**MINUTES OF THE**  
**ACADEMIC SENATE EXECUTIVE COMMITTEE**  
**Tuesday, November 8 2011**  
**38-114, 3:10 to 5:00pm**

- I. Minutes: The minutes of October 11, 2011 were approved as presented.
- II. Communication(s) and Announcement(s): none.
- III. Reports:
  - A. Academic Senate Chair: Fernflores announced that CAED dean, Tom Jones is returning to teaching. A search for a new dean will begin soon.
  - B. President's Office: Kinsley reported that Provost Kathleen Enz Finken, will begin February first.
  - C. Provost: Koob reported that the CSU is revising the enrollment target by including an enrollment floor (16,000 FTES) and a ceiling (16,800 FTES). There are penalties in the form of lost fee and tax support for falling below the floor but no additional funding is available from the state for the 800 FTES above 16,000. Current enrollment is 16,043 FTES. The future enrollment strategy will be to aim below the floor target and use various techniques to reach the target.
  - D. Statewide Senate: Foroohar reported that there is a high level of concern and frustration among statewide senators about top-down initiatives planned by the Chancellor's Office and the Board of Trustees with no meaningful consultation with the faculty. These initiatives including the Graduation Initiative, the Early Start Program, the SB 1440 (Star Act) community college transfer degree, and most recently the CSU on-line initiative. In response to the latest top-down action on the on-line initiative, the statewide senate unanimously approved a resolution "The Faculty Role and Campus Participation in the CSU On-line Initiative," which resolved that "the ASCSU strongly assert that the best on-line programs develop from faculty working in a quality assurance structure which adheres to department, college, and university curricular review procedures ...." Another resolution "Early Faculty Involvement in California State University (CSU) Initiatives," which was discussed as a first reading item and will return to the senate plenary for voting in January, states that "The pattern of announcing decisions and then asking for faculty help in implementing the initiatives is not what is meant by shared governance."  
LoCascio reported that the statewide senate had an extended two-hour meeting to express their concern about the lack of shared governance. The general mood was that faculty were not informed in advance of initiatives already set in motion at the Chancellor's level. The following issues precipitated the discussion: (1) the graduation initiative, which has spurred a discussion on changing the tuition structure of the CSU. (2) The passage of SB1440, which without adequate faculty input, has put the faculty in the position of trying to make an ill-

- conceived law work for students. (3) The “early start” program, which was mandated to begin this summer on each campus with a minimum of a one-unit class in English and Math. (4) The most disturbing issue, CSU on-line initiative.
- E. CFA Campus President: Thorncroft reported that CFA has authorized a one-day strike for Thursday, November 17 at East Bay and Dominguez Hills.
