

McPhee misses first Polyn Royal since '33

John McPhee, president of Cal Poly, was con-

gratulated recently by his former student body

president as he brought in the 33rd Annual Polyn Royal

pageant.

McPhee is currently serving as an adminis-
tration assistant to the President of the State of California.

He is expected to re- 

main in this position for the next two years.

John McPhee, who has been a faculty member of Cal Poly, was

presented with a key to the campus by the student body. 

He is expected to receive a key to the campus.

The student body will hold a special meeting to receive the key.

The student body will also hold a special meeting to elect new officers.

Drill teams to compete

The Keyshades and the HUC's Drill Team will compe-
te in the Polyn Royal pageant.

The Keyshades will perform in the pageant on the fourth day of the event.

The HUC's Drill Team will perform in the pageant on the third day of the event.

**Editorial**

A few nights ago I attended El Rodeo, the high school yearbook publication, which has always prided itself on being a learning experience and a vehicle of expression for all those involved in its production. There are no grades or marks for those who participate—it's only a matter of pride.

In recent years, El Rodeo has made a conscious effort to raise the quality of its work and to make it more attractive to readers. This year has been no exception, as the editors have worked hard to ensure that the publication is both informative and entertaining.

As the yearbook season comes to a close, I would like to take this opportunity to express my appreciation for the hard work and dedication of all those involved in the production of El Rodeo. I am confident that the yearbook will continue to grow and improve in the years to come.

**Forum**

A few minutes ago I was reading an article about the trend of giving gifts to students at the end of the school year. The article was discussing the idea of giving gifts to students as a way to show appreciation for their hard work and dedication throughout the school year.

I must say that I am not in favor of this trend. I believe that students should be rewarded for their efforts throughout the year, not just at the end. Giving gifts at the end of the year can be seen as a gesture of patronage rather than genuine appreciation.

Instead, I suggest that teachers and administrators focus on recognizing students' achievements throughout the year through verbal praise, certificates, or other forms of recognition. This will not only motivate students to continue working hard but also help them develop a sense of pride in their accomplishments.

Conservatively Speaking

by Bob Koczor

Now is the time for all good men to come to the aid of their country.

The 41 presidential candidates have been given the opportunity to meet the candidates for the U.S. Senate and House of Representatives.

Tuesday is hosting around the country as a Michigan resident to learn about the candidates for every position.

Charles Percy of Illinois concedes that the candidates for Illinois are not doing as well as the candidates for other states. And Richard Nixon is traveling the battlefronts of his world wide tour. Dick wants to get in the seat with the time and energy that he can get from the campaign.

And all three men have the same thing in mind — to win their own elections.

But what about our Congress?

Education tuition deduction may be allowed

Up to $550 will be deductible from federal income taxes for tuition and fees paid by individuals attending college, universities, and other post high school institutions, under a new credit pilot. The United States Congress is planning the plan by a 4 to 3 vote. The plan is based on a Senate-passed bill.

The plan, which is to be debated, calls for credits to be made available to individuals who pay tuition.
Mustangs retain rodeo crown

The Mustang rodeo didn’t realiz­
ize its true potential until the second
Poly Regional Invitational Rodeo at
Red Cliffs Arena.

Dr. Lance Foster was the only
man around another title for the
Regional Rodeo for Tipp
problems, 115 points.

In the Barrel Race, the top three
were: Barbara Bear and Linda Peila
finished first and second, respec­
tively, in the Barrel Race events.
Barbara had a cumulative time
of 36 point 8 seconds to win.
Linda finished second with 30
points with a cumulative time
of 37.8 seconds.

Nancy Robinson capped it off
with a perfect time of 32.5 seconds.
