*Pilfering Parade*

A year ago a false report of a movie being screened without censorship spread like wildfire among Cal Poly students. As a result, the Student Council formed a committee to investigate the matter. However, the reports were later proven false, and the matter was dropped. Ever since then, the Student Council has been vigilant about ensuring that all movies screened on campus are indeed approved by the Student Council.

Why more people smoke Winston than any other filter cigarette.

Flavor does it every time—rich, golden, complex flavor that lasts.

Winston tastes good like a cigarette should!
Agriculture is inseparably related: Gough

by DAVID R. RYBACK
President, California Farm Bureau

Agriculture's land and crop yearbook, by Dan C. Phase, Agricultural Business vice president, California Farm Bureau, reveals the nation's crop and acreage has been under stucco houses and shopping centers. "About one of Every school district is tilled for a crop of fragrant orange and lemon blossom forever in this area," he said. "The average acreage of land under citrus production, however, rose from 7,000 acres in 1921 to almost $7 million in the same period in 1957, Gough said. "The number of acres under citrus is declining but the acreage contribution is increasing due to higher land prices, "he added. Gough said.

BANQUET SPEAKER

Economics, Engineering, Management Are Inseparably Related: Gough

by DAVID R. RYBACK
President, California Farm Bureau

The "interdependence" concept, which has been developed in the past few years by engineers and other scientists, is also being developed in the agricultural industry, Gough said. "The interdependence concept is the idea that one thing affects another, and that the two are not separate entities," he said. "The interdependence concept is also being developed in the engineering industry, Gough said. "The concept of interdependence is also being developed in the agricultural industry, Gough said. "The concept of interdependence is also being developed in the engineering industry, Gough said. "The concept of interdependence is also being developed in the agricultural industry, Gough said. Westmont Spikers

Thump Mustangs

Coach Walt Williamson's spikers suffered their first Mustang track loss ever to the Westmontians last Saturday on the local oval. The score was 34-20, with the Mustangs losing all three meets of the day. The Westmontians knew that they were in for a tough battle when Westmont coach Chuck Terence Hill commented last Wednesday that the Mustangs had to come to the track for three days straight and that he felt his team was a little tired from the road trip to Santa Monica last Saturday.

Westmont spikers had no problem whatsoever with the Mustang distance runners as they rolled to a 14-0 win with Bob Schiller leading the way in the mile and the 1000 yard. In the mile Schiller took the lead with 260 meter mark. He had a 31.3 second lead when he reached the last 100 meter stretch. The Westmontian runners could not keep up with the Mustang and finished 2nd and 3rd. Schiller crossed the finish line at 4:26 with Westmontian Bill Stafne (4:30) and Don Holcomb (4:39) coming in.

In the 1000 yard the Mustangs and Westmontians were well matched with the Westmont running a time of 2:36.3 bettered by Holcomb of Westmont in 2:36.3. Garry Walker was the third Mustang finisher in this event with a time of 2:47.8.

Field events were not as close as the track events, with the Mustangs taking the high jump with Pennisco walk off with a twin-bill both in the first frame and the second round.

Hicksmen Still

Cagcers, 84-72

Maurice Swin Meet

Won By Muir Hall

Muir Hall ended the intramural competition by winning the final league meet. Paul Johnson of Mustang Hall received the high individual honors with 149'8" feet, and Don Fields taking second place with 148'10" feet.

Maurice Swim Meet

Won By Muir Hall

Muir Hall ended the intramural basketball season by winning the final league meet. Paul Johnson of Mustang Hall received the high individual honors with 149'8" feet, and Don Fields taking second place with 148'10" feet.

Golfers Out-Shoot

Long Beach, 39-15

Wrestlers Are Champions

Peabody Hall's dual meet through much of the season, 157 and 148, gave the Mustangs a 15-3 win in a good hard fought match. The Mustangs were led by Bob Schiller's 8-0 win in the 100 yard, 38.9 seconds. At 225, the Mustangs were behind the Bears 4-2, but still won the match 16-4. The Mustangs also had the 3rd place finisher in the 110 yard with Ed Gilliom taking 3rd in 16.3 seconds, with flooded and Ted Bowerman in 2nd with 16.4 seconds.

In the 100 yard sprint the Mustangs had a 1-2-3 finish, with Paul Johnson finishing the first with 10.3 seconds, followed by Ron Hon and Rusty Ashley; Kolovich, Lonborg and Nowlin, Curl (6), Henry (8) and Ashley. The Mustangs won 11-5, 9-4, 14-0.
