New ASB Officers

Milton Kemp, an Electrical Engineering major, was named to the ASB position as President. Kemp, who replaces Steve Kenney, a chemical engineering major, was named to the ASB position as President. Kemp, who replaces Steve Kenney, a chemical engineering major, has been a member of the college's student government for two years. He served as the Student Senate President last year and as a member of the Student Senate for two years. Kemp has also been involved in campus activities, including serving as a senator for the College of Engineering and as a member of the College of Science and Engineering Council. He is a member of the IEEE and a member of the Electrochemical Society. Kemp has also been involved in community service, including serving as a volunteer for the local food bank and as a member of the local environmental group. His major is electrical engineering, and he plans to pursue a career in the field of renewable energy.

Kemp, Mattes, Wright Win Election

By M.J. McManus

The student body elected three new ASB officers, including Milton Kemp, who will serve as President, Samantha Mattes, who will serve as Vice President, and Brian Wright, who will serve as Secretary. The election was held on May 24, and the results were announced on May 25. Kemp, Mattes, and Wright were all running for re-election, but the vote was too close to call, so the election went to a runoff on May 26. Kemp won the runoff by a narrow margin, and was named to the position of President. Mattes and Wright were named to the positions of Vice President and Secretary, respectively. The election was a close contest, with all three candidates receiving a significant number of votes. Kemp, Mattes, and Wright were all popular with the student body, and they are expected to bring new energy and ideas to the ASB.

College Flower Judging Team Named Intercollegiate National Champions

The Cael Poly Flower Judging Team, under the direction of John Mathes, was named the Intercollegiate National Champions for the second time in its history. The team, which includes four members, competed against teams from other universities across the country. The competition is held annually, and the winning team is awarded a trophy and a cash prize. The Cael Poly team's victory was a testament to their hard work and dedication, and their success is a source of pride for the college and its students.

Royal's Hopes For Future

With less than two days before the big event, everyone was looking forward to the upcoming Royal's Rodeo, scheduled for April 27. The event is one of the most anticipated events of the year, and the anticipation was palpable in the air. Royal's, which operates a popular restaurant and bar on campus, is hosting the event, and the excitement was evident in the enthusiasm of the students and staff.

Carpet Stolen; Return Please!

A unique project of the Student Senate, a $1,000 carpet, was stolen from the building. The carpet was purchased with the student senate's funds, and it was a significant loss for the organization. The student senate is currently working to replace the carpet and recover the funds lost.
Events Continue Despite Heat Wave

By DONNIEL DUGGAN

A kickshaw of color can be easily seen on campus on a sunny spring morning like this, bringing spring fever to those students and leg fever to others. Rich browns, blue and off-white are used to create this picture, a picture that is more like the face of the season than the face of the students. Rich browns, blue and off-white are used to create this picture, a picture that is more like the face of the season than the face of the students.

Improved Machine Ready To Print

Students requesting duplication of their work from the Records Office on a sunny spring morning like this, bringing spring fever to those students and leg fever to others. Former Students Safe After Alaska Quake

Two former Cal Poly students, wounded in the 4.9 earthquake, had been discharged from the hospital. They were wounded when a tremor struck the area.

Vegas Night Praised

Chamber of Commerce sponsored Las Vegas night was praised after students voted to have the party again. The event was held in the Student Union, and featured traditional las vegas style entertainment and food. The atmosphere was described as exciting and fun, with many students attending.

Students Insulted

While the editorial staff of the student newspaper was pleased with the success of the event, the students themselves were not. Many students felt insulted by the way they were treated, and felt that their voices were not being heard.

The importance of adding a touch of humor to the work done by the student newspaper staff was stressed by the editor. The editor said that the staff should not be afraid to be creative and have fun with their work.

When you are given an objective task, “It’s no fun,” the editor said. “You don’t know what you’re doing.”

When general editors are appointed: “What do we learn? We know all that before we took the course.”
Ability to earn and opportunities in the foreign service for Poly students is an alternate. Joe Kitagawa will help Poly to prepare for the interview and teach the Japanese language. He will speak at the annual Poly language dinner on May 18.

MUSTANG Ovalen Host 

UCSB in Season Final

The UC Santa Barbara Gauchos provided the first dual meet opposition for the Mustang track squad to 1,300-visitor turnover Thursday at the local oval.

The Gauchos have barely been served since the Mustangs last fired flack and are also dope point-underdogs in the first of 12 "Back to the Gauchos" track meets for the Gauchos and Rusty Barrick team in a triangular with UCSB and Caltech.

Since then, Jack Brodlie mopped Citrus College on the Gauchos, has had the rust out of his troops, and has improved his track and field marksmanship.

Other top men for the Gold Coasters (10-0-2) were Mike Young, 100 and 200, a 900-yard runner (1:53.2), and Don Keifer in the discus.

Barrett ran 5600 meters in 15:42, the following week's performance.

The Mustangs have won both track meets when the track and field men beat UC Santa Barbara tomorrow.

Racketmen Wipe Out 
Westmont, Fresno

The Mustang tennis team headed by Bill Zajaczkowski, powered new Mustangs in Wednesday 6-3, 6-0 with a 3-1-0 record to date, beating Westmont Thursday.

The Mustangs have won both track meets when the track and field men beat UC Santa Barbara tomorrow.

Colts Divide Two Games

The Cal Poly Colts split their pair games last weekend, beating Ventura College 1,011-88 in the league.

The Greens and Gold managed to split the West Valley College 1-7, 1-7, but failed to find a service condition.
