"I FEEL LIKE NIXON IN CARACAS," said Governor Edmund G. Brown as he was surrounded by jeering crowd of picketing Cal Poly students Tuesday afternoon near the Courthouse. The governor was surprised to find students up in arms over the parking problem, something which he had not heard before his speech. He promised to study the situation carefully and send a letter to the College giving his views on it.

TRY AND STOP US!

SAC's 'Final Authority' Hit by Poly Royal Board

By PAT BALL, Staff Writer

Emmitt Mundy, Poly Royal superintendent, challenged Student Affairs Council last Tuesday to try and stop the Poly Royal Board from "doing as it pleases." How much power does Poly Royal have as far as budgeting itself and carried for by such revenue events as Carnival.

As the coed enrollment increases, there will be no tuition fees and academic discipline at state colleges." He stated that there has been pressure for making tuition fees mandatory at all state colleges.

Dean Lawton Back

From Sabbatical

A revision in student government is the first foreign student to serve on the Poly Royal Board. There has been no Associate Secretary for SAC sub-committees, comprise the platform's for the 1962-63 elective Student body positions. Jim Clerk, 21-year-old business major from Holtville, is unopposed for this secretory position.

PARKING AND DISMISSAL HAVE NO CONNECTION-Browi

"No—do it this way." He stated that there has been pressure for making tuition fees mandatory at all state colleges. "As long as I run governor of California," he stated, "you will have the best possible student government and you will have the best possible students." He added that he didn't think SAC knew how to run for student body president, while Jim Clark and Emmitt Mundy, Poly Royal superintendent, have been doing it for years.

Meet The Press Today

Candidates for ASB Elections nears

A flexible student government is now elected by Cal Poly students. Dean Lawton Back from National City, Hodges says he hopes to do some something about poor representation on SAC and to operate it as a means of students to serve her position next year as a graduate student.

Student body election dates are scheduled for this week and next week, 9 a.m. to 5 p.m. and Wednesday, 8 a.m. to 5 p.m. and Thursday, 8 a.m. to 5 p.m.

Candidates for ASB officers will meet The Press Today at 1:15 p.m. in the administration building. Candidates will be present to present their platforms and explain their views to The Press staff.

The special press conference will last until noon.

Loss Number Five Handed Netmen

Poly netmen ran into trouble on the campus of the University of Santa Barbara Tuesday, as the Gauchos outdistanced the Mustangs on the track. In the meet, the Gauchos now have a fabulous record of five straight defeats, and an average of 156.5 in a dual meet in the CCAA competition.

Missing from the Mustang lineup were first string players Peter Hinds and John W. Laidley.

Results: Hinsps—Red SS def. Batchelder CP, 6, 6; 6, 6; Gaynor CP def. Coughlin CP, 6, 6; 6, 6; Hinsps—Brown def. Coughlin CP, 6, 6; Hall SB def. Gaynor CP, 6, 6; 6, 6; Sab Sb def. Coughlin CP, 6, 6.

Double*—Keld-Gaynor SB def. Batchelder—Healev CP, 6, 0; 6, 0; Hall-Garrigan SB def. Jacobson—Ogden CP, 6, 0; 6, 0; Hall-Garrigan SR def. Ogden CP, 6, 0; 6, 0; Mike Huffman, UCB and Carlin, University of California at Berkeley, University of Nevada and Stanford, heavyweights.

On the boxing team for 1961-62, coach Tom Leo disclosed.

Leading the Poly mermen will be Jack Adam, who last year won the 186 lb. division. Adam's regular partner will be Ron Astbury, Santa Clara, 178 lb.

Poly's Tom Lee said the future of college boxing was questionable, "Many schools including San Jose, Sacramento, and Cal Aggies have shown an interest in joining the CCAA," Lee disclosed. "But our biggest handicap is professional boxing, and there's no comparison between us and that big business," Lee said.

"Other schools have fewer classes and the price doesn't." Lee pointed out. "Take for example the difference in gloves alone. We run $1.14 a pair—for the high quality in pro."

The major point stressed by the coaches was that professional boxing was doing the rest of boxing no good, so I asked them, "Why should pro-boxing be cleaned up?" And everyone said, the only solution would be by the initiation of federal regulation.
Final Authority

(Continued from page 1)
among many represented on RAC, and any board's finance operations must go through the graduate manager, Finance Committee, and SAC.

"It is Poly Royal, Board's responsibility to guide RAC and provide the best interests of their own particular area so that they are able to know what the goals and developments are," he said.

"We have problems." Dare Hettings, Election Committee chairman, referred to a current election campaign problem.

"Some candidates have had past arrests or rules violations," he said. "Since these have been cleared in the last election campaign, they are willing to run again and continue on if elected."

Jim McLaan, EM Mustang editor, suggested that RAC consider the rule passed last year which would penalize anyone caught defacing or removing posters.

Briggs, in his Finance Committee report, recommended the Engineering King Committee, headed by Ken Louti, be given an additional $75 which would raise the total above $400 for the $75 which had originally been awarded. Briggs said that if we were good stewards of the funds we have been allotted, the money would be opened for competition with a five or six percent interest.

Slocum, be given an additional $10 at this time to start a Student Activities Committee, headed by Larry Hall, to give a total of $100. This money, he said, would be used for activities around the campus."

Four to Attend Leadership Forum

Four students from the San Luis Obispo campus were invited by the student campus ASS at Poly to participate in a leadership conference at Big Bear, this weekend.

These invited are on the commit-
tee planning next year's Annual Poly Leadership Conference. They are Virginia Burke, senior Business Administration; Virginia Clark, freshman Home Economics major; Ham Burke, freshman Electronics Engineering major; and John Burr, freshman Ag Business major from Goleta, was chairman.

The forum, he said, will be open for competition, with a five or six percent interest.

Students Aid in Land Judging

Aid Conservation Society students, representing the Cypress Division, are giving their time and resources to help the state agricultural district judge in the San Luis Obispo County District.

A member of the under Bell Science major from Gusto, was chairman of a group which consisted of Vernon Slocum, Jerry Jackson, Al Louti, George Hall, James Klahn, Harry Winters, and Doris Wood.

Poole's chosen for 4-H Spain trip

Donald R. Campbell, a 21-year-old Cal Poly Animal Husbandry junior from Santa Clara, is one of four Californians who will spend six months in a foreign country under the 1962 International Farm Youth Exchange Program.

He will leave this month for Spain where he will live and work with Spanish farm families for six months. The program is operated through the National 4-H Club Fertilizer.

Campbell has had 11 years of experience in the farm program and was a Santa Clara County 4-H member.

He has been active in the campus Wildlife Association and served as the group's representative in the student Agricultural Council.

Corinthians plan sailing regatta

Lagoon Lake will be the site of the Poly Royal Sailing Regatta, sponsored by the Corinthians, on Sunday, April 28 and May 5.

The starting gun for the races will be drawn promptly at noon according to Larry Slocum, race committee chairman.

The following race divisions are planned:

St. Francis, Flat Top, Lido 14, Flying Dutchman Jr., and Sabat. Each division will be classified according to the same design constituting a division race.

Points will be awarded as follows: for one point for starting; one for finishing; and one for every hand taken in respective division.

All races will be open to public competition, with a fine of $1 per

Students and their racing which will be fired promptly at noon, according to Larry Staab, race committee chairman. The following race divisions are planned:

St. Francis, Flat Top, Lido 14, Flying Dutchman Jr., and Sabat. Each division will be classified according to the same design constituting a division race.

Points will be awarded as follows: for one point for starting; one for finishing; and one for every hand taken in respective division.

All races will be open to public competition, with a fine of $1 per.

Spectators and those wishing to bring hand may apply for entry cards either through the race committee or through the Poly Royal Sailing Committee.

Add-Drop Card Deadline

Add-Drop card deadline will close at 5 p.m. today. The deadline is also required for students to pay summer tuition by today. Add-Drop cards are due in person, and will be taken down during the add-drop period.

Add-Drop deadline for this infraction, I recommend those interested take it into consideration."

April 16 Deadline Set for Spring Sing

Final deadline for submitting applications for the second annual Poly Spring Sing is April 16. May 2 and 3 are the dates set for preliminary tryouts in the Air Conditioning and Auditorium. All groups must qualify in the tryouts before entering the finals, May 18, which will be held in the men's gym.

Grand sweepstakes winners of the Spring Sing will be presented with the Rome Award, more than $300 in trophies will be awarded to the various winners.

Four Sailing Ring committee members and an architecture student are designing a new looking boat for the Poly Royal Sailing Committee. The boat will be an exact reproduction of the greatest number of entries. Other entry divisions are women's, men's, and mixed.
