New coaches make debut in spring game

by George Reinoso

Many a football coach has been envious of the spring game played by the Bakersfield Bulldogs, who have been practicing for the past two weeks in the 3,500-seat stadium under the guidance of Coach Sheldon Harden.

The Bakersfield coach, who was introduced at the beginning of the season, has been busy preparing for the spring game, which is scheduled for this Saturday at 4 p.m. at the stadium.

"I'm looking forward to the spring game," Harden said. "It will give us a chance to see how our players are doing and how they will perform under game conditions."
