State Board of Education President Outlines Education's 'Arduous Task'

By ALLENE CARMEN

San Luis Obispo, Calif. (AP) — The arduous task of changing American education was described by the president of the California State Board of Education as one that is filled with discomfort and problems. He said that the task is not simply the choice of teachers or the levying of taxes, but that education is a complex process that involves all levels of society.

The president, Braden, made the statement in an interview with the San Luis Obispo Tribune. He said that the task of education is to prepare young people for the future, and that this involves not only the choice of teachers and the levying of taxes, but also the development of a philosophy of education.

He said that the task of education is not simply to prepare young people for the future, but that it is also to prepare them for the past. He said that education is not simply a matter of passing on knowledge, but that it is also a matter of teaching young people to think for themselves. He said that education is not simply a matter of passing on knowledge, but that it is also a matter of teaching young people to think for themselves.

Russia Has Something—Bolshoi Ballet

BY NICHOLAS "SUPER"

Russia has something new this fall, through the efforts of Leonid Lavrovsky, the famous ballet impresario. The new troupe, the Bolshoi Ballet, is a group of young Russian dancers, who have been trained in the Bolshoi tradition, and who have already shown great promise in recent years.

The Bolshoi Ballet is composed of some of the most talented dancers in Russia, and their performances are always eagerly awaited. The company has been touring extensively in recent years, and has received critical acclaim wherever it has gone.

The Bolshoi Ballet will be performing at the Bolshoi Theatre in Moscow, and their performances are not to be missed. The company's repertoire includes a wide range of works, from classic ballets to modern pieces. The dancers' virtuosity and precision are always on display, and their performances are always a delight to watch.

The Bolshoi Ballet is a true representative of the Russian ballet tradition, and their performances are a testament to the enduring beauty and grace of Russian dance. The company's touring schedule is well worth following, and their performances are sure to be a highlight of any dance season.
Last Members Needed For Play, 'Antigone'

Keith Nielsen, English and speech, said there are still many people needed for the roles of chorus and guard. There are 30 roles in the forthcoming production of 'Antigone' by Sophocles. People are still open for many of the roles in the Physical Education Department.

Nielsen also said that there is a need for an additional role of chorus for the play. People interested in participating in the chorus can contact Nielsen in MSD 122 or Joan Patterson, Cotter Hall.

The play will be presented Feb. 22, 24 and 25 by the College Little Theater. Roles in the forthcoming production of 'Antigone,' a Greek tragedy, are still open for people interested in participating.

The Way I See It

By William C. Miller

Although Oil's athletic scholarship program can only serve a small percentage of the student body, it is still an important part of the athletic program. Many athletes receive a scholarship to attend college, which helps to support their athletic endeavors.

The Use of Tiger Oil

Tiger Oil has been used by many athletes to improve their athletic performance. However, the use of Tiger Oil has been controversial, with some individuals claiming that it gives an unfair advantage to those who use it.

The Benefits of Tiger Oil

Tiger Oil has been shown to provide many benefits to athletes, including improved flexibility, increased muscle mass, and reduced muscle soreness. However, it is important to use Tiger Oil as directed by a physician or athletic trainer.

The Future of Tiger Oil

The future of Tiger Oil is uncertain. Some athletes may continue to use it, while others may switch to alternative methods to improve their athletic performance. It is important to keep an open mind and consider all options.
