It will be a talk show and we will have some interviews with some of the students."

Water Shortage Threatens Agricultural Departments

By Judy Kent

“Water shortage threatens the growth of the state’s agriculture,” said Howard C. Brown, head of the ‘Ornamental Horticulture Department, and William Troutner, acting head of the Crop Department.

“With a limited amount of water available, it will be necessary to focus on crops that require less water,” Brown explained.

“Water availability is a critical factor in agriculture, and it is essential to plan for the future to ensure sustainable agriculture,” Troutner added.

Lyman D premier, head of the Animal Husbandry Department, said that the water shortage is a significant concern for farmers.

“Farmers must adapt their farming practices to reduce water usage and ensure sustainable agriculture,” Premier advised.

In conclusion, it is crucial for everyone involved in agriculture to collaborate and develop sustainable practices to address the water shortage and ensure continued growth of the state’s agriculture.”

Water Shortage Threatens Agricultural Departments

Hot-Cold Mustang Baseball
Nine Hosted by Bulldogs

After opening the league with two wins and one loss against the Matadors of San Fernando State College last weekend, the Mustangs travel to Fresno State to open up three-game set this afternoon. Fresno, boasting a 13-8 record for the season, played four games last week in the San Diego Marine tourney. The Bulldogs will field a team with five 30-plus hitters with Augie Garcia being one at .386 and Jerry Frithacker at .333.

In the Mustang competition last weekend, San Fernando was edged out in the second two games of the three-game set. In the final game last week, San Fernando was trying to tie the game in the ninth inning, but a double play stopped the game. In the first two games, the Mustangs went ahead to take a 25-3 victory, with four hits in five trips. Ken Anderson got three hits and Renny Gusset. Jim Harper led the assault with 17 hits to take the first game.*

In the second game, Jim Harper drove across the first tally and Rusty Todd added a home run for three Outs came in the first and the Gaucho relieving Bruce Anderson. Ken McFadden yielded only three runs in the game as the Mustangs took the first two games, 2-1 and 4-1, against the Matadors of San Fernando State College last weekend. The only run in the final game came in the first inning after an error and two broken bat singles.

Hardballers Split Pair
With San Diego Marines

Staying off a last inning rally by the Mustangs, the San Diego Marines were able to win a win in the second game, 8-8, after being drifted 18-16 the previous day.

Coach Bill Hicks' crew splattered 17 hits to take the first game behind the chucking of Rich Guarino, Jim Harper led the assault with four hits and Ken Anderson got three hits and Renny Gusset. Jim Harper led the assault with 17 hits.

In the second game Jim Harper drove across the first tally and Rusty Todd added a home run. The ninth inning rally was stopped with the bases loaded when Russ Cushing was put out in a run-down between third and home. The regional tourney was sponsored by the San Diego Tennis Association.

Cinderella Road To Fresno

Fresno State College will be the scene of track action tomorrow as Coach Walt Williamson takes his injury laden athletes to meet the team rated as the powerhouse of the CCAA.

Though small in number the Mustangs boast some of the nation's top individual performers in Tom Pagan, weight thrower, half-miler Eddie Slayton, and high-jumper John Slayton. Though small in numbers, the Mustangs are able to pick up some of the powerhouses of the Southwestern Conference.

Two new meet records were set and another tied in the 17-event program of the 1961 CCAA track and field championships.

Two approaches to the "man's deodorant" problem

If a man doesn't mind shaving under his arms, he will probably find a woman's roll-on satisfactory. Most men, however, find it simpler and easier to use Mannen Spray Deodorant. Mannen Spray was made to get through to the skin, where pungent odor is born. And made to work all day. More men use Mannen Spray than any other deodorant. How about you? 69¢ and $1.00 plus tax
