Walker named head of Athletics Dept.

A former professional athlete has been named director of the university's intercollegiate athletics program.

President Baker has asked Dr. Kendrick W. Walker to lead the athletics program after serving as interim director since January 1985.

Walker served as faculty athletic representative for three years before being named interim director. He succeeded Dick Heaton who resigned in 1984.

A Southern California native, Walker was a star athlete in high school. He won a baseball scholarship to USC, and during his undergraduate days he helped the Trojans to two Pac-8 championships and a national title.

He was signed by the Los Angeles Dodgers in 1965, and the shortstop was teamed with roommate Jim Lefebvre as a future big league double-play combination.

An injury ended Walker's chances of playing at Chavez Ravine. However, while working on two advanced degrees at USC he served as coach of the freshman baseball team.

Walker joined the Cal Poly faculty in 1973 and became head of the Philosophy Department in 1978. Two years later he was one of the recipients of a Distinguished Teacher Award.

dinner, a live auction, a show by The Drifters, and dancing until midnight.

Ron Regier, director of the Cal Poly Center for the Arts, said a few tickets remain. Proceeds will go to quality programming that will serve the campus and the community.

Long-time residents Gerry and Peggy Peterson will receive the President's Award from President Baker. The Petersons have a history of involvement in the local arts community as well as strong ties to Cal Poly.

Gerry Peterson was the first student in the university's Electronics Department after World War II and then joined the teaching faculty. Peggy Peterson earned a teaching credential at Cal Poly.

The other major award will go to Lori Vix, head of the ASI Program Board. She will be honored for her cultural contributions to the campus.

The evening will begin at 6 pm with a reception and silent auction. A gourmet dinner will follow at 7 pm. After the awards ceremony, the live auction will be held.

Tickets for art$alute '88 are $50 per person. Seating is on a first-come, first-served basis. To order by credit card, call the Center for the Arts, ext. 6556. Tickets also may be purchased at the Theatre Ticket Office from 10 am to 4 pm on weekdays.

The 'Diamond Head Series' to be shown

A series of fine art prints by noted Hawaiian artist Laura Ruby will be on display from Friday, April 30, through Saturday, May 21, in the UU Galerie. "The Diamond Head Series" prints highlight Diamond Head, the ancient promontory in Honolulu.

Ruby uses a variety of mixed media to profile the cultural history surrounding Diamond Head. She sees a sharp contrast between the astonishing physical beauty and peacefulness of Diamond Head, and the numerous 20th century military structures - concrete bunkers, remnants of gun emplacements, funnels, and hidden stairways throughout the crater.

The series also alludes to the mythological origins of the Hawaiian people; their emblematic bringer of peace, Lono; and their warrior god, Ku.

Ruby's art work has been displayed in many galleries including the Utah Museum of Natural History, the Carmen-Pansanti Gallery in Redondo Beach, the Wailea Art Gallery in Honolulu, and the Honolulu Academy of Arts.

She will be traveling from Hawaii to appear at Cal Poly in conjunction with her exhibit. An artist's reception will be held in the Galerie on Friday, May 13, from 5-7 pm. Refreshments will be served. The reception and lecture are made possible by Lottery Education Funds for Distinguished Visiting Artists.

Viewing hours for the Galerie are Monday through Wednesday, 10 am to 5 pm; Thursday, 10 am to 6 pm; Friday, 10 am to 4 pm; and Saturday and Sunday, noon to 4 pm.

The Galerie is operated by the ASI.
