Kites flew, disappeared, struck bulls and a truck

Twenty Architecture students, under the direction of J.H. Evans, the Architecture Dept., held a kite-flying contest at the Arts Hanger last Tuesday. The Architects were aided by a strong wind, although some of them had designed their kites to fly in no wind at all. Top honors went to Dan Guthrie, who flew his kite 600 yards out.

Evans assigned kite-building to his students as an exercise in the use of structure. Kites had to be four feet in span, and could have no tail. The contest was held as a practical test of the students' designs.

Eventually, most of the kites got off the ground, but few of them returned once one struck a dorm roof. Another temporarily suspended campus construction when it landed on a dump truck. One large kite landed on the horns of two bulls, but was retrieved by the decantent Arch.
Mr. Nixon could bring blacks and whites closer together in this country with his new welfare program. “Sure, I said he would mend the system.”

Mr. Nixon says the surtax will cool our inflation. “Naturally, he promised to take care of those matters.”

Mr. Nixon’s birth control policy might straighten out this country’s overpopulation and hunger. “That’s right. He wants the country fed and healthy.”

By ending the war, Mr. Nixon could put America on its feet. “Precisely. He promised to bring our boys home. But Mr. Nixon... but he’s digging all those silos...”

Capurso liked what he saw (continued from page 1)

Dr. Capurso is a member of a number of professional groups including the American Psychological Association, the American Council on Education and the Association for Higher Education. He is chairman of a number of activities particularly in the fields of psychology and music.

Dr. Capurso is a member of a Stanislaus State College where he has been president for the past 6 years. While president he also served as chairman of the system-wide arts and lectures series of the California State Colleges and the Committee on Cultural Affairs of the American Association of State Colleges and Universities.

Dr. Robert Kennedy says of him, “He made a significant personal contribution to the college’s development.”

The Capursos will be living in San Luis Obispo. They have a daughter, Vita, now attending Cal Poly.

Laureate offers cash for poems

Laureate 1969, the annual anthology of outstanding student poetry, is seeking poems from students on American college and university campuses. The book is a highly selective compilation of poetry done by today's students. In addition to being published, entrants will be eligible for awards. Awards for best poetry submitted include first prize, $500 and gold medal; second prize, $350 and gold medal; third prize, $100 and silver medal; honorable mention: bronze medal.

Men and women graduates, undergraduates, or extension course students enrolled in any American college or university are eligible to submit their works to the committee for consideration. There are no restrictions as to length, style or subject matter of the poems, nor is previous publication a requisite. Deadline for sending in works is November 1, 1969. Entries should be mailed to "Laureate", Post Office Box 87, Cedarhurst, New York. 11518. Enclose a self-addressed return envelope.

Don Schula’s Colts are ‘just about ready’

by Dennis Askin
Reporter-Editor

“At this stage of our training season, I’m perfectly satisfied with our progress, and feel that we are just about ready to defend our NFL title — ’Coach of the Year’! Don Shula said that last week in an interview at the Colts’ dormitory where the Baltimore Colts are training for the upcoming 1969 season.

The intense, personable Shula has the winningest percentage of any active head coach in the NFL. During his six years at Baltimore, he has compiled a 63-18-3 record. His training season here has amazed many local sports fans because of the way it is being conducted. Contrary to the highly publicized camps of Vince Lombardi where the emphasis is on physical contact, Shula’s philosophy has been to stress physical conditioning and basic fundamentals. He feels these aspects of the game are more conducive to having a winning season, because the players get all the contact they need during the regular season.

The biggest surprise thus far in the season has been the play of John Unitas to form of a perfect passer, the coach. That who not out most of last season with a sore arm, greatly impressed Shula with his performance in a recent exhibition game against the San Diego Chargers.

“During this 26 to 8 Colt victory, Unitas completed 8 of 9 passes. More impressive than his completion percentage was the ability of Johnny U. to throw a long bomb and the short, hard, which are crucial to a quarterback who isrecovering from a sore arm. In regards the status of who will be the starting quarterback comes the NFL opener against the L.A. Rams, Sept. 21, the head coach feels that it is too early to decide between Unitas and first year MVP Earl Morrall. Shula stated that for the rest of the exhibition season he will divide the playing time equally between two, and third year man Joe Wood who has been along with the work thus far of Charlie Cade and Ray Hibbs, has been grooming to replace All-Pro defensive back Bob Boyd, and defensive end Ordell Braase, who retired.

When questioned concerning the effect of the shocking loss to the Jints last year, Planner said with the Unitas, the Colts nipped the Oklahoma A-M with a second quarter score of 3-0, but we haven’t talked about it since. We are more concerned about this season, and our efforts are geared towards defending our NFL Championship.”

Unitas shines

The Colts nipped the Oakland Raiders Monday night, 28-10, behind the quarterbacking of Earl Morrall and John Unitas. Unitas was particularly sharp, completing 12 of 18 for 283 yards and a pair of touchdowns.

San Francisco Chronicle writer Glen Hickey said Unitas "impressed everybody" in the second quarter, his only playing time. "And if you’re betting on the regular season starter,” Hickey continued. “Get damn good odds before you take Morrall.”
