Kickoff Dinner Sunday

The kickoff event of the Peace Corps will be held Sunday at the San Luis Obispo Dr. John T. Fesler Auditorium. The event will feature a dinner and speech by the Peace Corps' director, Dr. John T. Fesler. The Peace Corps is a volunteer organization that sends American citizens to developing countries to work on various projects, such as education, health care, and economic development. The event will provide an opportunity for Peace Corps volunteers to share their experiences and to connect with like-minded individuals. The dinner will be followed by a raffle to raise funds for Peace Corps operations.

Arrangements Near Completion To Put Instructors In Rhodes

Final arrangements are being made to send four Cal Poly Peace Corps instructors to the Eastern Mediterranean country of Rhodes, the third group sent there by the university. The instructors will be stationed at the University of Athens, working with the Peace Corps and the Rhodes government. The instructors will be assigned to teach English as a second language to students in the University of Athens. The Peace Corps stations instructor will also be responsible for organizing and facilitating cultural exchanges between American and Greek students.

Interfraternity Council Answers Dean Chandler On Page 2
SAC Approves Proposal For Senior Registration

Student Affairs Council has approved a proposal for a senior preferential system in course registration. The proposal was submitted Tuesday night by Vice President of Student Affairs, Bob Scott in hopes of eliminating some of the problems that have been a part of Cal Poly's registration procedures.

Reasons given for the proposal:

1. To give senior students preference over other students in course registration.
2. To help them make up courses which they may have missed because of illness or other reasons.
3. To give them the opportunity to take courses which are not offered in the junior year.

The preferential system suggests that senior students be able to reserve courses in junior year so that they will know the right time in which to attend registration. The proposal should be in the interest of the university because it will eliminate a lot of the stress and confusion that have been associated with the registration season.

Dairy Instructor Named To Fair Advisory Group

A dairy manufacturing instructor for the University of California, Berkeley, has been named to the Dairy Advisory Group by the American Dairy Promotion Board. The instructor, Dr. David S. Strickler, will be responsible for developing and implementing a comprehensive dairy marketing program.

Whale Of A Whale Display In Science Breezeeway Case

Display in the Science Building Breezeeway Case includes a model of a whale, a drawing of a whale, and a whale skeleton. The model is of a Humpback Whale, and the drawing is by B. Enriquez, a lecturer in the Science Department.

Ag Engineers Take Annual Field Trip

A trip to the Pacific Northwest was taken by the Ag Engineers at Cal Poly. The purpose of the trip was to see the different agricultural projects in the area. The tour included visits to several farms and a trip to the Seattle World's Fair.

Foreign Student Engineers Design Beirut Power Plant

Designing a hydroelectric power plant for the city of Beirut, Lebanon is the senior project for two foreign students at the Electrical Engineering Department. Dr. Abu Ali and Abdullah Badr are working on the project to design a better power system for the city of Beirut. They are working with the local electricity company to design a system that will be able to provide power for the city.

Engineers To Tour Bay Area Industry

Three-five members of the ASCE (American Society of Civil Engineers) will visit the Bay Area industry for a three-day tour. They will be touring the Bay Area to meet with local companies and discuss the latest trends in the industry.

Craftmen Initiate 5 Into Organization

Glorious was initiated in the Central Coast chapter of the American Society of Civil Engineers. The organization is the result of a merger of two smaller organizations.

Prospective Teachers Need Physicals

All prospective teachers must have physicals at the University of Southern California. The exams are conducted by the University's Health Center and are required for all students who are planning to teach.
