Professor Sky Bergman's Photography on Display in Santa Barbara

SAN LUIS OBISPO -- Cal Poly Art and Design Professor Sky Bergman's photographi is now on view at the Santa Barbara County Administration Building's Channing Peake Gallery.

Bergman's work is part of the "FAST FORWARD 2009" exhibit featuring 11 Central Coast artists. It runs through June 19. Curator Heather Jenó conducted in-person and virtual studio visits in order to find new works that would give a sense of the artists' evolution over time.

Bergman's recent trend toward photojournalism is evident in her newer works from Cuba and Burma.
