Editors of speech are a right that has been guaranteed by our Constitution. Speech has been made possible by men who were free to express what they thought and felt about the nation they were creating. It is the right that many people have difficulty in acknowledging and accepting, not only as a right, but as a reality.

We, therefore, are in the position to say what we want to say about the news. That is the privilege of all people, and it is the right of all people.

For hundreds of years, people have been able to speak out against the injustices of society. Today, we can voice our opinions and beliefs with confidence.

Library share-in

How do you manage to get the most out of the library? I think that you should try to read as much as possible. You can learn a lot from a book, and it can help you understand the world better.

If you don't have a library at home, you can always go to the library. You can find a lot of good books there, and you can learn a lot from them.

Love thy neighbor

As you know, there are many All Students in Cal Poly. How can we make our school a better place to live in? Some ideas that come to mind are:

1. Start a buddy program.
2. Organize a community service project.

These are just a few ideas, but I believe that we can do a lot to improve our school by working together.

Poly umpire back at work

Bill Longwell, California Education junior, began the third season of his professional umpiring career Wednesday.

Last quarter he umpired all the baseball and basketball games for his flying training.

He was a "setter" from fall 1966 to spring 1967. During the spring of 1967 he went back to Coach Bill Hovey.

Son of former Cal player Steve Longwell, he will return again this fall.

"I am excited to see the school, the Cal fans and baseball again," Longwell said. "I am happy to help coach the Cal team, and I think we have a good one this year."
