It appears as though the conservative influence on this college has spread itself over every three " liberal" students who were moved to protest against the forces that be. But last Tuesday on the BCC-100 field, some 80 students tried to make it known that they were against the shifts in Fort Han. Though their numbers, though certainly great, were not nearly so great as those who demonstrated, the mood of the groups was the same: They should be compensated for the injury and misconstrued treatment in which they were conducted themselves.

The word "injury" is used with care. They seem to let it beheld that they were not in agreement with S. P. in town for Han. They made sure, news media of various sorts covered the happening. It is probable that all the Poly students are concerned and fighting the "New Left" is beginning to make itself known on this campus.

In a conservative way, Joe Fennings, Managing Editor

**Campus Capers**

It's a happening

**Mercury Films of the West** and **church department** are screening the picture **Hitchcock's** for free on Monday morning in the church auditorium.

Paul Goodman, manager of the church department, said, "Hitchcock's** is free for anyone interested in attending. However, students and teachers who wish to attend should come early because seating is limited."

Goodman said that the film will begin at 9:00 a.m. on Monday morning and continue until 11:00 a.m. or until all interested viewers have had the opportunity to view the film. He encouraged anyone with an interest in the arts or film to attend and take advantage of this opportunity to experience the work of one of the masterpieces of cinema history.

For more information, please contact the church department or visit their office during business hours.

**News for 1966-1967 Engineering Graduates**

- Continued expansion of our military and commercial business
- Provides openings for virtually every technical talent.

As you contemplate one of the most important decisions of our life, we suggest you consider career opportunities available at Pratt & Whitney Aircraft. Like most everyone else, we offer all of the usual "singer" benefits, but offering a Corporation-Financed Graduate Education Program. But, for even more important to you and your future, is the wide-open opportunities for professionals: growth in a company that enjoys an excellent record of stability in the dynamic atmosphere of aerospace technology.

And make an extra effort, if you can, to get a solid foundation of education from your contributions to our nation's economic growth and to your national defense as well.

Your degree can be a B.S., M.A. or Ph.D. in Mechanical, Electrical, or Industrial Engineering.

For further information concerning a career with Pratt & Whitney Aircraft, consult your college placement officer or write Mr. William L. James, Customer Relations Department, Pratt & Whitney Aircraft, East Hartford, Connecticut.

---

**Surfing Film**

Bruce McMillan, director of the club, mentioned that a surfing film, "The Surf's Up," will be shown on Friday, March 10, at 9:00 p.m. in the Union. The film is a 16mm color film about surfing in the United States and it will be played for the group.

McMillan said the club is interested in having some commentary added to the film, possibly in the form of a dialogue or commentary track. He encouraged any members or guests who are interested in participating to contact him.

---

**Trends in Clothing**

All students are invited to attend the fashion show, "New Left," of the Clothing Department on Thursday, March 9, at 8:00 p.m. in the Union. The show will feature a variety of clothing styles that are currently popular on campus.

A group of fashion students will present the designs, and models will walk the runway in the latest trends. The show is open to all students, and admission is free. A dance is scheduled to follow the fashion show, and refreshments will be provided.

El Mustang was born on February 25, 1907.
Local girl given regal honors at Military Ball

A local girl was chosen queen of the Military Ball to a music tap-tap-tap and all of the residents present.

Point 1: It may be seen that the motion was carried, and the reason for this unusual vote was stated.

Point 2: This item was not worth the #17 paid for their ASL books by the student body. Terry accepted the motion. Terry accepted the decision to purchase, however, as the traditional way to purchase books has been the accepted method. His pictures will be within the yearbook, one that will be worth the price they pay for it.

Point 3: The burden of responsibility was to be the student's own. Terry accepted the motion. Terry accepted the decision to purchase, however, as the traditional way to purchase books has been the accepted method. His pictures will be within the yearbook, one that will be worth the price they pay for it.
