**Twenty-two Floats Entered In Parade**

Highlighting the Homecoming parade this year are 22 floats supported by several bands and Cal Poly's ROTC and Penguins. Reflecting a Polynesian Holiday theme, the parade will start at 1 p.m. with floats in the following appearance.

Blue Key, national honor fraternities, the Homencoming Queen float, depicts an island in the sea of blue, complete with palm trees, a queen, and her court.

A float showing Habitat exhibition on a background of an ocean, beach, mechanical waves, and fish will be presented by the Agricultural Engineers.

Air Conditioning Club's entry will show a volcanic temple and a surrounding Polynesian offshoot.

"Poly's Holiday," featured by the Mechanical Engineers, will have a large erupting South Sea Island volcano implying the San Diego mainland.

The Institute of Aero Space Relations will ride the breakers high on a surf board in "Elle High Toro Mustang" float with a beach scene with palm trees.

"Juliet's Love" will rotate on the surfer of a bamboo raft with bamboo in the making.

Homecoming Court will show an original version of Paradise Lost in three gigantic rafts, one on an island paradise, captured by surfers.

It's party time in the Polynesian Movement. Peruvian Hall has a beach party going full swing next to a Polynesian hut.

Horticulture Club will show a wave carrying a surfboard rider back to his glee at the base of Hawaiis Diamondhead.

The Football Club will be in its element as a belly dancer creating out of its shell formed by two gulls in "Birds in Paradise."

Palm tree will be exhibited in the Polynesian Flights by the Pomer Management Club.

A冲kron boat going out to two islands will show alluring women on one island and shipwrecked sailors on the other. The sailors are attempting to catapult one of their numbers to the other island.

Broom in a hehl this Holiday on the eastern end of the South Sea, and shipwrecked sailors from an island, has been set up in the lobby of the Administration building and will be given from 9 a.m. until 5 p.m. Saturday. Alumni who have not purchased tickets for the Homecoming activities can do so at registration. Game tickets are available at a reduced rate of $2.

The College Inn is sponsoring an Art Exhibit at the temporary College Union building across from the Architectural Engineering department, water colors, oil paintings, etchings, and some sculpture will be displayed from 9 a.m. until 10 p.m. Saturday. Alumni who have a chance to relax in the College Union lounge.

The 14 unit Homecoming parade, with all different departments and organizational floats, will begin at 1 p.m. from the Cal Poly-Pomona campus and tour the campus before returning to the temporary行政 building. The order of the floats will be:

- Agriculture Engineers and the Crop department will have a coffee stand for their members.
- Alumni will be given a bar for all returning alumni.
- "Poly's Holiday," featured by the Mechanical Engineers, will have a large erupting South Sea Island volcano implying the San Diego mainland.
- The Institute of Aero Space Relations will ride the breakers high on a surf board in "Elle High Toro Mustang" float with a beach scene with palm trees.
- "Juliet's Love" will rotate on the surfer of a bamboo raft with bamboo in the making.

Free Tutoring in English
Offered Foreign Students
Tutoring service for the foreign student has been made available by the Instructors in the English department. Their wives, citizens of the community and students, it will be offered everyday from 1-4 p.m. in the English lab. Eng. 818 and in the English lab, Eng. 818. Also open B-15, M-20, and 8-11 Tutoring service for the foreign student has been made available by foreign students in reading, writing, and speaking.

Miossi Is Chosen Alumnus of Year
Alfred P. Miossi, a 1907 graduate of Cal Poly, has been selected by the Board of Directors of the Alumni Association as alumnus of the year. He and Mrs. Miossi will be honored guests at the 1961 Homecoming festivities this weekend. Miossi entered Cal Poly in the fall of 1904, its second year of operation, and has since watched its growth for 57 years. While in school, Miossi specialized in mechanical engineering and was an excellent high jumper. After graduation he stayed at Poly as a repair and construction engineer. After that he started a combined ranching and carpentry career, and at one time operated three ranches with his father and two brothers.

Dean Of College Explains College Union Movie Mixup

By JIM MCLAIN, Staff Writer

In an effort to inform students of the situation that has arisen in regards to College Union movies, Dean of Students Everett Chandler told the San Luis Obispo Daily News Tuesday night that there is a disagreement between the college and a theater manager regarding the college and a theater manager's complaints by theater managers this year (as outlined in the college's annual report). Chandler added.

The films which have been shown on campus for a number of years. Chandler mentioned that the use of state facilities, which was a standard as length as last year, had been first chosen on campus, may enter into the dispute again. In addition, the number of years.

"At the Coliseum," Chandler said, "the Constitution and Coliseum Committees met last week and in the process of reviewing the Selection Committee and General Executive Board chairmen's performance, they will have been preparing material for the downtown theaters. That is what we have had prepared this week. They decide whether or not they wish to continue leasing and renting them."

George K. Mayes, senior class representative, reported that most programs have been acceptable to the student body. He added that the student body has been involved in the process of selecting the theater district.

The movie industry and the state government would be involved in this matter. Chandler said, "We must submit a list of films we intend to show in the downtown theaters. This is what we have been preparing this week. They decide whether or not they wish to continue leasing and renting them."

The admission charge for the Coliseum was $1, but the Theatre District will charge $2 for the downtown theaters. This is what we have been preparing this week. They decide whether or not they wish to continue leasing and renting them."

The Coliseum will be the only "educational" film that will be shown at the downtown theaters that only "educational" films would be shown on campus.

"The films we have scheduled this year (as outlined in the college's annual report) could hardly be called educational," Chandler added.

He said that there had been no complaints by theater managers until last year when they apparently felt that the campus movie industry was not doing its fair share of the business. "Recreational" movies have been shown on campus for a number of years.

Chandler mentioned that the use of state facilities, which was a standard as length as last year, had been first chosen on campus, may enter into the dispute again. In addition, the number of years.

Queen, Court Express Homecoming Sentiments, Welcome Alumni

By Power Gardner Special Reporter

Cathy DeGaspard, lovely 1961 Homecoming queen, extends her greetings to returning alumni for the big Homecoming:

"I sincerely hope you enjoy your visit to your campus, and recognize the same qualities of the college you found when you were here. Cathy, Home Economics major from Gonzales, is especially looking forward to the Coronation ball. "It will be a time in a lifetime experience for a queen. I believe it will be fabulous for everyone attending." she says.

Naturally I hope we win the football game, but what matters most is the spirit in which the game is played, and not who wins or loses," the pretty brunette said.

"Cathy feels Homecoming is important because, for so many alumni, it is the only time they come back to see the school and the many changes on campus. "I hope they will be proud of their alma mater," Cathy added.

Patti Walker Anderson, 1961-62 Queen will again crown Cathy as this year's Homecoming queen in a Coronation ball at Yosemite National Park. She was formerly a ski instructor at the park and her husband was on the ski patrol. Patti was a Home Economics major while attending Cal Poly.

Prizes for the gala event are Sue Peterson, Elaine Monness, Linda Paines and Gayle Schieder.

Gala Festivities

Cal Poly's Mustangs will be out to improve their season mark tomorrow when they interupt CCAA action to take on the San Diego Marines in the annual Homecoming contest in Mustang Stadium.

The Mustangs were bounced recently by defeating champions Fresno State 48-18 and will try to get back on the winning track against the once-beaten Marines.

Coach Larry Hughes has many more of his team healthy going into this contest. The Mustangs have average 818 pounds per man on the line.

Hughes will stress heavily on his blocking offense with three quarterback scrambles to call the tune. The Mustangs attack in this contest will be led by the running attack along with Bob Mellette, Jack Jergal, and Bob Herndon.

The Mustangs have average 818 pounds per man. Guard John Allen, transfer from Colorado State, and center Dave Edmundsrng also have had impressive performances for the Mustangs this season. The Mustang line averages 818 pounds per man.

In this contest, the Mustangs will try to outscore the Marines and will try to get back on the winning track.

The Cal Poly squad will return to wind up its season against Adams State, (Col.), and Santa Barbara.

**Head Grid Mentor Enters Homecoming With 69-36 Record**

Back in 1949, a gentleman named LeRoy Barry "Silver Fox" Hughes came to Cal Poly to begin his first of 18 years as head grid mentor of the Mustangs. A quick glance at Hughes' record thus far shows that his work was not in vain. His teams have compiled 69 wins and 56 losses during this span.

In his first year here, Hughes guided his team to a 6-7-1 record. For 1962, his team is rated in the mid field of the Mustangs.

**Mounting Up**

**Mustang Gridders Out For Eighth Homecoming Win**

Cal Poly's Mustangs will be out to score their eighth victory in eleven Homecoming grid tilts under direction of Head Mentor LeRoy Hughes tomorrow in the local stadium when they oppose the San Diego Marine Recruit Depot DevilDogs at 8 p.m. Hughes, reigning as head coach for 12 seasons, will make his final Homecoming appearance as coach this year.

Assistant coach, Sheldon Harden, will assume the coaching reins next season.

Under Hughes, the Mustangs have compiled seven wins and three defeats in past Homecoming contests. The last victory was in 1954 over Montana State 16-6, while the Mustangs lost the 1959 tilt to Fresno State 28-16. The 1960 Mustang was cancelled by the U.S.C. team.

Hughes' success in the Homecoming contests began in his first season at Poly when Chico State was defeated 65-17. In 1952, Santa Barbara Gauchos were the next victim 14-7. The Whittier Poets handed the Mustangs a 42-20 loss in 1955, and the Cal Poly team lost to the Gauchos. The following year the Mustangs dropped the Los Angeles State 28-13 in 1956. Again in 1956, the winning streak of the Mustangs was halted by a 58-19 defeat of the Long Beach State.

Hughes' teams have compiled an 8-10 record in these contests.

Tomorrow’s game will be the first meeting of the Mustangs and the Mustangs since 1957, when the Long Beach State came on top by 21-14 margin.

The contest will feature two outstanding quarterbacks in the Mustangs Ted Tallier and the Marines' Tom Maudlin. Tallier has led the Mustangs attack while Maudlin has starred for the Marines in the last three games.

Tomorrow’s game should feature an outstanding passing attack by both clubs. Mustang Coach Hughes will be banking on his three-300 yard passer Maudlin to take advantage of the strong Mustang defense.

Leathernecks Land
Marines Bring 4 Win-1 Loss Season Into Mustang Tilt

The Marines have landed! They landed hard on four opponents so far this season and are now ready for the Mustangs. The once-beaten Marine Corps Recruit Depot Devil dogs oppose the Mustangs here tomorrow night in the Homecoming grid contest. The Leathernecks swarmed to early victories over the University of New Mexico 41-18, Eagle Rock A.C. 87-0, Valley All-Stars 88-0 and the University of San Diego 41-0. The Marines suffered their only loss to date at University of Pacific last week.

The strong Marine attack has averaged 42 points in these four contests, due mainly to the fine passing of former U.S. quarter-back and current Quantico Marine Corps Staff Sergeant Perry Rodrigue, while competing for Quantico last year, he completed 12 of 14 pass attempts for 84 yards and three touchdowns against a strong University of San Diego team. Maudlin has passed for 788 yards this season.

Maudlin's favorite targets have been former Wisconsin Badger star Marshall Hollingshead, who has grabbed 44 passes for 454 yards and two touchdowns, and Kalton Winston, who has snagged seven aerials for 907 yards and two touchdowns against the San Diego University team.

A fine passing attack is bolstered by some very adept ball carriers. Winston added 88 rushing yard to the passing yardage of the Marine offensive and is tops in these two areas. He is flanked by halfback Billy Charles, who has gained 258 yards in 38 carries.

At the fullback slot is hard-hitting Perry Rodrigue, 197-pounder with a 4.6 yard average. In the line, the Marines feature Yohn, 281-lb. center and Bruno, 284-ft, Tony Breitenbuecher, 290, at guards and Tony Anthony, 290, and John Frith, 285, at tackles, and John Lee, 295, and Hollingshead, 215 at ends. They total 1870 pounds and average 814 from end to end.

Enrollment in the college's ROTC program this quarter reached its highest level since 1968 with 874 students, announced by Lt. Col. C. B. Mariconda, head of the Military Science and Tactics dept.

The class of the classroom—that's Florsheim. Shoes that take the toughest wear and weather in stride—and come up shining. Pick a pair and wear them proudly.
A missionary traveling through the jungle met a lion. Flight was hopeless; he fell to his knees in anxious prayer. A few moments later he was greatly comforted to see the lion on his knees beside him. "Dear Brother," said the lion, "I'm saying grace." "Don't interrupt," said the lion, "I'm saying grace." "Dear Brother," said the missionary, "how delightful it is to see you join me in prayer when a moment ago I feared for my life."

The Wild Ones

A TIME TO CELEBRATE... loyal Mustang rosters express enthusiasm as Cal Poly tallies on way to upsetting the Long Beach Bears in last Saturday's CCAA grid clash at the local field. Fans did everything but demolish the stadium as the final gun sounded proclaiming the Mustang victory.

Quality is the key to success at Western Electric

Admittedly, our standards are high at Western Electric. But engineering graduates who can meet them, and who decide to join us, will begin their careers at one of the best times in the history of the company. For plentiful opportunities await them in both engineering and management.

As we enter a new era of communications, Western Electric engineers are carrying forward assignments that affect the whole art of telephony from electronic devices to high-speed sound transmission. And, in the management category alone, several thousand supervisory jobs will be available to W.E. people within the next 10 years. Many of these new managers will come from the class of '68.

Now's the time for you to start thinking seriously about the general work area that interests you at Western Electric, the manufacturing and supply unit of the Bell Telephone System. Then when our representative comes to your campus, you'll be prepared to discuss career directions that will help make the interview profitable.

Water Polo Squad Hosts Cerritos JC

Cal Poly's fine water polo squad, which lost its first league match to Long Beach last week, will turn up for its second important league game with a 2-0 win on Nov. 4 by taking on Cerritos JC here today in the Polo pool.

Coach Anderson's group, who hold league wins of 13-5 over Santa Barbara, and 29-10 over Fruita, are still very much in title contention. A victory over the Mustangs would throw the Mustangs into the league lead.
