Spring ceremony will honor 3213

Diplomas will be conferred on 3213 students during Cal Poly's 1988 Spring Commencement at 10 am on Saturday, June 11, in Mustang Stadium.

Candidates include 143 for master's degrees, 3030 for bachelor's degrees, and 21 for technical certificates. Nineteen of the candidates will receive degrees with double majors.

Conferring the degrees will be President Baker. Alvin W. Trivelpiece, executive officer of the American Association for the Advancement of Science, will deliver the commencement address.

Also scheduled to take part in the commencement are Vice President for Academic Affairs Malcolm W. Wilson, who will present the candidates, and Vice President for University Relations James L. Strom, who will give a greeting on behalf of alumni.

Others on the program will be the new Dean of Students Hazel J. Scott, who will introduce the special guests; Stanley O. Van Vleck, who will speak for the university's students; and Dr. A. Charles Crabb, who will deliver remarks on behalf of the faculty.

Van Vleck, ASI president, is a senior agricultural management major, and Crabb is chairman of the Academic Senate and a member of the Crop Science Department faculty.

Also on the program is recognition of Dr. Kenneth A. Hoffman of the Physics Department, who is one of two 1988 Outstanding Professors designated by the trustees of the CSU.

Hoffman will share the spotlight with Cal Poly's Distinguished Teachers for 1987-88. They are Dr. James Mueller of the Math Department; Dr. Ronald S. Mullisen, Mechanical Engineering; and Robert G. Reynolds, Art and Design.

Music for the occasion will be provided by the Symphonic Band under conductor William Johnson of the Music Department faculty.

Other activities will include an initiation ceremony for new members of the Phi Kappa Phi national honorary society and the Chicano Commencement, which recognizes the achievements of Chicano students who are graduating.

About 2,500 of the degree candidates and some 13,500 of their families, friends, and teachers are expected to attend.

In addition to the Cal Poly candidates who will be honored, bachelor's and master's degrees will be conferred on eight candidates who are completing their studies through the Statewide Nursing Program of the CSU.

Bruinsma resigns

Theodore A. Bruinsma, a member of the CSU board of trustees since 1986, has resigned. He heads University Technology Transfer Inc., a Torrance-based investment firm.

Officers elected to Foundation board

Howard West, associate vice president, was elected chairman of the Cal Poly Foundation board of directors. He has been a member of the board since 1980.

Also elected were Lark P. Carter, dean of the School of Agriculture, and Lezlie Labhard of the home economics faculty. Carter was named vice chairman and Labhard was elected secretary-treasurer.

In other business during the meeting, Y. Leon Maksoudian of the physics faculty and Hazel J. Scott, dean of student affairs, were elected to serve three-year terms on the board.

George H. Soares was reappointed to a one-year term as the public member of the board. Soares is an alumnus of Cal Poly and an attorney with offices in Hanford and Sacramento.

The board of directors provides policy direction for operations of the Foundation, a separate legal entity that operates as an integral part of the university under procedures established by the trustees of the CSU.

Poly Royal board

Twelve Cal Poly students were elected members of the Executive Board that will lead the preparation for the 57th Poly Royal.

The newly-elected superintendent is Mark Gorney, a senior computer science major, who will be responsible for overall management of the event. Teana Suggs-Chandler, a senior in aeronautical engineering, is the new vice-superintendent.

CPR schedule

This is the last issue of Cal Poly Report for Spring Quarter. The first issue of Summer Quarter will be June 23. Additional summer issues will be published on July 7, July 21, Aug. 4, and Aug. 18. The first issue of Fall Quarter will be Monday, Sept. 12. Copy is due at Public Affairs, Adm. 206, a week before the publication date.
Who, What, When, Where?

Dwayne Head, Physical Education and Recreation Administration, presented a paper, "Current Status and Trends in Faculty Development," at the National Conference of the American Alliance for Health, Physical Education, Recreation and Dance in Kansas City, MO.

Richard J. Krejca, Biological Sciences, presented a paper, "On the Affinities of Conodonts," at the annual meetings of the Western Association of Vertebrate Paleontologists, held at Cal Poly, and to the faculty and graduate students at the University of Washington's Friday Harbor Marine Biological Station, San Juan Island, Wash.

Eric Johnson, Art and Design, had two pieces from his series, "Scenes of the Pacific War," selected for inclusion in the national juried exhibition, Illuminance '88, at the Fine Arts Center, Lubbock, Texas.

Lou Harper, Crop Science, presented a paper, "Field Trials in Trueness to Type Trials," at the biennial meeting of the Seed Industry Conference at Woodland, Calif.

Doug Williams, Ag Engineering, and Joe Montecalvo, Food Science and Nutrition, were awarded a research grant for $43,340 by the California Fresh Market Tomato Advisory Board. The title of the study is "Disposal of Cull Tomatoes."

Katharine Barthels, Physical Education and Recreation Administration, gave a presentation on Biomechanical Analysis of Movement Skills at the Kinesiology Academy's annual symposium in Kansas City, MO.

Willi Coleman, Student Life and Activities, chaired a panel of papers on masculinity and gender in 19th century America for the Western Association of Women Historians' 19th annual conference.

William Alexander, Political Science, was the invited speaker on "International Food Security" for the Associated Students at UC Santa Barbara.

Barbara Weber, and Lezlie Labhard, Home Economics, had their paper, "Senior Thesis: An Innovative Curricular Requirement to Expand the Knowledge Base on Special Needs Clothing," accepted for presentation at the fourth national conference on clothing for People with Special Needs at Tuscaloosa, Alabama. Weber presented the paper at this conference, which was jointly sponsored by the University of Alabama and Disabled Living Foundation, London, England.

Charles Slem and Daniel Levi, Psychology and Human Development, and Andrew Young, CIM Center, co-authored a paper, "Implementing Automation: Changing Threat to Opportunity for the American Worker," and presented it at the 68th annual convention of the Western Psychological Association in Burlingame.

Lynn Jamieson, Physical Education and Recreation Administration, is the co-author of a new book, "Introduction to Commercial and Entrepreneurial Recreation!" Sagamore Publishing is the publisher.

Barbara Weber, Home Economics, was the invited speaker for the Tres Condas Council of Girl Scouts leader training meeting in Santa Barbara. Her topic was "Communication and Training Techniques."

Alurista, Foreign Languages, gave a poetry recital, "An Evening with Amiri Baraka and Alurista," at UC Berkeley's International Center.

Russell M. Cummings, Aeronautical Engineering, has been awarded a National Research Council Associateship to conduct research at the NASA Ames Research Center, Mountain View, during the 1988-89 academic year. The work will include computation of high-angle-of-attack aerodynamics for the F-18 jet fighter, and will be conducted at the Numerical Aerodynamic Simulation Facility using a CRAY 2 Supercomputer.

Doug Williams, Ag Engineering, gave a presentation, "Anaerobic Digestion of Vegetable Wastes," at the Fifth International Symposium on Anaerobic Digestion held in Bologna, Italy. The paper was co-authored with Joe Montecalvo, Food Science and Nutrition.

Ralph Nicovich, Information Systems, presented a paper, "From XNS to TCP/IP (on SLONET)," at the Ungermann-Bass Net/One Users Group conference in New Orleans.

The paper was co-authored by Mei-Ling Liu, also of Information Systems.

William Little, Foreign Languages, had an article, "Baudelaire and Don Juanism: A New Configuration for an Old Myth," in Tirso's Don Juan: The Metamorphosis of a Theme published by The Catholic University of America Press.

Mike Blum, Graphic Communication, presented a paper, "Exploring the Capabilities of PostScript in Generating Color Images," at the Technical Association of the Graphic Arts annual conference in Chicago.

Craig Russell, Music, delivered a paper, "The Eight Modes as Tonal Forces in the Music of Luis Milan," at Stanford University for the joint meeting of the Northern California and Pacific Southwest Chapters of the American Musicological Society.

Joe Weatherby, Political Science, was elected chairman of the Model United Nations of the Far West Association for 1990 during the annual meeting held in Regina, Saskatchewan, Canada.

Robert A. Lucas, Graduate Studies, Research and Faculty Development, had an article, "Indirect Costs" published in the June issue of Grants Magazine.

Stan Dunond, Philosophy, and Tom Ruehr, Soil Science, presented a symposium on Applied Ethics in Agriculture at the annual meeting of the California Association of Farm Advisors, Arroyo Grande.

Kathy Fagan, English, has been granted a six-week summer residency at the Macdowell Colony, an artist's colony in Peterborough, NH.
Faculty promotions announced for 1988-89

President Baker has announced the promotion of 40 academic employees effective in the 1988-89 academic year. The promotions include 28 to the academic rank of Professor and six to Associate Professor.

President Baker extended his congratulations and appreciation to the following faculty members receiving promotions (listed by school in departmental alphabetical order):

PROFESSOR:

SCHOOL OF AGRICULTURE —
Joseph Montecalvo (Food Science and Nutrition); M. Stephen Kaminaka (Agricultural Engineering); Robert E. Walker (Agricultural Engineering); Brent G. Hallock (Soil Science); James R. Vilkitis (Natural Resources Management); and Douglas W. Williams (Agricultural Engineering).

SCHOOL OF ARCHITECTURE & ENVIRONMENTAL DESIGN —
Sandra D. Miller (Architecture) and Roger J. Osbaldeston (Landscape Architecture).

SCHOOL OF BUSINESS —
Mary Beth Armstrong (Accounting); George L. Beardsley (Economics); Harold R. Miller (Accounting); and Lee B. Burgunder (Business Administration).

SCHOOL OF ENGINEERING —
Ahmad Nafisi (Electronic & Electrical Engineering); Arthur F. Dickerson (Electronic & Electrical Engineering); Shan Somayaji (Civil and Environmental Engineering); and Charles H. Dana (Computer Science).

SCHOOL OF LIBERAL ARTS —
Craig H. Russell (Music); Joanne B. Ruggles (Art and Design); Odile Clause (Foreign Languages); Henry Wessels (Art & Design).

SCHOOL OF PROFESSIONAL STUDIES AND EDUCATION —
Gary G. Field (Graphic Communication); Elaine E. Holder (Psychology & Human Development); and Susan L. McBride (Education).

SCHOOL OF SCIENCE AND MATHEMATICS —
John F. Marlier (Chemistry); Michael G. Silvestri (Chemistry); Kent E. Morrison (Mathematics); and Don P. Rawlings (Mathematics).

ASSOCIATE PROFESSOR:

SCHOOL OF AGRICULTURE —
William C. Kellogg (Agricultural Education); and Michael W. Lund (Animal Sciences and Industry).

SCHOOL OF LIBERAL ARTS —
Gloria V. Trevino (Foreign Languages); Robert L. Inchausti (English); Stephen W. Ball (Philosophy); and Alberto H. Urista (Foreign Languages).

Architecture students 1, 2 in competition

Two Cal Poly architecture students won a statewide “Housing in the Year 2000” design competition sponsored by Great Western Real Estate. William F. Roberts, a fifth-year senior also majoring in construction management, was awarded $1,000 for his plans for an all-steel, energy-efficient and affordable single-family detached home of the future.

Classmate Stephen P. Morton, also a fifth-year senior, received the $500 second prize for his rendition of a single-family home with extended central hallway and detachable satellite bedrooms, bathrooms and other living quarters.

The competition required students to design a single-family detached production home on a 5,000-square-foot lot for a four-member family of the future. It was open to all architecture students attending any college or university in California.

1988 faculty, staff retirees announced

The following faculty and staff have indicated (as of 6-3-88) plans to retire this year.

William Alexander Political Science
Robert Asbury Architecture
Shirley Backer Foreign Languages
William Backer Engineering Tech.
Karl Bakken Ag Education
Delores Bennett Evaluations
Richard Birkett Animal Sciences
Charles Boling Athletics
James Booth Biological Sciences
Richard Busch EL/EE
Jerald Budoff Housing & Conf.
Donald Coats Educational Services
Robert Coe Management Dept.
Wesley Conner OH
August DeJong Counseling Office
James Emmel Speech
Frank Fox Animal Sciences
Altha Freeman Evaluations
Constance Gray Bio. Sciences
Charles Haskell Mathematics
Roy Hollstein Computer Science
Robert Hooks Animal Sciences
Esther Iglesiass Philosophy
Gloria Jameson English
Starr Jenkins English
Rodney Keif Mech. Engineering
Roger Kevins Theatre and Dance
Dewey Large Plant Operations
Thomas Lee PE and Rec. Admin.
Robert Lint English
William Michaud Ag Management
Donald Morgan Indus. Engin.
Frances Parker Home Economics
Herrietta Perry Art & Design
Curtis Piper Soil Science
John Raring Audiovisual Services
Mildred Roske Home Economics
Helmut Schleicher Construction
Kenneth Schwartz Architecture
Jesse Shepherd Plant Operations
James Stacy Audiovisual Services
Dorothy Stechman Library
Bessie Swanson Liberal Arts
James Tseng EL/EE
Edith Welter Business Affairs
John West School of Agriculture
James Withers Arch Engineering
John Wordeman GrC
Marshall Wright Chemistry
Don Yale Management Dept.
Dateline
FRIDAY, JUNE 10
Concert: The Symphonic Band, Chumash, 8 pm. ($) 
SATURDAY, JUNE 11
Commencement: Spring Commencement, Stadium, 10 am.

Position Vacancies
Vacant staff positions at Cal Poly and the Cal Poly Foundation are announced in this column and are posted outside the respective offices. Contact those offices (State: Adm. 110, 805-756-2236) — Foundation: mobile unit near the Fire Department (805-756-1121) for applications and additional position details. Both Cal Poly and the Foundation are subject to all laws governing affirmative action and equal employment opportunity. Cal Poly hires only individuals lawfully authorized to work in the United States. All eligible and interested persons are encouraged to apply.
CLOSING DATE: 7-15-88
Lecturer A/B (full-time) for 1988-89 academic year, Physical Education and Recreation Administration Department (Aquatics). Primary responsibilities include teaching advanced lifersaving, W.S.I., adapted aquatics, and all levels of swimming. Ph.D. is preferred; Master's degree in PE or related field and Bachelor's degree in PE required. Must be preferred. Application, resume, certifications, transcripts, and 3 letters of recommendation must be received by closing date.

Cal Poly Meat Lab
The Cal Poly Meat Lab has halves of beef ($1.35/lb.), halves of pork ($1.05/lb.), and whole lambs ($1.85/lb.) available for purchase. Discounts are available on multiple purchases. For orders and information, call Matthew (ext. 2114), M-F 8 am-noon. The Meat Lab will be open during Summer Quarter.

Photo ID services
During Summer Quarter, Photo ID services will be available Monday through Friday, noon-4 pm, in the Photo ID Office, Admin. 208. Students should first pay the $5 fee at the cashier's window (Admin. 131E) and present the receipt to the Photo ID staff. A temporary ID will be issued. Three to four weeks later, permanent ID cards will be available.
New faculty and staff should obtain a temporary ID from the Payroll Office. The fee will be paid by the respective departments. Permanent ID cards will be forwarded to the new employees. If you have any questions, please contact Student Affairs, ext. 2614.

Exhibit extended
A national feature on Julia Morgan has generated so much interest that the exhibit, in the Special Collections department of the library, has been extended through Sept. 30.
The New York Times recently published a lengthy article on Morgan and her work, and mentioned the Cal Poly show, "Julia Morgan, California Architect: An Exhibition."
The exhibit highlights the library's extensive Julia Morgan Collection. It is open to the public, Monday through Friday, 9 am to 4 pm. The Special Collections Dept. is located on the fourth floor (Room 409) of the library.
