**No Change In College,**
**Says Chancellor Dumke**

Cal Poly will continue to operate as a polytechnic college, according to Chancellor Dr. Glenn S. Dumke.

Dr. Dumke made the statement in reply to a question from the Student Senate's Oct 25, 1963, meeting. In the meeting, Mr. John A. McPhee, president of the Student Senate, asked Dr. Dumke for the administration's position on the issue of changing Cal Poly from a polytechnic college to a primarily liberal arts college.

Dr. Dumke stated that the college has special programs in the liberal arts fields, and that the college is supported by state colleges.

Dr. Dumke also said that the college's basic guidelines were established by state colleges.

The college's special emphasis in engineering, business, home economics, and agriculture is appropriate to bring the college on a 10-day tour of the Mexican experimental station at Calapa.

The group includes Walt Young, Agricultural Engineering; James Warren, Animal Husbandry, and Roy Killgore, Soil Experimentation in Mexico, Mexican experimental station at Calapa; the Agricultural Center for agriculture and an agricultural college.

Other stops may include coffee plantations and sugar mills.

The trip is supported by Dr. Thomas Pray, vice president for academic affairs, and Dr. E. C. Miller, dean of the college.

The meeting in the students' union will be held at 9 a.m. and return at 4 p.m. Lunch will be provided in the cafeteria.

**Student Affairs Council Approves New Points Code**

The Student Affairs Council approved a new points code for the spring term either Tuesday evening or Wednesday afternoon in the Student Centre.

The code was approved because of lack of information.

The code is to be used in conjunction with the Wisconsin High School, which was in use at the time of the meeting.

Dr. Dumke stated that the code is to be used in conjunction with the Wisconsin High School, which was in use at the time of the meeting.

The points code will be used for academic and extracurricular activities.

The Student Affairs Council recommended that SAC itself be used for academic and extracurricular activities.

**Official Fee Increase Election Results**

Some six weeks of debate and controversy were summed up in a crushing defeat of the badly compromised fee increase proposal here this week. In a campuswide election, ASB prepared a special election to determine whether the $28,260 budget proposed by the Student Senate would be increased by 10 per cent.

In the election, the proposal was defeated by 62.8 per cent to 37.2 per cent. The decision leaves the ASB in control of the budget.

Drama Festival Opens Tonight

The Drama Festival opens tonight with a performance of "He Done Her Wrong" or "The President's Cup." The second performance will be presented by the Student Senate.

Indian Student Heads ISC Group

By JIM GRENFAND

Vincent N. Senade, former vice-president of students for the Indian Student Centre of San Francisco State College, has been elected president of the institute.

Senade, who has been a student at SFSU for one year, is a senior at the college and is the first Indian student to hold this position in the Institute of Cambridge.

The Institute of Cambridge, which was founded over 50 years ago, is an organization that provides educational and cultural opportunities for students from all over the world.

Senade said he is looking forward to working with his colleagues to promote the interests of the Institute and to enhance the educational experience of its members.

He added that he is eager to collaborate with the Indian community in the Bay Area to further the goals of the Institute and to help promote a greater understanding of India and its culture.

The Institute of Cambridge has a long history of supporting students from a wide range of backgrounds and is known for its commitment to promoting diversity and inclusivity.

Senade's election as president marks a significant milestone for the Institute and is a testament to the dedication and hard work of its members.

He is committed to building on the Institute's legacy of excellence and to ensuring that future generations continue to benefit from its many programs and initiatives.

He looks forward to working with all members of the Institute to create a vibrant and supportive community that inspires and empowers its members to achieve their goals.

The Indian Student Centre, which is a chapter of the Institute, serves as a resource for students from India and encourages them to become active members of the SFSU community.

Senade encourages students from India to become involved in the Institute of Cambridge and to participate in its many programs and activities.

He believes that by doing so, they will not only enhance their own educational experiences but also contribute to the richness and diversity of the Institute and its community.

The Institute of Cambridge is committed to providing a welcoming and inclusive environment for all students and is proud to have Vincent N. Senade as its new president.

Senade's leadership will undoubtedly bring new energy and innovation to the Institute, and he is a valuable addition to its team.

The Indian Student Centre is excited to work with Senade and the Institute to continue to promote the values of diversity, inclusion, and excellence.

It is clear that Senade is a dedicated and passionate advocate for the Institute and its members, and the Indian Student Centre is confident that he will continue to make significant contributions to the Institute's mission.

As president, Senade will work closely with the Indian Student Centre and other student groups to ensure that the Institute of Cambridge remains a vibrant and dynamic community that is committed to excellence in education and cultural exchange.

The Institute of Cambridge is proud to have Vincent N. Senade as its new president, and it looks forward to a bright future for the Institute and its members.
CAHPER Nears Fourth Intramural Crown

North Facility and CAHPER were scheduled to meet in a weekend battle yesterday afternoon in the third round of the Intramural Softball. The tournament has long been a popular event among Cal Poly students.

Darwin McGill was named the most valuable player for his efforts in Wednesday's contest. McGill was the starting pitcher for CAHPER and went the distance, allowing only one hit. He also drove in two runs with a bunt double.
