WASHINGTON (UPI) — The Senate in a dramatic repudiation of President Nixon rejected his nomination of Judge G. Harrold Carswell to the Supreme Court today by a 50 to 45 vote.

A coalition of Democrats and dissident Republicans teamed up to defeat Carswell and deal the President a second rebuff in his effort to name a southern judge to the high court.

On Nov. 21, the Senate similarly refused to confirm Nixon's nomination of Judge Clement F. Haynsworth Jr., a South Carolinian. The vote on that showdown was 55 to 43, the margin of defeat so narrow that some observers had predicted Nixon would win.

In the current showdown, the White HouseHerad was confident of victory until an hour before the vote began but Nixon himself acknowledged earlier that he thought it would be "tight, very tight."

Immediately after the vote, Prouty, a key figure in the decision against Carswell, said: "I voted against this nomination for many days. I tried to give the President's nominee the benefit of doubt, but my doubts were too strong."

Senate GOP Leader Hugh Scott said the decision has "created an unfortunate constitutional confrontation and has caused a situation which must not occur again."

He called for a full discussion by all parties, including members of the Senate, before Nixon submits another nomination.

Cook, whose stand wasn't known until he cast his ballot, said he voted against Carswell because he didn't have the full support of his fellow judges on the 8th U.S. Circuit Court of Appeals and because of his "extraordinarily high reversal rate.

The tensely waited vote began in the Senate chamber at 1:30 p.m., with the issue in doubt almost to the last moment. Last with 10 minutes of the count, the outcome was decided — Nixon had sustained defeat.

WASHINGTON (UPI) — The Senate yesterday rejected the President's nomination of Judge G. Harrold Carswell to the Supreme Court.

The vote was 50 to 45, a margin too close for comfort for Nixon who has been pressing for a confirmation since last fall.

The Senate similarly refused to confirm Nixon's nomination of Judge Clement F. Haynsworth Jr., a South Carolinian. The vote on that showdown was 55 to 43.

On Nov. 21, the Senate similarly refused to confirm Nixon's nomination of Judge Clement F. Haynsworth Jr., a South Carolinian. The vote on that showdown was 55 to 43, the margin of defeat so narrow that some observers had predicted Nixon would win.

In the current showdown, the White House had insisted that the Senate would confirm Carswell.

Immediately after the vote, Prouty, a key figure in the decision against Carswell, said: "I voted against this nomination for many days. I tried to give the President's nominee the benefit of doubt, but my doubts were too strong."

William Everson, better known as Brother Antonius, will read and lecture on his poetry next week.
LETTERS TO THE EDITOR

College ‘real eco-model’

To the Editor:

The Ecology Action Committee would like to express its appreciation to President Kennedy, Executive Dean Gerard, Dean of Agriculture Gibson, Dr. Corwin Johnson and Lachlan Mac Donald.

On the Tuesday before the letter to President Kennedy was published in the Mustang Daily (Thursday April 2), a meeting was arranged by President Kennedy with the people mentioned above and representatives of E.A.C. It is our opinion that all of the four listed pollution problems have been or are in the process of being adequately corrected:

1. The steam cleaning platform is now using a bio-degradable soap in place of phosphate detergent. A bid has been submitted to build a twin sump system to prevent creek pollution from this site.

2. Ashes from the horse-shoeing unit have been cleaned from the creek bank.

3. We were assured that the creek fill on campus has been stopped and that the existing fill will be covered with top soil and seeded.

4. In addition the poison dump above Stenner Creek has been filled, and moving of the swine unit to its new site will stop one of the greatest sources of stream pollution on this campus.

Our committee is proud to be a part of a campus that is making progress toward becoming a real eco-model.

Justin Congdon
Ecology Action Committee

Band defended

Editor:

Within the past months several letters have been written regarding the authenticity of statements in the Mustang Daily. I feel it is necessary to state some corrections in regards to an article about the basketball team and the Cal Poly Pep Band by Gary Williams on March 4, 1970.

At the end of the Fall Quarter members of the Poly Marching Band and another interested students on campus signed up to form the Pep Band which performs every year. Plans were made with coaches Stoner and Hitchcock for the Pep Band to play at several home games and matches.

The basketball team had two home games before finals in the Fall Quarter. These games were during 1) a final rehearsal for a performance, and 2) the night before the Christmas caroling program. In order for the band to have played at that time there would have been necessary for the band to have rehearsed of performed six nights in a row in the week before finals.

The Pep Band held rehearsals during registration for the first performance on Jan 3. After that time the Pep Band performed at basketball games Jan. 18 and 26; Feb. 13, 14, and 28. It also performed at wrestling matches on Jan 18, and Feb. 13, 14 and 17. The Pep Band also, at their own expense, traveled to Fresno to State game. This means that the Pep Band was occupied for every weekend, performing at home games except the last of the Winter Band Concert.

In conclusion it seems to be a substitution of “Mustang Daily writers” in Mr. Williams article might make it more true. Mustang Daily writers... we they seem to keep occupied per every weekend, doing something besides attending the basketball games.”

I hope that the Mustang Daily, in the future, check questions that it prints and can bring to truth to the students that it appears it.

John A. Crane
President, Poly Band

Jobs open

Persons interested in applying for positions on student publications for next year should appear before the Board of Publications to register at 3 P.M. in room 106, Graphic Arts Building, according to chairman Roger Vincent.

Yearbook positions open are those of editor and sales manager. The positions of editor, advertising manager and business manager are open on the Mustang Daily. Applicants for the positions should submit a letter of their qualifications at the meeting.
**Buck, Rato-so-finallv picked up**

by PAUL TOKUNAGA
Staff Writer

Joe Buck and his sidekick, Ratso, finally get picked up Tuesday evening in Hollywood by a guy named Oscar.

"Midnight Cowboy," the story of a male prostitute and his burnt-out promoter, was selected by the Academy Awards board as the best picture for the year 1969. Produced by Jerome Hellman and directed by J. Schlessinger, "Cowboy," a United Artist production, was also selected for best achievement in directing (Schlessinger), and for best screenplay based on material from another medium (Waldo Salt).

Barbra Streisand, who played the role of a male prostitute and her bum-legged promoter, was selected by the Academy Award board as the best actress for the year 1969. Streisand was also selected for best achievement in directing (Schlessinger), and for best screenplay based on material from another medium (Waldo Salt).

Another special presentation, "Cactus Flower," a United Artists production, was also selected for best achievement in directing (Schlessinger), and for best screenplay based on material from another medium (Waldo Salt).

Sunday Breakfast and Bible Discussions:

"The Christian Faith and Contemporary Man"

Your abilities and knowledge are important to Southern California Edison: We need new ideas, new techniques and sound planning for projects necessary to serve the enormous electrical power requirements of Central and Southern California.

These projects will cost approximately $1 billion during the next three years. During this period we will build or participate with other utilities in the development and construction of approximately 3,300,000 kilowatts of generating capacity. That's a lot of kilowatts—about one-third as much, in fact, as our total capacity today.

Some may say this is a "technical impossibility." We don't.

Just look at our record:

**) New units with a total capacity of 1,590,000 kilowatts are being completed at the Four Corners Generating Plant in New Mexico.

A new 500,000-volt A.C. transmission line from Four Corners to Southern California was completed early in 1969. Spanning 850 miles, it makes a mighty leap over the Colorado River.

The Mohave Generating Station in Clark County, Nevada will have two 790,000 kilowatt units. A 275-mile slurry pipeline will deliver coal fuel to the plant from Arizona.

Edison is also active in the advanced technologies of EHV transmission, both A.C. and D.C. We're looking even further ahead to such direct conversion methods as fuel cells, thermionics, thermoelectric and magnetohydrodynamical systems.

It takes plenty of talent to make this kind of progress. We're prepared to pay for it. And we're prepared to offer advancement, and to pick up the tab for accelerated training.

## Mustang riders go to Salinas

by BARNEY GUZENSTE
Sports Writer

The Mustang Rodeo team will ride into its fifth rodeo of the season at Salinas this weekend, leading the West Coast Region by 1500 points over second place Mesa Community College.

Rough stock rider Melvin Dick leads the region in three departments.

In saddle bronc Dick has a 135 point lead over Joe Lifto from Pomona. Greg Reidel is holding down third place in this event for the Mustangs.

Dick also is leading the field in the bareback riding, followed by Dennis Pleasant also from Poly. Combining these two firsts, Dick is the number one man in the race for All Round honors with 366 points. Tom Ferguson, leading roper for the Mustangs, is only 32 points behind Dick.

Ferguson has a 40 point lead over his brother Larry in the steer wrestling division. Tom Ferguson is also sitting second in both calf roping and ribbon roping.

Roper Jerry Koile has 187 points in the calf roping, good enough to land a third place, and Larry Ferguson holds down a third place in ribbon roping.

For the girls team it's an uphill fight.

The University of Arizona is presently leading the region in the girls events with 1255 points compared to Poly's 1,185.

Sharon Meffan is the top strong performer. At press time she is in second place, just behind Cindy Goodman of the University of Arizona, in a round-honors. Miss Meffan will be in first place in goat tying and standing third in the breakaway roping.

Donna Carter is in second place in goat tying with 225 points. Robin Duncanson is Poly's female roper as she is in third place in the breakaway roping, just behind Cindy Goodman of the team and A. Miss Duncanson also sits in third place in the barrel race.

After the Salinas rodeo team has five rodeo remains including the big brother rodeo at Poly Royal.
