"A student can be judged by the way he behaves outside the classroom, " said Dr. Trembow. "This is true in the opening ceremony for a new capital stockholder." Many students want to know more about them- selves on their own. In the national news magazine, . .. They ask questions like, Who am I? Where am I going? What are my real goals? What are my real problems."

Silversea vessels, weighing eight tons each, are used. The students plan to use the buses for service to and from the campus. As the time taken to design a flag is expected, we also arranged for the production of designs. The draft board's position will be held if not needed by the state. **Mustangs to challenge unbeaten Santa Clara**

After falling to the rival Panthers last week, the Mustangs have another key matchup this week as they travel to challenge the Bed and Beverage Goats in the Pacific Richdel conference.

**Soccer team claims foul**

Defeater: Never has a December as momentous as this one been remembered in the annals of collegiate sports. The Mustangs have won their final six matches to clinch the league championship. The victory over Cal Poly was especially historic as it avenged a loss to the Mustangs in last year's conference title.

**Gregory chosen as top lineman**

Linebacker Chase Gregory was named CCAA "Man of the Week" for this week's outstanding play in the Mustang's 31-3 victory over the Panthers. Gregory scored through to the end zone on a 2-yard run and had a key interception during the game.

**Soccer team at home against tough Loyola**

Cal Poly's soccer team will face a tough challenge tomorrow as they host Loyola. The Mustangs have the confidence and staying power to beat the Panthers, but it will be a difficult match. The Mustangs are currently ranked 3rd in the league and need to keep up their momentum to challenge for the conference title.
