U.S. physics teachers to meet at Cal Poly

Some entertaining lessons in physics will be served up with the ribs and radishes at the San Luis Obispo Farmers’ Market tonight (June 29).

The free demonstrations will be given from about 7 pm to 9 pm by some of the more-than-900 high school, junior college, and university physics teachers who will be in town for the annual summer meeting of the American Association of Physics Teachers.

The association, the largest international organization of physics teachers, will meet through Saturday, July 1, at Cal Poly.

The Farmers’ Market demonstrations are planned to include such circus-like tricks as lying on a bed of nails — with scientific explanations, of course — as well as in-costume impersonations of Galileo, Newton, and other greats of physics. Five or six different demonstrations are expected to be offered simultaneously.

Wilson on leave

Dr. Malcolm W. Wilson, vice president for academic affairs, will be on leave and on vacation until July 17. During his absence, Dr. William Rife, interim associate vice president for academic programs, will be acting vice president for academic affairs.

Ag management has new name

The Agricultural Management Department has a new name following recent approval by the Academic Senate and Acting Vice President for Academic Affairs William Rife.

The new name, Agribusiness Department, will be reflected in the next catalog of courses.

New president named

Bill W. Stacy, president of Southeast Missouri State College, has been named founding president of the new CSU campus in San Marcos. The 50-year-old university administrator is a former professor of speech communication. The San Marcos campus is scheduled to open in the fall of 1992.

Building construction to begin this week

Construction on the new Student Services Building is scheduled to begin this week. The site is the temporary Parking Lot C-8, at the corner of College Avenue and South Outer Perimeter Drive. This parking area has been used exclusively by faculty/staff and motorcycles, and the employee parking component will be relocated to Parking Lot C-2, directly south of Chase Hall. The motorcycle parking will be accommodated by expanding the existing motorcycle area in Lot C-4.

The new building will provide a permanent facility for Counseling, Testing, and Placement.

The construction site will be fenced for safety reasons. Employees are encouraged not to enter the site until the project is complete on or about mid-summer 1990.

Statewide council

Jim Considine, past president of the Cal Poly Alumni Association, has been elected to The California State University Alumni Council for 1989-90. He is a senior vice president for Ryder, Stilwell, Inc.
