II. Communication(s) and Announcement(s): none.

III. Reports:
   A. Academic Senate Chair (Laver): The Academic Senate meeting for May 26 has been pushed back to May 19th due to the former following a Monday schedule. Due to the contract, there is money in the budget for giving faculty assigned time for exceptional service to students. The Academic Senate gets to determine criteria of how the assigned time is distributed.
   B. President's Office (Kinsley): The Vice President of Administration and Finance finalists will be on campus at the end of January and open forums will be held on January 16th, January 21st, and January 23rd. Any feedback about the candidates can be given to Keith Humphrey, Vice President for Student Affairs, who is chairing the search committee.
   C. Provost (Enz Finken): None of the three candidates for Associate Vice President for Facilities that were brought to campus were hired. A fourth candidate is currently being looked into. The optimizing IT study from last spring is putting together their committee.
   D. Vice President for Student Affairs (Humphrey): All Greek organizations are now on social probation due to sexual assaults and over intoxication at recent events. The organizations will stay under probation until a plan has been developed by students.
   E. Statewide Senate (Foroohar/LoCascio): Foroohar reported that there is a new Executive Vice Chancellor for Academic and Student Affairs, Loren Blanchard. LoCascio reported on his upcoming meeting where they will be discussing what math is needed upon entering the CSU as well as junior college bachelor degrees being offered.
   F. CFA Campus President (Archer): The CFA office has the breakdown of the faculty that voted on the ratification of the contract. Just a day or two before the vote closed, two-thirds of the votes casted were from tenure track faculty and a little less than 1/3 were lecturers. The CFA is unable to obtain the number of yes and no votes from the CSU.
   G. ASI Representatives (Sullivan): The facilities master plan is underway and will be holding focus groups on January 20-22. The goal is for 300 students to attend and provide their input. Sullivan is in support of the Greek organizations being put under social probation.

IV. Special Reports:
   A. Report on Optimizing IT Steering Committee: Sean Hurley reported on the Optimizing IT Steering Committee’s findings after reading the report provided by an
