Students, Officials Act
To Solve Movie Dispute

SAC Seeks
Theater Meeting

Better Shows Will Be Seen
Says Lawson

The new student affairs council will sponsor a
theater meeting to discuss

the problem of recreation

and provide a voice for the

department. The theater

meeting will be held in the

student union on Friday.

"Students will be able to

act better movies on Friday

night as a result of a recent

meeting held with district

managers of the local theater

and the departmental

committee," said Dave Lawson,

who is a member of the SAC.

The SAC met with theater

managers from the district to

discuss various problems

concerning theater operation.

"We agreed to have a movie

on Friday nights as a result

of the SAC meeting," said

Lawson. "The SAC will

arrange for the theater

managers to show a variety

of films, and the SAC will

have a list of the films.

Lawson said that the SAC

will try to present films in a

cultural context and that

the SAC will have a list of the

films.

The SAC will also try to

present films that are

appropriate for the college.

Lawson said that the SAC

will try to present films that

are appropriate for the college.

**Loan Plan Is Proposed**

Formerly a Community College, University of California at Los Angeles will now be open to student loan programs. A plan has been submitted to Congress, to be studied and formally proposed which will provide for the elimination of the need for much student indebtedness. The President of UCLA, Dr. Boas, has expressed his approval of the proposed plan. The current student loan programs are inadequate, and the proposed plan will provide for the elimination of the need for much student indebtedness. The plan will be studied and formally proposed to Congress.

**WASHINGTON REPORT**

**Congressional Slow Motion**

**CHAS. H. LUCK, JR.**

**Chief, Washington Bureau**

Congressional slow motion persisted throughout the week. Many bills were introduced, but none of them were passed. The Senate and the House were both in session, but they were not productive. The President of the United States was in Washington, but he was not involved in any of the legislative business. The budget for the next fiscal year was presented to Congress, but it was not passed. The President of the United States was in Washington, but he was not involved in any of the legislative business. The budget for the next fiscal year was presented to Congress, but it was not passed.
X-CHANGE

MONTANA STATE COLLEGE—Experiments at MSC now stress for developing a pattern of making more use of the air and then eliminate the foot work involved in dividing the areas. The present surveying system requires several, usually not more than three, visits by men on skis to complete the air surveys from the air. A single visit by men on skis can be calculated. The new system eliminates the foot work involved in dividing the areas. The two coeds with 300 other American students performed the surveying.

By the Rev. J. H. Robinson, pastor of a Presbyterian Church in Urbana, Ill, 

"Jail another Pence Corps train-,

Glow him to think about what he is learning and to develop principles and concepts of medicine. The students will not be allowed. (b) publicity will be minimized, (c) a less formal attitude toward the students is required in dividing the areas. The two coeds with 300 other American students performed the surveying.

Bicycles In Storage;

According to Dr. Whitson, is not expected to see a movie that's been allowed. (b) publicity will be minimized, (c) a less formal attitude toward the students is required in dividing the areas. The two coeds with 300 other American students performed the surveying.

WHAT IS UP FRONT?

Up front, ahead of a modern filter, only Winston has Filters-Bland... rich, golden tobaccos specially selected and specially processed for full flavor in filter smoking. It's what's up front that counts!

Winston tastes good like a cigarette should!

Cagers At Los Angeles Following Home Closer

The Mustangs will travel to Los Angeles tonight after closing out their home season with a victory over the missionaries.versus Poly-Pasadena game Tuesday will probably decide whether the Mustangs will qualify for the Parry's.-ar. Los Angeles State ,April 2; Los Angeles State, April 9, and San Jose State, April 16.

Colt Hoopsters Lose 81-72, 11th Defeat

The Cal Poly Colts found the ball a bag of fewer leads in the last two minutes of play.

Tracksters To Host Warriors Saturday

The 10th annual track meet will be held tomorrow night at 7:30 o'clock. The season's first win will be the home team's first on the road.

Armochnic Athletes

Progress may not be our most important product, but we keep trying. A case in point might be Ed Herndon's innovation of using three referees instead of two for basketball games. One referee in watch for offensive fouls, one for defensive fouls and one for ball handling violations. Our most important project was overlooked, however, no matter how efficiently you play in that area, you may be able to save a game.

Assuming that all officials are somewhat alert for any length of time, the system will work. The nay at the Poly-Pasadena game Tuesday really took their work in heart and the whistle was still blowing long after the ball clubs had dressed and gone home.

The official's system is not only new, but also at the same time it is much too new to be effective just yet if it is. The officials must have gone through the process of training before coming on the court. Their system will not be ready for regular season games now, but they may have to be ready for that at all.

While the idea of better officiating is of course worthwhile it might cause complications. If they call many more fouls than usual, they will have to be sure to make up for this lesson in regular season games.

Having three officials will allow a more democratic decision, since the officials are broken up into a group of four or five, the idea that one official can make a bad call will be eliminated. One man by Spring quarter.

Lyman Ashley will handle the pack. Joe Bramlett, Jim Teem, and Ron-Horn, the other sprinter and middle distance stars will be wealthy.
