Leading Scientologist to Talk at Cal Poly Feb. 12

SAN LUIS OBISPO – The Rev. Lee Holzinger, one of the leaders of the Santa Barbara Church of Scientology, will give a presentation on campus at 7 p.m. Thursday, Feb. 12, in the Science Building North, Room 215.

Because of Scientology's celebrity adherents, the public often hears bits and pieces about Scientology, but what do they actually believe? Who is L. Ron Hubbard? What is Dianetics? How can the "e-meter" measure your personality? What does it mean to say that our goal is infinite survival? What is "The Clear"?

Holzinger will answer those questions and more. He has been a part of Scientology for more than 30 years and has become one of its most effective spokespersons.

The talk is free and open to the public. It is sponsored by the Cal Poly Theisms-A RELS club. For more information contact Stephen Lloyd-Moffett, 805-756-2475 or slloydmo@calpoly.edu.
