**WHEAT REFORM UGMENTS FAILS**

Hyer Sees Decrease In Wheat Prices

Several administration officials have indicated that a U.S. wheat surplus is likely to develop this year. This surplus could cause the administration to intervene in the market to prevent prices from falling too low. The administration has already purchased millions of bushels of wheat to support prices. However, if the surplus continues to grow, the administration may need to purchase even more wheat to prevent prices from falling too low.

In this case, nepotism's a pretty good idea. But of course you've got to manage up to get it. To be admitted to Air Force Officer Training School, you've got to be a good student with skills or aptitude for use. Air Force OTS is an intensive three-month course leading to a commission as a 2nd Lieutenant. As an Air Force officer, you'll be a leader on the Aerospace Team and be a part of a vital aspect of our defense effort.

The Absurd Hero

By LYNN PROBLE

Set somewhere between the afterlives of an eastern religion and the earth, this play is a rejection of the romanticized image of a folk hero. The Poly boys are an archetypal folk hero group who are often romanticized, and the Poly Poly is a symbol of this. The play shows how these folk heroes are treated as a joke by society.

The play is a critique of the Poly Poly, who is often seen as a hero in society. The Poly Poly is not treated as a serious figure, and the play shows how this is different from the real hero of the story.

The play also critiques the way that society treats heroes, and how they are often used to distract people from the real issues at hand.
