ChapStick goes along!

"When I get a break from the paperwork, I take a walk on the beach. I love to walk on the beach, then I go back and do my paperwork."

Please tell us about your interest in the College of California, Yorba Linda, and any other preferences you may wish to attend.

When Bob Goalby was walking for Chapman College, he would often use a chapstick to apply to his mustache. The chapstick became his trademark, and he would often be seen with it during games and events.
