Poly Royal: fun and shock

Late instructor's family establishes Leo Philipin memorial scholarship

The family of Leo Philipin, environmental engineering professor emeritus, in cooperation with the Poly Royal, has established a scholarship fund to help set up his memorial. The fund will be established in recognition of the numerous students who served as his staff assistants.

Philipin also taught in the Chemical Engineering Department as well as serving as chairman of the student body's Athletics Committee.

Local recognition and other sources of educational support for the Leo Philipin Memorial Scholarship was made possible by the efforts of President Donald Philbin and the student government's finance committee.

Several thousand dollars have already been raised for the fund, according to Bob Nichols, executive vice chancellor.

A group of six beauties will compete for the title of La Fiesta, May 3, 1968, on the campus of Los Angeles Polytechnic College.

The competition will be held at 8 p.m. in the Little Theater. The competition will be held at 8 p.m. in the Little Theater.
ASI president should increase availability of government

The position of ASI president should not be taken lightly. It is a job that requires a lot of work. Each quarter a new president is elected and each quarter the president must make decisions that affect the entire student body. The president should make sure that all students are aware of the policies and regulations of the college. The president should also be knowledgeable about the administration and the budget. The president should be able to communicate effectively with the administration and the student government. The president should be able to make decisions that are in the best interest of the students.

Next year will be crucial. It will determine the amount of influence the student government has in the administration. If the student government is able to effectively communicate with the administration, it will be able to make decisions that are in the best interest of the students. If the student government is not able to effectively communicate with the administration, it will be unable to make decisions that are in the best interest of the students.

Mustangs hand conference lead
to Cal Poly Pomona baseballers

Muataag

It was the same old story last weekend for the Mustangs baseballers as they disposed of a three-game series to visiting Cal Poly Pomona.

Game scores were: Friday: Mustangs 6, Poly 4; Saturday: Mustangs 6, Poly 5; Sunday: Mustangs 8, Poly 0.

The Mustangs outscored Poly 17-8 in a run-rule game last Friday, and Sunday’s close game showed how close the teams were in the conference race.

Carlton (18) played a major role in the Mustang’s series sweep. Not only did the Bronco hit two home runs in the games, but he also showed thePoly pitching staff how to pitch.

In the beanbag game last Friday, the Mustangs walked away with 14 hits, and thePoly starting pitcher was hit hard.

In Sunday’s nail-biter, the Mustangs battled Poly to the end, but ended up winning 8-0.

Golfers finish 10th at Stanford

The Mustang golfers closed out another season of the California Intercollegiate Athletic Association’s golf tournament, held at Stanford last weekend.

Brian Loczyk went into the final round with a 146, but needed 40 strokes to hit the final 18 holes.

Other players who brought in low scores for the Mustangs were Mike McGraw with a 150, Jack Irwin with a 155, and Dave Rusk with a 158.

Coach Burtz concluded his final season by saying, “We had a team average of 163 for the season, and we’re individually lower than our personal best.

The team will be back at it next season, and the players will be working hard to improve their game.”

Arizona State nabbed title

Arizona State won the NCAA national title in the 1989 season by defeating Poly in the championship game.

Top marks set at M t  Sac

The Mustangs were in the thick of things all season, and the team finished strong with top marks in the sprint medley relay, 880, and 440.

In the sprint medley relay, the Mustangs churned the 880 distance in 4:03.1, with the team of Jimmy Lee, John Mori son, Cedric Rambo, and Formula Hinch finishing second.

The 440 was won by the Mustangs with a time of 3:56.2, while the team of Mike Marosz, Dan Nielsen, and Scott Norfleet took third.

Top marks set at Mt. Sac

The Mustangs won the title for the fourth straight year, setting new records in both the sprint medley relay and the 880.

Character—latent

Character—latent

The Mustangs got their lead back in the fourth when Baker broke open the game with a single in the fifth to lead 6-0. With the Mustangs up 6-0, they went on to win 9-0.

Cal Poly Pomona finished in 10th place in the conference.

The Mustangs ended up in third place, just three games behind first place.

Cal State Fullerton 6

Cal State Long Beach 6

Fresno State 4

Idaho State 3

Arizona State 2

The Mustangs finished in 10th place in the conference.
