Poly Royal Code
Election Set This Week

BY JIM MALIN, Editor, El Mustang

Students will go to the polls tomorrow and Thursday to decide who will be the Poly Royal ‘62.'

Until late yesterday morning the election dates were sort of up in the air, as Dave Hettig's, Election committee chairman, had not yet announced being today and tomorrow at last week's Erskine meeting. Publicity has already gone out and it would take late tomorrow and Thursday to announce the dates were finally approved.

Ballots will be placed at the AIB, Mr. Nard, Mr. Keifert Agriculture Building, Business College, and at the YWCA. Voting will be required on the Poly card holder and some newspapers for AMR card holders. Ballots will be open at 6 a.m. until 5 p.m. Thursday they will be closed.

Ten enterors, who were selected from the top 25 percent of their class by the Poly Royal executive board, are running for slate. The girls, who were chosen from the top 25 percent of their classes in co-curricular activities and/or Group A (Alpha Chi, Sigma Delta Tau, Catamount) and Group B (all others) and the boys are: James Matos, Linda Bobbitt, Kay Warner, Donald Gardner, Brian Gardner, Bruce Crane, Earl Flynn, Al Kowalski, Jack Byers, and Bill Horne.

The news that they report are that they will campaign for their election and that there will be no campaigning after the election goes under.

When the ballots are counted tomorrow will tell. According to the plan, the highest plurality of votes will be the winner.

Election results will be announced at 6 p.m. Friday night during the Poly Royal, April 5th and 6th.

Poly Royal's election is the first to be held today and tomorrow; thus the Poly Royal slate will be the only one to be held today and tomorrow.

The slate will consist of candidates to be held today and tomorrow. The slate slate will consist of candidates to be held today and tomorrow. The slate slate will consist of candidates to be held today and tomorrow. The slate slate will consist of candidates to be held today and tomorrow. Cal Poly Coeds Cook Way to Graduation

Four girls from Cal Poly's Home Economics department will give their final cooking presentations in the Demonstration Techniques class for approximately 50 girls from Morrow Bay high school, Thursday from 9:15 a.m. to 12:15 p.m. according to Mrs. Pauline Stafford, course instructor.

"It is a requirement of the Home Economics department that girls give a demonstration of cooking that will result toward graduation and the class," Mrs. Stafford said.

Stella Burrough and Anita Dillon, Shirley Varnes and Lila Tapper will demonstrate the proper techniques for making a simple but interesting meal.

Poly Royal provides two events outside members of the school for 400,12th year, to include the following areas:

- Space, Missile and Jet Projects
- Servo-Mechanisms, relating to dynamic, internal aerodynamics, thermodynamics, and solid-state physics
- Materials Science
- Aerodynamics, relating to wind tunnel, research, stability and control
- Fluid State Physics—relating to fluid surfaces and fatigue
- Space vehicle and weapons system studies—of all types, including a vast range of scientific and engineering skills

300 Seniors Pick Up Portraits; Others Must Obtain By Mall

Three hundred seniors picked up portraits last Tuesday and Wednesday at the old Power House building while the commercial photographers who handled portraits in January were on the campus.

A fair number of mothers, sisters and sweethearts are going to be happy with the results," announced Al. Robinson, El. Ro Hope added that "there were a few seniors who had picked up their pictures and didn't stop by to pick up their pictures."

The company handling senior portraits at Cal Poly since 1960, has had a 95 per cent success rate on senior portraits that included three or four different studio pictures when representatives were on campus.

The portraits will be available for students to pick up from 1 to 5 p.m. on Tuesday 9, Wednesday 10 and Thursday 11, or from 1 to 4 p.m. on Friday, Friday and Saturday.

ała Hall"

I would like to suggest a service which you could perform, pertaining to the college song.

I joined the faculty of Cal Poly in September 1965. Since then, I have been in groups on three or four occasions where the college song was performed with rather limited success. In fact, I have been converted to an friend of the song.

I am convinced that if effective steps are not taken, the song will be completely lost. Without a group to play and sing it, such a song is not a song in our campus.

Therefore I suggest that the music and words for the school song be published in El Mustang.

Student Chance

For Study Abroad

San Luis Obispo Rotary club is looking for a student who qualifies for the Rotary Foundation Fellowship program which will provide at least one fellowship in this country, for the academic year 1968-69.

The program provides a full year of study in a foreign country. The student, who must be an American citizen, must have completed two years of college and must be in good academic standing.

Applicants must be sponsored by a Rotary Club in the United States, and must meet all Rotary eligibility requirements.

The Rotary Foundation Fellowship program offers married and unmarried students the opportunity to study in a foreign country for one academic year.

The amount of the fellowship is based on the cost of transportation from a Fellow's home to the city of study and return, registration and tuition fees, essential books and educational supplies, and living costs.

In addition, the student will receive a small stipend to cover incidental travel, within the country.

The obligations of a Rotary Fellow are to visit Rotary clubs in the country to which he is sent, to attend meetings of Rotary clubs, to give a talk to the Rotary club of his home town, and to help in the dissemination of Rotary ideals and principles.

Prospective candidates are invited to apply. The deadline for applications is April 1, 1968.

In the foreign country selected, the Fellow is expected to visit Rotary clubs and organizations, to gain an understanding of the culture and way of living of other cultures, and to learn how to understand and deal with people of all races and religions.

Royal Queen, she said, "I just couldn't believe it!"

Mary Halabian, a 20-year-old native of Tarnana, is a Home Rec-
ologies Education major. She says that when she heard that she was
to be a candidate for Poly Royal Queen, an engagement was being
announced in her dorm. "When I
learned the news about me, I almost
screamed," she says.

Jan Medadi, 22, is a Physical Education major from Santa Maria.
"I hope that Poly Royal will be as
good as it always has been.
It is a definite part of Cal Poly.
They go hand in hand."

Kay Smith is a 21-year-old Home Economics major from San
Luis Obispo. "I was startled when
I heard the news about me.
I would like to be a walking,
talking public relations program
for Cal Poly," she says.

Linda Webster, an Elementary Education major from Creston,
said, "I want this year's Poly Royal to be the biggest
celebration ever at Cal Poly."
AND DOWN GOES THE BEAK . . . Ed Scott of coach Tom Lee's Cal Poly football squad sends Willie Watts of the University of California's Golden Bears to the referee's chair after Watts, the Bears' TD, was felled by Cal Poly in their first round of play last month.

Bulldogs Beat Poly in CCAA 'Crucial' The Fresno State Bulldogs, who wrapped up the CCAA crown the night before by ousting San Fernando State 109-88, added a little frosting to the cake by downing the Cal Poly Mustangs to wrap up the CCAA crown tonight when they meet the Banana Slugs. Injury in the first half, who suffered a shoulder injury in the first half of the Mustangs' game, was the big man for the Mustangs, as he stuffed in 86 points to pace the Bulldogs. Mike McPherson dosed out 10 points in the first half.

Mike McPherson added to his collegiate career with an 86-71 loss to the Bulldogs in the first round of play last month. The Mustangs face a tough challenge in the first round of play at 8 p.m. tonight when they take on the Bears' TD.

EL MUSTANG Tuesday, February 27, 1962

 writes for the sports column at Poly, according to Carol Ross, editor. Short stories, poems, and essays, either serious or humorous, will be considered. They should be either sent to, Miss Ross at Box 34, Poly, or given to Mr. Ross at the Poly Main office at Eng. Bldg. The manuscripts will be prepared for publication during Spring quarter.

The following officers were elected at a recent meeting of Writers' Forum; Royd Williams, president; Tom Garland; treasurer; Becky Charlesworth, recording secretary; John Ellis, corresponding secretary; and Bob Wilson and Brian Wilkie, representatives to the Arts and Sciences council.

The Mustang cause was hurt by the loss of high scoring Bob Hurd, who was felled by the Printing and the Technical Journalism departments during the tour through the Graphic Arts building.

The President's List is published annually to honor those students who have earned a 3.0 grade point average in all studies at college.

A man with Alopecia Universals* doesn't need this deodorant

He could use a woman's roll-on with impurity. Mannen Spray was made for the man who wants a deodorant he knows will get through to the skin...where perspiration starts. Mannen Spray Deodorant does just that. It gets through to the skin. And it works. All day, More men use Mannen Spray than any other deodorant. Have you tried it yet? $4.45 and $1.00 plus tax

*Continuous lack of body hair, including that of the nose, armpits, face, etc.
