LETTER TO THE EDITOR

Iranian tactics questioned

Editor:
The purpose of this article is to clear up several facts that were obviously mistreated in Mr. Ghasseme's article last Friday in the Mustang Daily.

Editorial special: $6.00. For appointment—within limits to Southern California. And plants have been operating for more than 23 years. The energy they release spins the giant turbines that makes electricity at the San Onofre Nuclear Generating Station.

This peaceful use of the atom means a reliable source of low-cost electricity for our customers. It also means progress without adding to Southern California's environmental problems. With nuclear power plants, maintaining clean air is not a problem. Neither is radiation. No one has ever been injured by radiation from any commercial nuclear power plant in the United States. And plants have been operating for more than 12 years. After all, even President and Mrs. Nixon live next door to a nuclear plant when they're at the "Western White House" in San Clemente. It's less than 3 miles from San Onofre.

In the years ahead, Edison will build more nuclear power units to meet the critical need for more electricity—now doubling about every 8 years. Engineering and design work is underway now for two additional units at San Onofre. They are scheduled for commercial operation in 1976 and 1977. Thereafter, the only major generating facilities Edison will build in the South Coast Basin will be nuclear. We made this commitment as part of our continuing efforts toward a cleaner, more attractive environment for everyone.

To us, that's important.

IT'S MY VIEW
Student disappointed
by CHUKU C. EZIKPE
It's very unfortunate that there was an international misunderstanding during Poly Royal. I am not here to comment on any of the parties involved, but I am trying to express my personal views.

To view takes off from the above hand-outs titled "What happened yesterday during Poly Royal." The paper's stated purpose was for the Iranian student and survivor as having been used by the center of U.S. supported Iranian dictatorship which resulted in the execution of Iranian political opposition members. To whatever degree this might be true, I do not deem it wise to have used Poly Royal as a media for international politics. We have our right to dissent against our respective governments, but according to international law and international relations, we are only honorable residents in a foreign country when we keep up with our own diplomatic commitments with reasonable respect to the laws of the land.

As an African student, I was very much disappointed when I noticed that the name of our association was listed among those that gave full support to the Iranian cause. I believe that the support (if any) given to the Iranian students association was on the cultural aspect of the bone of contention. We shall be acting out of the international relations concept if any of us meddles into our hosts' politics. Most of us are looking forward to becoming leaders of a country. I do not think we shall be ready to stomach any political blackmail even though it is said that to laugh at a jest that plants a thorn into another's breast is to become a principal in the mischief.

Lecturer lost
Barbara J. Young, a 30-year-old history lecturer at this college, is the object of concern in her department. Miss Young failed to attend her Friday class and has not been seen since. Attempts at reaching her by phone are failed, and a police investigation of her San Luis Obispo apartment revealed nothing irregular.

Dr. M. Eugene Smith, head of the History Department expressed concern over Miss Young's disappearance: "She is a very nice person. She has been a steady, year of years a good, conscientious, well-respected person," according to Dr. Smith. Miss Young will re-sume her teaching position if she returns by Thursday.

Baseball nine drop three

The Mustang baseball team was eliminated from the California Collegiate Athletic Association title chase by Cal Poly, Pomona, last weekend. The Mustangs, who tripped the Broncos thrice in a weekend set earlier in the season, could not find a winning note this time around and fell before the Pomona bats three times.

A tone for the series was set Friday when the Mustangs were edged 6-4 in a thriller up to the final out. Trailling 6-4 going into the ninth inning, they rallied for a pair of runs and had the bases loaded before a groundout cut short the comeback.

Saturday Aguile Garrido's nine moved to a 3-0 lead early in the first game of a doubleheader. Pomona scored twice in the second, once in the ninth, and the game went into extra innings. The Broncos won it in the eleventh on a one-out throwing error.

In the second game Saturday Mustang fielding errors handed the Broncos a 8-3 victory, while the Mustangs out-hit their opponents 11-8.

Oliver, Baggett and Pence each collected two hits in the game as the Mustangs out-hit the Broncos a 10-3 victory.

Dave Oliver and Rick Pence each collected two hits in the game as the Mustangs out-hit the Broncos a 10-3 victory.

Deadline

Jerald Holley, director of admissions and records, has announced that no withdrawals from courses can be made after the seventh week of instruction.

The seventh week of instruction is over at 5 p.m. on Tuesday, May 15, 1970.

Intramural track meet scheduled for May 15

So, you think you're an athlete? Your chance to prove your capabilities will come on Friday, May 15, when the annual Cal Poly Intramural Track and Field Meet will be held on the new track behind the Men's Gym.

Scheduled running events will include the 100, 220, 440, and 880 yard dashes, the mile, 70 yard high hurdles, 130 yard low hurdles and the 440 and 880 yard relays. The field events include the long jump, high jump, pole vault, shot put, discus and the year the triple jump has been added to the list of events.

These events are open to all clubs, teams, and individuals except members of the Cal Poly Track teams.

Sign-ups will begin at 5 p.m. on the new track, with field even beginning at 5:30 and running events beginning at 6 p.m. Short spikes or flats will only be allowed on the new track.

Trophies will be given to first place winners in each event.
