Probability law hangs over dice

Get a look in your area and a chance on a horse! Orly, go ahead and bet. But this time, you should have bets on a definite, fast-growing branch of mathematics called "the theory of probability." It may change your mind about the odds you face.

The electromagnetic environment of this probability theory was set 250 years ago by Newton, but Stanford's history article on "The Relativity of Knowledge" may change your outlook.

The right of freedom of speech is an important principle. However, it must be balanced against the right of the individual to be free from harassment by hate groups. The right of freedom of speech should not be used as an excuse todraulicize the rights of others. The right of freedom of speech should be used responsibly and for the benefit of all.

Bank of America has a spot for you:

Guess who forgot his NoDoz.

Even NoDoz couldn't help this guy. But it can help you, when you're overstudied or understudied—or in any situation where your attention wanders and your eyelids begin to droop. It can help you get a good night's sleep so you can get a good start on the next day. And you may forget your glasses or your handkerchief—NoDoz really works to help you stay alert.

NoDoz is non habit-forming. Wherever you're going, take NoDoz either when you have to stay alert. Or in any situation where your attention wanders and your eyelids begin to droop. It can help you get a good night's sleep so you can get a good start on the next day. And you may forget your glasses or your handkerchief—NoDoz really works to help you stay alert.

NoDoz is non habit-forming. Wherever you're going, take NoDoz when you have to stay alert. As the world's largest bank, we offer you a state-wide bank—it's world-wide, too—plus kit

A Bank of America recruitment officer will be at your placement office soon.

If you're interested in a career in California, we're interested in you. Bank of America has a continuing need for young men with initiative and executive potential to help in the development of new markets and new banking services. No matter what your degree or major field of study, we may have challenges to match your skills. As the world's largest bank, we offer you a state-wide bank—it's world-wide, too—plus kit
