Fall Commencement scheduled for Dec. 9

Degrees and certificates will be conferred on 1,008 candidates during the 1989 Fall Commencement ceremonies on Saturday, Dec. 9, in the Mott Gym.

Two identical ceremonies will be held — one starting at 9 am and the other at 2 pm.

Degrees will be presented to 22 candidates for master's degrees, 982 candidates for bachelor's degrees and four candidates for two-year technical certificates.

Eight of the candidates will receive degrees with double majors.

The degrees will be conferred by President Baker, who will also deliver the commencement remarks.

Others scheduled to participate are the acting vice president for academic affairs, Dr. Phillip S. Bailey Jr., who will present the candidates, and vice president for student affairs, Dr. Hazel J. Scott, who will be the master of ceremonies.

Also on the program will be Ricardo Echeverria, who will speak for the university's students, and Dr. James L. Murphy, who will deliver remarks on behalf of the faculty.

Echeverria, president of the ASI, is a senior agricultural management major. Murphy is chairman of the Academic Senate and a member of the Industrial Technology Department faculty.

Music for the ceremonies will be provided by the University Singers, a mixed vocal ensemble. Dr. Thomas Davies of the Music Department is the choir's conductor.

About 700 of the degree candidates and some 6,500 members of their families and friends are expected to attend the ceremonies.

Candidates from the schools of Agriculture, Engineering, and Science and Mathematics will be recognized in the 9 am ceremony and those from the schools of Architecture and Environmental Design, Business, Liberal Arts, and Professional Studies and Education will be honored during the 2 pm ceremony.
