Student activist plans revealed

by Bob Batten

Student Affairs Council found early action in crisis in the review of Delta Sigma Phi, Phi Beta Chi, and Phi Gamma Delta.

The bylaws must now go to the faculty for final approval or disapproval.

Alumni conference slated

by Leland Hammond

"For and the Eternees" is the theme for the first alumni conference to be held July 15, 1973, on the campus of the University of California at San Diego. The theme for the conference will be presented by the major speakers in the field of literature and philosophy.

Another emphasis in the conference will be the relationship of schools to the community. National and local organizations will be featured in a panel discussion to be held at the conference.

The conference will take place in the science auditorium at the University of California at San Diego. The conference will be held on Thursday, July 15, 1973.

Alumni and friends are invited to attend the conference. The registration fee is $10 per person, which includes meals and a social evening.

A welcome reception will be held on Thursday evening, July 15, at the University of California at San Diego. The reception will be held at 8 p.m. in the auditorium lobby.

Graduation activities

Graduating seniors plan to hold a variety of events to celebrate the end of their college careers. Among the activities scheduled are a graduation dinner, a graduation dance, and a graduation parade. The activities will take place on Friday, June 16, at 8 p.m. in the auditorium.

Alumni and friends are invited to attend the activities. The registration fee is $10 per person, which includes meals and a social evening.

Agriculture receives dean

by Alvin Rhodes (I) and Dave Markowitz (I)

Dean Gibson named after interim service

J. Gordon Gibson, a faculty member and academic adviser, has been appointed interim dean for the next academic year, effective July 1, 1973. Gibson will replace the incumbent dean, Dr. Dan Lawson, who is retiring after 32 years of service at the university.

Gibson has served as an academic adviser and as a professor of agriculture at the university since 1970. He has also served as an assistant professor of agriculture and as a professor of agriculture and various other departments at the university.

Gibson has earned a doctorate in agricultural economics from the University of California at Berkeley.

In his new role, Gibson will be responsible for the administration of the university's agricultural programs and for the development of new programs and initiatives in the field of agriculture.

Gibson has been well received by faculty and students alike, and is widely respected for his knowledge and dedication to the field of agriculture.

Sorority initiation

The Lambda Lambda Lambda chapter of Lambda Chi Alpha was made the focus of attention yesterday as the women of the three women’s sororities, Alpha Xi Delta, Delta Phi Epsilon, and Phi Mu, gathered in the Alumni Center to encourage the women to join the Lambda Lambda Lambda chapter. The new members were pledged and received flowers from President Anne Markey, Secretary Lida Fish, Treasurer Jeanne Kenney, and Alpha Xi Delta, Delta Phi Epsilon, and Phi Mu chapters.

Campus Capers

Mustang premier

Chairman Carol Thomas is proud to announce that the student government officers have been nominated and that the Mustang premier will be held Friday at the Lambda Lambda Lambda chapter.

Officers chosen

The faculty officers have been chosen and will be announced later this week. The officers are: President Paul Markey, Secretary Lida Fish, Treasurer Jeanne Kenney, and Alpha Xi Delta, Delta Phi Epsilon, and Phi Mu chapters.

Annual breakfast

Wonderful Day Breakfast will be held Thursday, June 6, at 6 a.m., in the Home Ec. Building today.

You'll only have yourself

If you don't make the trip to watch the Mustang premier, you'll only have yourself to blame.

Gee performance

The Diamond Store for Cal Poly

Gee's floss electors

Gees, the student officers, have been chosen and will be announced later this week. The officers are: President Paul Markey, Secretary Lida Fish, Treasurer Jeanne Kenney, and Alpha Xi Delta, Delta Phi Epsilon, and Phi Mu chapters.

Blood request

A blood bank will be located at the Student Center from 10 a.m. to 4 p.m., to allow students to donate blood. The Student Center is located across the street from the Student Union, and is open Monday through Friday from 8 a.m. to 4 p.m.

Space expert discusses
satellites and Teflon

What the American people are
getting for a $1 billion launch
was the topic of a talk by J. W. Whitehead, who
was a member of the
project team of
the first
class satellite.

Whitehead explained that the
space station will be used
to conduct experiments on
the atmosphere and
on the effects of
space flight on
living things.

A second class of
students will be
required, he said,
who will be
teaching in the
space station.

The American people are
getting a satellite for
$1 billion, he said,
and it is going to be
used to
conduct experiments on
the atmosphere and
on the effects of
space flight on
living things.

The project team of
the first
class satellite has
been working on
the project for
a year.

Trackmen find swift performers, world discus standard shattered

Coach Dick Powell's trackmen found some pretty swift performers as they finished fourth in California and third in Nevada last weekend and managed to break state iles in the 440 relay event.

The Mustangs won the 440 in 4.4.8 with Santa Clara being second at 4.4.5. M. I. State was third at 4.5.2 and Army fourth at 4.5.

In the featured two for the championship, a five yard lead was the difference in the meet as the Mustangs' entry, led by Lesseburg and Robert Schrader qualified for the final to the tune of 1.19 with 1.7 seconds over the Medicine Hat entry. The meet was held in the Civic Auditorium.

The 110 hurdles event was headed by the Mustangs as well and the meet was won by the world's fastest man, Mike Henderson from the Arizona Track Club in 13.8. The meet was named after the world's fastest man, who broke the world's best mark. The 110 hurdles event was won by Mike Henderson from the Arizona Track Club in 13.8. The meet was named after the world's fastest man, who broke the world's best mark.

One highlight of the meet was the record breaking performance by Jay Silvester who broke the world's best mark. The 3.0 year old Insurance man hurled the discus 218-4 to reclaim the world record he held before at 100-218.

The 218-4 heave wiped out the mark of 213-11 1/2 set by Ludvik Danek of Czechoslovakia in 1965. Danek took the world mark away from another American Al Oerter, who had taken it away from Tim Vollmer, Oregon State.

The Mustangs next performance unco will come in the NCAA 5. Larry Kennedy, Utah; 218-4 Coach Dick Purcell's truckmen Ruben Smith qualified for the final in the open 100 with 0.7 former* at the California Relays. Each In the prelim but neither in Modesto last weekend and placed in the final. The event was won by J.D. Hill of Arizona State at 14.

Gael Purcell, who just one week ago scored 10 points to lead Mustangs, tied Oerter at 0.7 and placed in the final. The event was won by J.D. Hill of Arizona State at 14.
