Financial planner to speak March 1

Certified Financial Planner Judith Martindale will discuss “Women and Money: Myths and Stereotypes” as guest speaker for the Women’s Week Luncheon on Friday, March 1, in UU 204.

Her talk will explore the emotional blocks and myths that keep women from becoming as financially powerful as possible.

The purpose of the luncheon, which will begin at 11:30 am, is for women from throughout San Luis Obispo County to gather and exchange thoughts. Those who do not wish to participate in the luncheon may come at noon for the speech only.

Cost of the March 1 luncheon is $5.85. For reservations call the Activities Planning Center, ext. 2476. Admission to Martindale’s presentation will be free.

President designates March as U.S. Savings Bonds Month

President Baker has designated March as U.S. Savings Bonds Month at Cal Poly.

Earlier this week he sent to each faculty and staff member a packet of information describing the benefits of the program. In addition to the current high interest rate (10.94%), Savings Bonds offer:

- Interest exempt from state income taxes,
- Virtually risk-free investment,
- A guaranteed minimum return of 7.5% when held at least five years,
- No fees to buy or redeem bonds,
- Deferral of Federal Income Taxes, and
- Liquidity

The campaign will kick off on Friday (March 1) with a series of informational sessions in the Robert E. Kennedy Library Conference Room (202). Programs have been scheduled for 8:30-9:30 am; 10-11 am, and 1:30-2:30 pm.

Additional information may be obtained by contacting members of the Savings Bonds Task Force. They are Carol Clifford (2605), Barbara Melvin (2236), Mary Smith (2236), Bonnie Brady (2186), Ed Naretto (2326), Carl Wallace (1521), Jan Pieper (2844), and Larry Voss (2101).

Current addresses of former foreign students sought

Central Coast residents and alumni of Cal Poly are being asked to help in the university’s effort to contact a key group of its former students — those who were involved in the Agency for International Development’s Participant Training Program during the 1950s and 1960s.

That effort is part of Cal Poly’s current campaign to increase its involvement in international development programs and Cal Poly’s desire to again bring students from Third World countries to the campus for studies and directed internships.

As part of preparation for that possibility, the staff of the university’s International Agricultural Development Office is preparing to survey the foreign students who were on campus for the AID/PTP between 1955 and 1970. They believe former participants can help target the strengths and weaknesses of the earlier program and help make any new effort successful.

Those wishing to share address information for the survey can write to International Agricultural Development Office, Cal Poly, San Luis Obispo, CA 93407, or telephone ext. 2201.
‘Crimes of the Heart’ at Cal Poly Theatre

The second play of the Cal Poly Theatre’s 1984-85 season will be the 1981 Pulitzer Prize-winning comedy-drama “Crimes of the Heart” written by Beth Henley. Production dates for the Theatre and Dance Department presentation are Thursday, Friday and Saturday, March 7-9 and Thursday, Friday and Saturday, March 14-16. Curtain will be 8 pm.

Two special performances have also been added. Tuesday, March 12, has been designated as Ladies Night in conjunction with Women’s Week, which will just have concluded on the Cal Poly campus. Wednesday, March 13, has been declared Residence Hall Night sponsored by the campus Housing Office.

A unique staging arrangement has been conceived for this production by scenic designer Russ Whaley in order to create a more intimate setting. Instead of sitting in their usual place, those in the audience will be seated on the stage, right in the middle of the action. Because of this arrangement only 150 patrons will be seated each night.

Directing is Dr. Roger Kenvin. In addition to the set, Whaley will design the costumes with lighting design by Howard Gee. Jeffrey C. Samson is the stage manager.

All seats are $5 and tickets are on sale at the University Union Ticket Office on campus and in downtown San Luis Obispo at Cheap Thrills and Boo Boo Records. Reservations may be made by calling ext. 1421 between 10 am and 3 pm on weekdays.

Exercise workshops planned for March 4-5

Dr. Judy Alter, an exercise expert, will be conducting workshops at Cal Poly on Monday and Tuesday, March 4 and 5.

The author of “Surviving Exercise” will present her first workshop from 7-9 pm on Monday, March 4, for faculty, staff and students. The March 5 workshops will be held at 11 am for Physical Education majors, athletes, and coaches, and at 5 pm for dancers and dance teachers. All three programs will be held in the Crandall Dance Studio.

Participants should come dressed and prepared to work out. Dr. Alter is known nationally for her work with runners, dancers, coaches, athletes, and teachers.

Those wishing to attend the workshops are asked to call the Theatre and Dance Department (ext. 1465) or Judith Gray (ext. 2115).

Queen chosen for 1985 Poly Royal

Angela Darnell, a 20-year-old journalism major from Los Angeles, has been selected as queen of the 1985 Poly Royal.

Darnell and four princesses were chosen in a pageant on the Cal Poly campus. She was sponsored by the campus chapter of The Society of Professional Journalists.

The new queen of Poly Royal will represent Cal Poly students at various local and statewide functions to promote the university’s 53rd annual spring festival and open house on Friday and Saturday, April 26 and 27.

Theme for 1985 campus open house is “Minds in Motion.”
City council honors Jack House contributions

The San Luis Obispo City Council honored the Jack House Committee in a resolution read at its Feb. 5 meeting. Two members of that committee are Wes Conner, Ornamental Horticulture, and Ken Schwartz, Architecture.

Also honored with resolutions were the departments of Ornamental Horticulture and Landscape Architecture, whose students constructed much of the garden-like park around the house on Marsh Street in San Luis Obispo. Principal instructors responsible for the construction were Jerry Peace and Steve Angley, Ornamental Horticulture.

Carton boat race to mark Dairy Week

The Los Lecheros Dairy Club of Cal Poly will celebrate Dairy Week with the annual Milk Carton Boat Race.

At 11 am on Saturday, March 2, at Laguna Lake, the club will host its ninth annual Milk Carton Boat Race. The race is open to any university club or group of students, faculty and staff. All boats must be constructed of inflated milk containers — plastic or cardboard. Los Lecheros will furnish 100 cartons per entry.

Special visits to elementary schools are also a part of this year’s Dairy Week activities. Members of Los Lecheros, the club for students majoring in dairy science, will take a cow and calf to the schools and provide informative presentations for the children.

The week will conclude with the annual awards banquet of the Dairy Science Department on Saturday, March 2, at the South County Regional Center in Arroyo Grande.

Graphic design alumni featured

The annual exhibit of Cal Poly Art Department alumni, SELECTIONS '85, will run through March 13 in the Galerie of the University Union.

Titled “In The Field,” the show will feature samples of the professional works of 30 graduates of the department's graphic design option. Categories will include corporate identities, logotype and trademark design, illustration, editorial design, packaging and advertising design. This is the first campus exhibit by alumni of the graphic design option since it began graduating majors in 1980.

Viewing hours for SELECTIONS '85 are Monday and Tuesday, 10 am to 6 pm; Wednesday and Thursday, 10 am to 8 pm; Friday, 10 am to 4 pm; and noon to 4 pm on weekends.

Systemwide emeriti association formed for professors

Formation of a systemwide California State University Association of Emeriti Professors has been announced by the organization's founding officers.

The group is expected to attract men and women retired from academic positions on the 19 CSU campuses. The number is thought to exceed 2,000.

“We seek to establish emeriti faculty as fully recognized, continuing and contributing members of the academic community,” said Dr. Sidney P. Albert, professor emeritus of philosophy from CSU, Los Angeles.

Albert, who retired in 1979, is the systemwide association’s first president. He is also founding president of the Emeriti Association of CSU, Los Angeles, which sponsored the start up of the systemwide group.

The association is believed to be the country’s first independent organization of emeriti faculty in a multi-campus university system.
