Frog-in: Hell's Angels, cops and cowboys

Frog Jumping Contest held at Angels Camp last weekend. Number VII jumped 12'6" and brought the trophy home for the fifth year out of seven.

Spring recital on May 22-23

Tickets for both performances are available from the members of the band, at the TCU, many department stores and downtown. In addition, tickets for the May 23 concert are also available from the members of La Fiesta Committee. They are priced at $1.50 for students and $1.75 for general admission.

Investigation

District Attorney Robert Tate of San Luis Obispo is making an investigation into recent solicitations by the Grolier Encyclopedia Company. He has asked to talk to all the people that were contacted by the company and especially those who signed contracts. Most of the people are believed to be from this school.

There is the possibility of court action following the investigation and anyone holding a contract that is not included in the investigation may be subject to suit, according to Tate.

Tate can be reached at the Court House Annex on the corner of Santa Rosa and Palm or by calling 443-3641.
Open forum today

The public is invited to open forum discussions at the Administration building on Tuesday afternoon. The forum is open to all students who wish to discuss any topic of interest. Panel members include John Smith, Mike Johnson, and Sarah Brown. The forum is moderated by Mr. Thomas, the dean of the college.

Bill proposed for 'conflicts'

California residents in the armed services may not have to fight in undeclared wars overseas, if bills introduced in the State Assembly are approved.

AB 1440 by Bill Greene (D., Los Angeles) and AB 1774 by John Vasconcellos (D., San Jose) are patterned after legislation recently enacted in Massachusetts. The two proposals provide that:

- No resident of this state shall serve in the armed forces of the United States or any other country in which there is an armed conflict unless the Congress of the United States has declared a war in that area.

A hearing has been set to discuss the two bills by the Assembly Committee on Government Administration on Thursday, May 27. The committee usually meets in Room 400 in the State Capitol at 1 p.m.

A group of 700 law students lobbied last Wednesday in support of the bills. An amendment for an anti-war resolution.

Yet Monte Carlo's a car of thickly-padded seats. An instrument panel with the look of Captain's swivel seat. Plush carpeting. Monte Carlo is every hit the luxury car. Try the real thing at your Chevrolet dealer's.

Putting you first, keeps us first.
Politicians provide only way

I began this letter by asking to whom it may concern, but this concern
includes the students, faculty, and staff. With the change in the
administration, new ideas are being brought to campus. I believe that
these new ideas will lead to a better atmosphere for all. The
administration is aware of the problems and is taking steps to
improve them.

Education prize

I have been reviewing my notes on the recent meeting with the administration.
I believe that the administration is listening to our concerns and will take
action to improve our campus. The administration is also aware of the
economic challenges that we are facing and is taking steps to address
them.

Summer Quarter

I am excited about the upcoming summer quarter. The administration has
been working hard to ensure that the facilities are ready for the
students. The administration has also been working on finding ways to
reduce costs and improve the quality of life for the students.

Tropicana Village

Tropicana Village is a great place to live! The administration has
been working hard to make sure that the facilities are ready
for the students. The administration has also been working on
finding ways to reduce costs and improve the quality of life for
the students.
Spikers third crown

by RICHARD BOSCHETTI
Sports Editor

Coach Dick Purcell's mighty spikers won their third straight California Collegiate Athletic Association track championship last Friday and Saturday, earning an eye-popping 116 points on the M.T. San Antonio JC oval.

In what Purcell termed, "the most important meet of the season" the Mustangs took the top spot in ten of the 18 events to exactly double the points garnered by second place Cal Poly Pomona which finished with 58 points.

All four defending champions in the crown chase were from this campus and encompassed five events besides the 440 and mile relay teams. Mathyas Michael successfully defended his crowns in both the mile and 880 yard races although both of his times were slower than last year's performance. Michael ran the mile in 4:13.3 and the 880 in 1:58.3.

Also, repeating in their specialties were Junior Olson in the shot with a heave of 55'2" and Mohinder Gill in the triple jump with a leap of 48'11 4".

The Mustangs also managed to retain their hold in the 440 yard relay as Ron Martlnelli, Leo DeWinter, Bobby Turner and John Haley combined their efforts to win the event in a time of 41.2. But, in the meantime the Mustangs dropped the mile relay to Cal State Fullerton.

Bob Newton who won the 440 in last year's competition with a 47.3 clocking did not compete in the 100 and 220 yard events although his performance was better than his last year's performance. Newton ran the mile in 4:13.3 and the 880 in 1:58.3.

Before the meet the Mustangs went heavily favored to run away with it all but Purcell stated, "Just because we're favored does not mean we can't be beaten... a lot of wild things can happen at the meet." Purcell was right when he said a lot of wild things could happen, for the Mustang track team went completely wild as their depth and strength absolutely demolished all opposition.

Besides their ten first place finishes, the Mustangs also captured three-second, nine-third, three-fourths and five-fifths. Other winners for the Mustangs were Aaron Webber in the Pole Vault at 14'6 1/2", a new school record, Jim Low in the 130 high hurdles at 14.4, Bobby Turner in the 100 and 220 in 9.7 and 21.8 and Gary Kerr in the 440 Intermediate hurdles in 53.8.

Following the Mustangs and Pomona in the final standings were Cal State Fullerton with 61 points, San Fernando Valley with 50 points and UC Riverside with 18 points.

Corporations are legal fictions. They are really only companies who make promises to other people. Scope Corporation, who built Stenner Glen, is a legal fiction; a bunch of people who make promises. Mostly we try hard to tell the truth and keep the promises. Sometimes we screw up, but that makes it easier to understand when other people screw up. So maybe we sort of match — you and us — maybe we ought to live together for a while. Have you ever lived with a legal fiction?

Delta Upsilon wins intramural swim meet

Delta Upsilon captured its third straight place in the team and competition. Thursday, during its Intramural Swim Meet.

There were 10 swimming events, but swimmers could swim for no more than three times. In McPherson captured first in the 100 yard individual medley, as Ed Clifford took top honors with 1:59 in the 200 yard breast stroke.

Bob Nero took first in the 100 and 200 yard freestyle events, and Clifford won the 100 yard back stroke.

The 80 yard breast stroke winner Alan Anderson and Helsinki Humphrey took first in the yard butterfly.

The one meter diving event went to John Englert. He was 138.4 total points to win the event.
